Ike Challenges Sen. Kennedy On Costly Programs

PHILADELPHIA (UPI) — President Eisenhower, stepping up his attack on the Democrats, Friday night challenged Sen. John F. Kennedy to give a dollars-and-cents breakdown of how he would pay for his programs of new federal spendings.

Eisenhower called for election of the "superlative" Republican team of Vice President Richard M. Nixon and Henry Cabot Lodge in a free-swinging political speech full of jabs at Kennedy, whom he did not mention by name.

The Chief Executive said it would be "catastrophic" to this country and the free world if Democratic platform pledges were redeemed. It could endanger the American dollar and further increase the world price of gold if the Democrats tried to pay for their programs with deficit spending, he said.

DENUNCIATIONS

In an obvious denunciation of Kennedy's campaign theme that U.S. prestige, power and economic strength may be fading, the President said:

"Whatever was America's image abroad at the beginning of this campaign, it tends to be blurred today. This is because of unwarranted disparagement of our own moral, military and economic power.

"Anyone who seeks to grasp the reins of world leadership should not spend all his time wringing his hands."

Openly bidding for votes of Democrats, Eisenhower called Nixon "by all odds . . . the best qualified man to be the next president of the United States."

The president, indirectly accusing Kennedy of "amazing irresponsibility" challenged the Democrats to tell the nation how they would pay for vastly increased spending pledged by their party platform.

"If they would pay for these

Civil Rights Probers Hold Voter Hearing

By SAM HANNA

ARCADIA—Mrs. Pauline Culpepper, registrar of Bienville Parish, underwent a three-hour probe here Friday as the Department of Justice prepared for a November 16th hearing on alleged civil rights violations.

Two attorneys from the Department of Justice overrode the objections of Dist. Atty. Albin P. Lassiter of Monroe to conduct deposition procedures in the Bienville courthouse.

Lassiter, who represented Mrs. Culpepper at the request of Atty. Gen. Jack P. F. Gremillion, said he didn't think the "federal government gained one thing here today."

FIRED QUESTIONS

Justice Department attorneys D. Robert Owen and David L. Norman fired question after question to Mrs. Culpepper concerning the operation of her office.

She answered their questions without taking the Fifth Amendment a single time.

Norman said the purpose of the deposition was to obtain "additional evidence" in a case involving Mrs. Culpepper and 21 Citizens Council members on alleged civil rights violations.

The case is pending in court, but a hearing is set for November 16 at Shreveport. Charges were filed against Mrs. Culpepper and the Citizens Council members as a result of the 1956 voter probe here.

Mrs. Culpepper told the questioning attorneys that over 600 persons were challenged during the probe.

In effect, Lassiter protested to

Giver's Drive 'Clean Up' Day Set Wednesday

Wednesday has been named "Clean Up" day for the United Giver's Funds 1960 Drive, Fred Petty, vice president of the Ouachita Parish Chapter of UG announced yesterday.

Petty, along with drive chairman W. E. Whetstone and vice chairman Ed Carter, met together at the United Givers' headquarters yesterday to review some of the returns from divisions.

SMALL ARMY

Whetstone requested in the report meeting held Thursday the "personal assistance of a small army of civic minded volunteers to help us put over in record time the fifth UGF drive."

Whetstone said that he, Petty and Carter will meet with these volunteers Wednesday at 9 a.m. and make special assignments, sending persons out to collect donations and wind up the drive.

Yesterday's total was reported at $111,131.96, which still stands at the half-way mark. Whetstone added that he is confident the goal will be reached shortly.

New 100 percenters reported yesterday at the United Giver's office include Ryan Chevrolet, F. Strauss and Sons and Monroe Frozen Foods.

Finch Jurors Undecided On Miss Tregoff

LOS ANGELES (AP)—"Well, it looks like they've got a verdict on the doctor, but they're hung up on Carole," Dr. R. Bernard Finch's attorney said Friday.

Grant B. Cooper made the remark after leaving a conference in the chambers of Superior Court Judge Leroy Dawson, who presided over the retrial of Dr. R. Bernard Finch and his mistress, Carole Tregoff, on charges they murdered the surgeon's society wife, Barbara.

The remark apparently was an expression of opinion, as the jury has not been polled and is forbidden to discuss the case.

The jury, now in its ninth day of deliberations, asked Friday morning to have reread part of the transcript of Miss Tregoff's testimony. It also asked for a reading of a restraining order Mrs. Finch obtained against her husband shortly before she was slain.

The jury at the first trial deliberated 37½ hours before announcing it could not agree on a verdict. The second jury has already passed the mark.

Now it apparently wants to hear again all of Miss Tregoff's direct and cross-examination testimony.

Cooper said this involves more than six volumes of transcript of 70 to 80 pages per volume and the reading might take two days. Unless the jury works Saturday, that means its deliberations might go at least into next Tuesday.

Gov. Davis Calls Special Session

BATON ROUGE (AP) — Gov. Jimmie H. Davis Friday called the Louisiana Legislature into session at noon Nov. 4, a bare 10 days before a federal court deadline to integrate New Orleans public schools.

The 12-day session means lawmakers will be on hand for the Nov. 14 integration date.

Davis, and Atty. Gen. Jack Gremillion are under federal court orders not to interfere with school integration. The order followed Davis' attempt in August to seize control of New Orleans schools to prevent integration.

FOLLOWS ACTION

(The call for the Legislature came one day after Dr. James F. Redmond, New Orleans public school superintendent, had recommended five Negro girls be admitted to the first grade of all-white schools. The Orleans Parish School Board has not acted on the recommendation yet.)

Kennedy Slaps Nixon's Pledge In Pennsylvania

EN ROUTE WITH KENNEDY IN PENNSYLVANIA (UPI) — Sen. John F. Kennedy said Friday night the answer to Vice President Richard M. Nixon's promise to visit the Iron Curtain countries is a "strong America" —not "parades."

The Democratic presidential candidate threw his slap at Nixon's pledge for a good will visit to Eastern Europe, should he be elected president, as he ridiculed the Republican record in dealing with the depressed areas of eastern Pennsylvania and other parts of the United States in speeches in the hard-coal areas.

Referring to Nixon's promise to visit the satellite countries, Kennedy told a cheering audience in crowded Wilkes Barre public square "Our chances to extend freedom around the world stand on one factor—a strong, progressive forward-looking America committed to freedom.

Eastern Europe does not need parades. What they need is a strong America to take the lead in peace."

Kennedy was given a rousing welcome as his motorcade moved from the Bethlehem-Allentown area Friday through the economically-depressed hard coal towns of Pottsville, Hazelton, Sugar Notch, Nanticoke, Plymouth and Wilkes-Barre. State police estimated the crowd in the Wilkes-Barre public square as upwards of 35,000.

Throughout his tour, Kennedy emphasized unemployment under a Republican administration. In a bid for the keystone state's 32 electoral votes, Kennedy said Nixon dared not use his "never had it so good" slogan in these economically-depressed areas.

Cities Deluged By Cloudbursts

DENISON, Tex. (AP) —Freak cloudbursts struck Denison, Greenville and Marshall, all in north central and east Texas, Friday, causing some damage, particularly in Denison.

The Denison deluge was the heaviest in such a short time in 25 years. The clouds dumped 4.10 inches in 2 hours and 20 minutes.

At Greenville, 5:12 inches fell in an hour and 45 minutes at the Temco plant three miles south of the city.

In East Texas, nearby two inches fell at Marshall, causing temporary flooding. The rain fell within an hour and 20 minutes.

U.S. Forces To Land At Cuban Base

WASHINGTON (AP)—The Navy said Friday an amphibious group training in the Caribbean will put in at Guantanamo, Cuba, this weekend. About 1,450 Marines will go ashore for rest and recreations.

Such a training use of the U.S. Naval Base at Guantanamo is not unusual but ordinarily would draw no advance announcement.

TALK OF INVASION

Obviously it was announced in this instance because of Fidel Castro's repeated talk of a U.S. invasion.

The Navy issued a formal announcement on the weekend plans for four ships of Amphibious Squadron 10, which has been conducting training exercises in the Caribbean, with Marines of the 8th Marine Expeditionary Detachment aboard.

The plans include a visit of the assault ship Boxer, with the 1,450 Marines to Guantanamo.

A spokesman asked about the Marines aboard the Boxer, said that "this is not a reinforcement" of the comparatively small Marine garrison at the big U.S. Naval Base in southeastern Cuba.

He said the visit to Guantanamo was merely to provide the Marines with shore leave and recreation after several weeks aboard ship at sea.

The Marines will reboard the Boxer and leave Guanatanamo Monday morning, the spokesman said.

The Marines disclosed about a week ago that the garrison of about 200 Marines at Guantanamo was being reinforced with a comparatively small number of additional personnel, understood to be slightly over 100 men.

The announcement on the weekend plans for ships of Squadron 10 said that: "Ships of Amphibious

Byrd Criticizes Kennedy Action In Georgia Case

ATLANTA, Ga. (AP)—Lt. Gov. Garland T. Byrd criticized Sen. John F. Kennedy and his brother Robert, Friday for making telephone calls to Georgia about the jailing of integration leader Martin Luther King Jr. Byrd termed the calls "an effort to attract the votes of a certain minority group."

But the lieutenant governor, who is head of the speakers bureau for the Kennedy campaign in Georgia said: "Nevertheless, the Democratic party is large enough and big enough for those of us who have varying and differing views on many issues."

John F. Kennedy, the Democratic presidential nominee, called Mrs. King Wednesday to express sympathy over the jailing of her husband in connection with a sit-in demonstration and a traffic charge in adjacent De Kalb County.

Robert Kennedy's call was to Judge Oscar Mitchell of De Kalb County. He inquired if King had a constitutional right to bail. The integration leader later was released on bond pending an appeal of his case to the Georgia Court of Appeals.

Police Official, Civilian Slain By Terrorists

PARIS (UPI) — Algerian rebels shot and killed a police commissioner and a civilian bystander in the heart of Paris Friday in a foretaste of new acts of terror expected on the Tuesday anniversary of the Algerian war.

There was increasing fear that massive Communist intervention in Algeria would transform the six-year-old rebellion into a second "Korean war." The latest violence spread fears of new outbreaks in France itself.

Rebels shot Police Commissioner Maurice Boyer, head of a crack security squad, on Rue Pasquier in the fashionable shopping district near the Paris Opera. The civilian was killed when the terrorists fired at a policeman accompanying Boyer.

The terrorists escaped.

The attack followed last weeks concerted commando raid on five police stations in which the rebels fired on an Algerian volunteers group formed to combat terrorism.

Skies will be partly cloudy today and temperatures will remain mild.

No rain was predicted for the Twin Cities today.

The high expected is 76. The low will range in the mid-50's.

The Friday high was 77 with a low of 51.

Winds are expected to be variable today at four to 10 miles per hour.

12 Persons Die In Fiery Plane Crash

FRENCHTOWN, Mont. (AP)—A Northwest Airlines passenger plane crashed in flames into the pine-studded Cayuse Hills eight miles from this western Montana farming community Friday and police said all 12 aboard were killed.

Northwest headquarters at St. Paul, Minn., reported eight passengers and a crew of four were aboard the four-engine craft when it struck about 25 miles west of Missoula.

EASTBOUND FLIGHT

The DC4 plane, Flight 104, was eastbound from Spokane to Missoula where it was due to land at 11:50 a.m.

Robert E. Richardson, a railroad engineer who lives near the crash scene, said, "There is not enough left to be recognizable as a plane. It's all broken up and scattered over about one acre."

The craft burned, apparently before anyone could reach it.

Student pilot Ken Siler, who flew over the wreckage, said, "They flew right into the mountain."

Police and sheriff's officers said crowds hampered their work. The DC4 crashed just over the brow of a hill from cross-country U.S. Highway 10.

"It hit on a wooded hill," Richardson said, "then plowed ahead and scattered all over. No big pieces are left," he said. One twisted propellor blade was 50 yards from another.

"All I know is that it was a passenger plane and that everyone of the passengers are burning up," Mrs. Robert Richardson, operator of the Nine-Mile Telephone Co., said.

She and her husband were driving by the scene.

After Missoula, the 50-passenger capacity plane was scheduled to stop at Helena, Butte, Bozeman and Billings in Montana, Jamestown and Fargo in North Dakota and terminate at Minneapolis.

Swift OAS Probe Asked Of Buildup

WASHINGTON (AP) — The United States asserted Friday that the Soviet bloc is sending new, substantial shipments of weapons and some military technicians to Cuba.

The State Department in a note to the 21 nations of the Organization of American States asked for a swift investigation by a six-member committee.

USE SECRECY

It said the Cuban government has sought to shield the shipments by fake charges against the United States of alleged plans to invade Cuba.

In reference to the arms shipments, the State Department said: "This has been carried out in an atmosphere of secrecy which may be judged by the strict security measures it (the Cuban government) has recently imposed in the area of Cuban ports and military installations.

"With the notorious assistance of extra terirtorial powers, specifically those of the Soviet bloc, Cuba is expanding rapidly its capacity to give armed support to the spread of its revolution in other parts of the Americas."

A State Department spokesman said the new arms shipments run into "thousands of tons."

Soviet arms already shipped, the spokesman said, include light tanks, light artillery, automatic weapons, howitzers, and possibly Soviet MIG fighters.

There have been reports from Havana in the past few days of docks closed off by troops. Trucks with crates and weapons have been reported moving inland after cargoes have been unloaded from Soviet-bloc vessels.

The State Department, in appealing for an OAS investigation, said: "There is ample reason to believe that the Cuban government is using its continued false charges against the United States and other American governments to provide an ostensible justification for continuing arms procurement and, concomitantly, to divert attention from military preparations within Cuba."

The investigation the State De-

Nixon Charges Kennedy Using Scare Tactics

DAVENPORT, Iowa (UPI) — Vice President Richard M. Nixon charged Friday night that Sen. John F. Kennedy is trying to "wiggle out" of his farm program and to scare the voters with predictions of a new depression.

Kennedy has failed to rebut charges that his farm plan would send food prices soaring, Nixon said. He also predicted that Americans won't buy Kennedy's claim that the country is in for an economic slump.

Nixon laced into his presidential opponent in a whistlestop tour before enthusiastic audiences in the pivotal farm belt state of Illinois and in a windup farm policy address in the Mississippi River city of Davenport.

At Davenport, Nixon renewed his charge that Kennedy's farm plan would increase food prices 25 per cent and increase the overall cost of living index by 6 per cent.

Nixon said these figures were based on studies made by Agriculture Department experts.

"Despite all their efforts to unearth some rebuttal material against these disturbing findings, Mr. Kennedy's scurrying agents have failed," the GOP presidential nominee said.

Four Amendments Cover New Orleans

New Orleans issues are covered in four proposed amendments, ranging for the sale of Pontchartrain Beach to the creation of a toll bridge or tunnel across the industrial canal in the Crescent City.

These are amendments No. 40, No. 41, No. 42 and No. 43, four of the 55 issues to be voted on November 8.

No. 40 would give the Orleans Levee Board authority to sell Pontchartrain Beach to the highest bidder.

This would come only after a committee of three appraisers of the New Orleans Real Estate Board appraised the property and improvements. Another provision would provide that the beach area could be used only for recreation purposes.

Pontchartrain is presently New Orleans' most popular recreation spot and if the new owner used the area for anything other than recreation for the public the land immediately would revert back to the levee board.

In addition, New Orleans has special interest in proposed Amendment No. 41, which would permit the city to issue revenue bonds to finance the improvement to Moisant International Airport.

Catholics Are Told Vote For Demo Sin

SAN JUAN, Puerto Rico (AP) —Puerto Rico's Roman Catholic hierarchy issued a second pastoral letter Friday saying it is a sin for the faithful to vote for Gov. Luis Munoz Marin's ruling Popular Democrats.

They accused the Puerto Rican government of following an anti-Christian policy and said: "It is not licit for Catholics to favor with their votes the establishment and spread of a morality without God."

The bishops said the sole purpose of the second letter was to correct "certain inexact interpretations" of their letter read last Sunday in all Catholic churches in predominantly Catholic Puerto Rico.

The original letter said Catholics are prohibited from voting for the Popular Democratic party.

At that time, Archbishop James P. Davis of San Juan said it was a matter between a Catholic and his conscience. In the second letter, he sided with Bishop James E. McManus of Ponce and Bishop Luis Aponte Martinez, titular bishop of Lares, the other two signers, in saying it was a sin to vote for the ruling party.

Steve Pedilla, press secretary of Munoz Marin, said the new letter came as a complete surprise. He termed it most unfortunate.

Munoz Marin, who attends the Catholic Church, said earlier he believes the first pastoral letter was a boomerang. He said he had been drawing larger crowds than ever in campaigning for re-election Nov. 8.

Kennedy was given a rousing welcome as his motorcade moved from the Bethlehem - Allentown area Friday through the economically-depressed hard coal towns of Pottsville, Hazelton, Sugar Notch, Nanticoke, Plymouth and Wilkes-Barre. State police estimated the crowd in the Wilkes-Barre public square as upwards of 35,000.

Throughout his tour, Kennedy emphasized unemployment under a Republican administration. In a bid for the keystone state's 32 electoral votes, Kennedy said Nixon dared not use his "never had it so good" slogan in these economically-depressed areas.

Cities Deluged By Cloudbursts

DENISON, Tex. (AP) —Freak cloudbursts struck Denison, Greenville and Marshall, all in north central and east Texas, Friday, causing some damage, particularly in Denison.

The Denison deluge was the heaviest in such a short time in 25 years. The clouds dumped 4.10 inches in 2 hours and 20 minutes.

At Greenville, 5:12 inches fell in an hour and 45 minutes at the Temco plant three miles south of the city.

In East Texas, nearby two inches fell at Marshall, causing temporary flooding. The rain fell within an hour and 20 minutes.

Police Official, Civilian Slain By Terrorists

PARIS (UPI) — Algerian rebels shot and killed a police commissioner and a civilian bystander in the heart of Paris Friday in a foretaste of new acts of terror expected on the Tuesday anniversary of the Algerian war.

There was increasing fear that massive Communist intervention in Algeria would transform the six-year-old rebellion into a second "Korean war." The latest violence spread fears of new outbreaks in France itself.

Rebels shot Police Commissioner Maurice Boyer, head of a crack security squad, on Rue Pasquier in the fashionable shopping district near the Paris Opera. The civilian was killed when the terrorists fired at a policeman accompanying Boyer.

The terrorists escaped.

The attack followed last weeks concerted commando raid on five police stations in which the rebels fired on an Algerian volunteers group formed to combat terrorism.

Partly Cloudy, Mild Expected

Skies will be partly cloudy today and temperatures will remain mild.

No rain was predicted for the Twin Cities today.

The high expected is 76. The low will range in the mid-50's.

The Friday high was 77 with a low of 51.

Winds are expected to be variable today at four to 10 miles per hour.

U.S. Forces To Land At Cuban Base

WASHINGTON (AP)—The Navy said Friday an amphibious group training in the Caribbean will put in at Guantanamo, Cuba, this weekend. About 1,450 Marines will go ashore for rest and recreations.

Such a training use of the U.S. Naval Base at Guantanamo is not unusual but ordinarily would draw no advance announcement.

TALK OF INVASION

Obviously it was announced in this instance because of Fidel Castro's repeated talk of a U.S. invasion.

The Navy issued a formal announcement on the weekend plans for four ships of Amphibious Squadron 10, which has been conducting training exercises in the Caribbean, with Marines of the 8th Marine Expeditionary Detachment aboard.

The plans include a visit of the assault ship Boxer, with the 1,450 Marines to Guantanamo.

A spokesman asked about the Marines aboard the Boxer, said that "this is not a reinforcement" of the comparatively small Marine garrison at the big U.S. Naval Base in southeastern Cuba.

He said the visit to Guantanamo was merely to provide the Marines with shore leave and recreation after several weeks aboard ship at sea.

The Marines will reboard the Boxer and leave Guanatanamo Monday morning, the spokesman said.

The Marines disclosed about a week ago that the garrison of about 200 Marines at Guantanamo was being reinforced with a comparatively small number of additional personnel, understood to be slightly over 100 men.

The announcement on the weekend plans for ships of Squadron 10 said that: "Ships of Amphibious

Byrd Criticizes Kennedy Action In Georgia Case

ATLANTA, Ga. (AP)—Lt. Gov. Garland T. Byrd criticized Sen. John F. Kennedy and his brother Robert, Friday for making telephone calls to Georgia about the jailing of integration leader Martin Luther King Jr. Byrd termed the calls "an effort to attract the votes of a certain minority group."

But the lieutenant governor, who is head of the speakers bureau for the Kennedy campaign in Georgia said: "Nevertheless, the Democratic party is large enough and big enough for those of us who have varying and differing views on many issues."

John F. Kennedy, the Democratic presidential nominee, called Mrs. King Wednesday to express sympathy over the jailing of her husband in connection with a sit-in demonstration and a traffic charge in adjacent De Kalb County.

Robert Kennedy's call was to Judge Oscar Mitchell of De Kalb County. He inquired if King had a constitutional right to bail. The integration leader later was released on bond pending an appeal of his case to the Georgia Court of Appeals.

12 Persons Die In Fiery Plane Crash

FRENCHTOWN, Mont. (AP)—A Northwest Airlines passenger plane crashed in flames into the pine-studded Cayuse Hills eight miles from this western Montana farming community Friday and police said all 12 aboard were killed.

Northwest headquarters at St. Paul, Minn., reported eight passengers and a crew of four were aboard the four-engine craft when it struck about 25 miles west of Missoula.

EASTBOUND FLIGHT

The DC4 plane, Flight 104, was eastbound from Spokane to Missoula where it was due to land at 11:50 a.m.

Robert E. Richardson, a railroad engineer who lives near the crash scene, said, "There is not enough left to be recognizable as a plane. It's all broken up and scattered over about one acre."

The craft burned, apparently before anyone could reach it.

Student pilot Ken Siler, who flew over the wreckage, said, "They flew right into the mountain."

Police and sheriff's officers said crowds hampered their work. The DC4 crashed just over the brow of a hill from cross-country U.S. Highway 10.

"It hit on a wooded hill," Richardson said, "then plowed ahead and scattered all over. No big pieces are left," he said. One twisted propellor blade was 50 yards from another.

"All I know is that it was a passenger plane and that everyone of the passengers are burning up," Mrs. Robert Richardson, operator of the Nine-Mile Telephone Co., said.

She and her husband were driving by the scene.

After Missoula, the 50-passenger capacity plane was scheduled to stop at Helena, Butte, Bozeman and Billings in Montana, Jamestown and Fargo in North Dakota and terminate at Minneapolis.

Swift OAS Probe Asked Of Buildup

WASHINGTON (AP) — The United States asserted Friday that the Soviet bloc is sending new, substantial shipments of weapons and some military technicians to Cuba.

The State Department in a note to the 21 nations of the Organization of American States asked for a swift investigation by a six-member committee.

USE SECRECY

It said the Cuban government has sought to shield the shipments by fake charges against the United States of alleged plans to invade Cuba.

In reference to the arms shipments, the State Department said: "This has been carried out in an atmosphere of secrecy which may be judged by the strict security measures it (the Cuban government) has recently imposed in the area of Cuban ports and military installations.

"With the notorious assistance of extra terirtorial powers, specifically those of the Soviet bloc, Cuba is expanding rapidly its capacity to give armed support to the spread of its revolution in other parts of the Americas."

A State Department spokesman said the new arms shipments run into "thousands of tons."

Soviet arms already shipped, the spokesman said, include light tanks, light artillery, automatic weapons, howitzers, and possibly Soviet MIG fighters.

There have been reports from Havana in the past few days of docks closed off by troops. Trucks with crates and weapons have been reported moving inland after cargoes have been unloaded from Soviet-bloc vessels.

The State Department, in appealing for an OAS investigation, said: "There is ample reason to believe that the Cuban government is using its continued false charges against the United States and other American governments to provide an ostensible justification for continuing arms procurement and, concomitantly, to divert attention from military preparations within Cuba."

The investigation the State De-

Nixon Charges Kennedy Using Scare Tactics

DAVENPORT, Iowa (UPI) — Vice President Richard M. Nixon charged Friday night that Sen. John F. Kennedy is trying to "wiggle out" of his farm program and to scare the voters with predictions of a new depression.

Kennedy has failed to rebut charges that his farm plan would send food prices soaring, Nixon said. He also predicted that Americans won't buy Kennedy's claim that the country is in for an economic slump.

Nixon laced into his presidential opponent in a whistlestop tour before enthusiastic audiences in the pivotal farm belt state of Illinois and in a windup farm policy address in the Mississippi River city of Davenport.

At Davenport, Nixon renewed his charge that Kennedy's farm plan would increase food prices 25 per cent and increase the overall cost of living index by 6 per cent.

Nixon said these figures were based on studies made by Agriculture Department experts.

"Despite all their efforts to unearth some rebuttal material against these disturbing findings, Mr. Kennedy's scurrying agents have failed," the GOP presidential nominee said.

IN PASTORAL LETTER

Catholics Are Told Vote For Demo Sin

SAN JUAN, Puerto Rico (AP) —Puerto Rico's Roman Catholic hierarchy issued a second pastoral letter Friday saying it is a sin for the faithful to vote for Gov. Luis Munoz Marin's ruling Popular Democrats.

They accused the Puerto Rican government of following an anti-Christian policy and said: "It is not licit for Catholics to favor with their votes the establishment and spread of a morality without God."

The bishops said the sole purpose of the second letter was to correct "certain inexact interpretations" of their letter read last Sunday in all Catholic churches in predominantly Catholic Puerto Rico.

The original letter said Catholics are prohibited from voting for the Popular Democratic party.

At that time, Archbishop James P. Davis of San Juan said it was a matter between a Catholic and his conscience. In the second letter, he sided with Bishop James E. McManus of Ponce and Bishop Luis Aponte Martinez, titular bishop of Lares, the other two signers, in saying it was a sin to vote for the ruling party.

Steve Pedilla, press secretary of Munoz Marin, said the new letter came as a complete surprise. He termed it most unfortunate.

Munoz Marin, who attends the Catholic Church, said earlier he believes the first pastoral letter was a boomerang. He said he had been drawing larger crowds than ever in campaigning for re-election Nov. 8.

Ike Challenges Sen. Kennedy On Costly Programs

lavish programs by raising taxes, let them say so.

"If they would cut going programs of the government, let them specify what they are.

"But if they would pay for these programs by deficit spending, raising the debt of our children and grandchildren, and thereby debase our currency, let them so confess."

Jibing at Kennedy's campaign assertion that the United States must move forward, Eisenhower declared:

"Of course, 'America must move' but forward — not backward. Not back to inflation—not back to bureaucratic control—not back to deficit spending—not back to higher taxes and bigger government.

"I see no sense in America galloping in reverse to what has been a new frontier."

This was a reference to Kennedy's campaign slogan.

Eisenhower said he wanted to emphatically correct statements made in the campaign which he said have "cruelly distorted the image of America" and show "an amazing irresponsibility."

Eisenhower said Pravda, Communist party newspaper in Moscow, printed speeches by American politicians concerning alleged U.S. weaknesses in the past week.

"The word prestige has become so badly used and misused as to have lost any real meaning," he said. "But of this we can be sure, the nation's prestige is not measured by the stridency of a politician's voice, it is measured by proved accomplishment."

The President said this country has ended the war in Korea, moved to halt Communist advances in Asia, helped settle the Suez crisis and strengthened free world nations, which he said added to U.S. prestige.

Kennedy has been claiming that a report by the U.S. Information Agency, kept under wraps by the administration, has shown that American prestige has fallen sharply in many foreign nations.

Eisenhower said that "unwise politicking" also was responsible for the recent gold speculation on the London market.

But America's dollar "is still the strongest currency in the world," and it can be kept that way if a Republican is elected president, he added.

"Too many people are talking carelessly and ignorantly about America's standing, as if our republic were in a popularity contest," the President declared.

The President opened his address with a long list of what he termed achievements during the past eight years of Republican rule. He emphasized great gains in income, production, earnings and savings. He also listed the thousands of new classrooms built and rising college enrollments.

Then he moved into a recital of military developments asserting the country at this moment "is the most powerful on earth."

From there on he narrowed the speech into an attack on Kennedy and a eulogy of Nixon and Lodge.

The President attacked, too, the Democratic platform as something that would cost many billions of additional federal spending.

Quoting Sen. John F. Kennedy's campaign promise that he would be a president who would "act first and act fast," Eisenhower said: "I hear that one candidate says he will act first and act fast. America needs a man who will think first, and then act wisely."

U.S. Forces To Land At Cuban Base

Squadron 10, which have been taking part in one of the regular series of amphibious training exercises in the Vieques-Roosevelt Roads area near Puerto Rico during most of October, will spend the weekend in Caribbean ports.

"The amphibious assault ship U.S.S. Boxer, flagship of the squadron commander, Capt. H. J. Kossler, will arrive at the U.S. Naval Base, Guantanamo Bay, Saturday morning.

"The assault transport U.S.S. Rankin is now in San Juan, Puerto Rico, and will remain there for the weekend. The LST (landing ship tank) Lorraine County will leave San Juan Saturday for Kingston, Jamaica. The landing ship, dock, U.S.S. Spiegel Grove, also will visit Jamaica.

"Embarked in the ships are elements of the 8th Marine Expeditionary Unit, commanded by Col. Victor R. Bisceglia, U.S.M.C., who is embarked in the Boxer.

"The four ships will get under way Monday morning for additional exercises which will include a practice assault on the Vieques the first week of November."

The spokesman said he was unable to say how many Marines are aboard all four ships of the squadron.

The Boxer is a former aircraft carrier now used exclusively as an amphibious ship. Marines on the carrier are trained to fly to beachheads ashore in helicopters.

Civil Rights Probers Hold Voter Hearing

(Continued From Page One)

Owen and Norman on grounds that the deposition was a repeat of an investigation conducted by the Department of Justice previously.

"These are questions that could be answered by going to the Louisiana law, which is a public document," he said.

Owen and Norman asked general questions in regards to Mrs. Culpepper's method of running the registrar's office. But at times the questions were fired in regards to the Arcadia and Gibsland Citizens Councils.

Mrs. Culpepper said she was not a member of either organization, but told the questioners that she attended one Citizens Council meeting here about 18 months ago.

"Do you know Mr. William M. Rainach?," Norman asked.

"No," she answered.

Has Mr. Rainach ever been in your office, ever visited in your office?" he asked.

"Yes," Mrs. Culpepper replied. "He was our Bienville senator at that time."

"Do you know Mr. William M. Shaw?," asked Norman.

"Yes."

"Has Mr. Shaw ever visited in your office?", he asked.

"Yes".

"Do you know Mr. Raymond Masling?," Norman questioned.

"Yes," answered Mrs. Culpepper.

Norman's questions were made in reference to former-Sen. W. M. Rainach, segregation counsel W. M. Shaw and Raymond Masling, one-time secretary-treasurer of the state Citizens Council of Farmerville.

But Mrs. Culpepper told the federal attorneys that a "preliminary investigation" of Bienville voter records was not conducted prior to the 1956 challenges.

She said she was instructed by the Bienville police jury to "comply with the registration laws with everyone," also instructed by the police jury to employ the permanent registration system effective January 1, 1957.

Since then there have been no Negroes registered in Bienville, she said in answer to a question.

"Have there been any Negro applicants?," she was asked.

"Very few."

"Why weren't they permitted to register?"

"They were rejected because they couldn't interpret the United States Constitution," Mrs. Culpepper answered.

Lassiter's objection, which he said was general so that it would cover the entire deposition, was supported by an assistant attorney general from Gremillion's staff, F. A. Cascio of Shreveport.

Owen and Norman flew from Washington to Shreveport and drove over in a rented automobile. At one time during the session they recessed to obtain records from Mrs. Culpepper's office.

Lassiter said later Mrs. Culpepper was an "excellent witness."

Dist. Atty. Fred Jackson, who represents Bienville, was not present.

Citizens Council members named in the federal case are Jerry R. Butler, John Alexander Bridges, Walter L. Dance, Forrest Riley McCallister, Robert L. Taylor Jr., Joe A. Reeves.

Hugh Pearson, Joe B. Williams, R. C. Woodard, Paul B. Phillips, Henry L. Walker, A. F. Merritt, Charles M. Merritt, Leon F. Kittler, Melvin R. Miller, J. H. Poole, L. C. Caskey, T. W. VanCleave, J. Roy Caskey, Raymond Masling and Frank M. Dougherty.

Extradition Of Prisoner Begins

Extradition proceedings were begun yesterday against W. J. Skipper, 1200 South Second St., Monroe, by Hendersonville, N. C., sheriff's officials.

The Ouachita Parish sheriff's office announced yesterday that North Carolina authorities wired Sheriff Bailey Grant that they have asked their state to institute prceedings to bring Skipper to Henderson County to face charges there.

Skipper was arrested in Monroe Thursday on a fugitive warrant. Officers said he refused to waive extradition.

Henderson County Sheriff Paul Z. Hill did not specify the charges against the man.

Skipper had not made bond yesterday.

partment proposed would be carried out by representatives of Venezuela, Mexico, Brazil, Colombia, Chile and Costa Rica.

These six nations were chosen for the task of investigating the Cuban-American dispute after a meeting of foreign ministers of the Western Hemisphere countries in September.

Cuba has refused to have anything to do with the committee, contending it would seek only to cover up facts rather than make an impartial investigation.

In describing the military buildup it said is going on in Cuba, the State Department said there is "grave questions as to the ultimate intentions of the Cuban government."

New hazards have been added to the tense situation, it said, "in view of the Soviet Union's bellicose and unwarranted threats of intervention in behalf of the Cuban government against the United States and Cuba's indicated willingness to accept this proffered Soviet assistance."

Four Amendments Cover New Orleans

would be limited by the amount of the annual revenue derived from operation of the airport, less maintenance and operation cost.

Moisant, owned by the city, now does not have authority to issue revenue bonds and is maintained with revenue from the airport. This amendment would provide additional means for the airport to expand its facilities.

Meantime, No. 42 concerns labor and the Board of Commissioners of the Port of New Orleans.

In short, the amendment would add the Central Labor Council of New Orleans, AFL-CIO, to the list of organizations authorized to submit nominees for vacancies on the board.

At present the labor council is not permitted to submit nominees, but this amendment would result in having major organizations concerned with the operation of the New Orleans port included in the procedure for selecting members of the port commission.

Proposed Amendment No. 43 would create an industrial canal bridge and tunnel authority to construct and operate a toll bridge or tunnel across the industrial canal in New Orleans.

The authority could issue up to $20 million in bonds to be paid by revenues derived from operation of the bridge or tunnel.

This proposed bridge or tunnel would be built in the vicinity of the present Highway 90 bridge. In addition, Interstate 10, the federal highway, will cross the canal in this same area.

In effect, the bridge or tunnel proposed in No. 43 would give New Orleans three routes over the canal, which has been questioned in some circles.

No. 43 would have to receive both a majority of the state vote as well as the New Orleans vote before it can gain approval.

Gov. Davis Calls Special Session

(Continued From Page One)

taking office in May.

Until Friday, Davis had denied he had any plans to call a session. Key segregationists have been clamoring for one for several weeks.

Davis decided on the special election about 2 a.m. Friday, an aide said. Three days ago he said he had no plans to call such a session at any time.

The five objectives listed for the session:

"To legislate relative to the school children of the state; and relative to an educational system which shall include all public schools and all institutions of learning operated by state agencies.

"To legislate for the preservation and protection of the powers and rights reserved to the state of Louisiana and to the people by the constitution of the United States and the amendments thereto.

"To legislate relative to the police power of the state and to protect and promote the health, peace, morals, education, good order and the general welfare of the people.

"To legislate relative to a state militia.

"To appropriate money to defray expenses of the Legislature of the state of Louisiana; to pay the mileage and per diem of the members, salaries of its officers and employes, printing supplies and other expenses of the Legislature."

Davis refused all comment on what bills would provide, and so did chairman John Garrett of the joint legislative committee on segregation.

A widely rumored proposal would address out of office members of the Orleans Parish school board and each school board in the state. This means removal by the Legislature, which created the boards.

The Orleans Parish school board is under federal orders to integrate first grade pupils Nov. 14. Dr. James Redmond, superintendent of New Orleans schools, Thursday said he expected the school board to approve his recommendation that five Negroes be placed in previously all-white schools. The placement plan also called for pupils to be separated by sex.

Davis and Atty. Gen. Jack Gremillion are under federal restraining orders against interference with the Orleans case.

Catholic Bishop Says Church To Battle Issues

SOUTH BEND, Ind. (AP)—The Roman Catholic archbishop of San Juan said Friday the Church in Puerto Rico is "no longer on the defensive" on such issues as birth control, one of the basic questions in a political controversy there.

"It (the Church) and I now go out to meet the foe," Archbishop James P. Davis said at the University of Notre Dame. He spoke at the consecration of Bishop Alfred F. Mendez of Arecibo, P.R.

The archbishop signed a pastoral letter which forbids Puerto Rican citizens to vote Nov. 8 for the Popular Democratic party headed by Gov. Luis Munoz Marin. Munoz, running for re-election, has called the letter an "incredible and unjust intervention in the political liberties of Puerto Rican citizens."

Archbishop Davis said the church is fighting "the rising tide of paganism" and "creeping paralysis of secularism."

"The birth controllers and the social scientists with an itch to remake a culture and a whole people have beset Puerto Rico with little help from federal and insular government over the years," he said.

He said Bishop Mendez will arrive at his new diocese at a "promising and most interesting time."

Debate Talks Near Collapse

WASHINGTON (UPI) — Negotiations for a fifth television debate between Vice President Richard M. Nixon and Sen. John F. Kennedy neared collapse Friday as both sides traded angry charges questioning the other's sincerity.

The verbal clash appeared to all but rule out a proposed joint appearance Monday by the White House rivals. Kennedy called on Nixon to give his "final answer" by Saturday night on whether he wanted another face-to-face clash.

Youths' Arrest Clears Burglary Cases For Police

Monroe police cleared up three burglaries yesterday with the arrest of three white juveniles, according to Police Chief James C. Kelly Jr.

Considerable damage to buildings and boats resulted from the burglaries, although only minor items wree stolen, Kelly said.

The juveniles were turned over to juvenile authorities and will appear in the juvenile session of city court. All were 13 years old.

Burglarized were the Acme Cleaners on April 28, 1958; a tugboat and barge, property of J. O. Willett Company, on September 25 of this year, and Pelican State Cigar and Tobacco Company, 1011 North Eleventh St., on October 23.

The management of Acme Cleaners reported damage to the rest rooms but nothing missing.

The engine and pilot rooms of the boats were heavily damaged but nothing taken.

Only a small amount of merchandise was taken from the tobacco company, mostly bubble gum and candies.

Fatal Accident Damages Asked

BATON ROUGE (AP) — The mother of 16 -year- old Melvin Childress, killed in a hit-run accident here Sept. 17, Friday asked $45,000 damage.

Mrs. Margie Lee Cruse Childress, Memphis, Tenn., charged "wanton negligence" on the part of Harry W. Hall, 54-year-old grocer.

Hall is free on bond awaiting arraignment on a negligent homicide and hit-and-run charge in connection with the accident.

The body of Childress was found Sept. 28 by a roadside here. He had been hitchhiking home from a football game.

Negro Slayers Die In Chair

TUCKER PRISON FARM, Ark. (AP) — Two Negro slayers died in the state electric chair Friday, one for the murder of a Negro woman and the other for the death of a white nightwatchman.

John Bracey, 26, of Eudora, went to the chair first. He was strapped in at 6:41 a.m. and pronounced dead at 6:47.

Lawrence Gene Moore, 21, of West Memphis, was strapped in at 6:52 and pronounced dead at 6:54.

Bracey was convicted in the fatal shooting of Alberta Mills, Negro in Eudora, in January, 1959.

The state contended Bracey killed the woman because she refused to lend him money.

Gov. Orval E. Faubus rejected an 11th hour appeal for clemency for Bracey Thursday.

U.S. Forces To Land At Cuban Base

Squadron 10, which have been taking part in one of the regular series of amphibious training exercises in the Vieques-Roosevelt Roads area near Puerto Rico during most of October, will spend the weekend in Caribbean ports.

"The amphibious assault ship U.S.S. Boxer, flagship of the squadron commander, Capt. H. J. Kossler, will arrive at the U.S. Naval Base, Guantanamo Bay, Saturday morning.

"The assault transport U.S.S. Rankin is now in San Juan, Puerto Rico, and will remain there for the weekend. The LST (landing ship tank) Lorraine County will leave San Juan Saturday for Kingston, Jamaica. The landing ship, dock, U.S.S. Spiegel Grove, also will visit Jamaica.

"Embarked in the ships are elements of the 8th Marine Expeditionary Unit, commanded by Col. Victor R. Bisceglia, U.S.M.C., who is embarked in the Boxer.

"The four ships will get under way Monday morning for additional exercises which will include a practice assault on the Vieques the first week of November."

The spokesman said he was unable to say how many Marines are aboard all four ships of the squadron.

The Boxer is a former aircraft carrier now used exclusively as an amphibious ship. Marines on the carrier are trained to fly to beachheads ashore in helicopters.

Civil Rights Probers Hold Voter Hearing

(Continued From Page One)

Owen and Norman on grounds that the deposition was a repeat of an investigation conducted by the Department of Justice previously.

"These are questions that could be answered by going to the Louisiana law, which is a public document," he said.

Owen and Norman asked general questions in regards to Mrs. Culpepper's method of running the registrar's office. But at times the questions were fired in regards to the Arcadia and Gibsland Citizens Councils.

Mrs. Culpepper said she was not a member of either organization, but told the questioners that she attended one Citizens Council meeting here about 18 months ago.

"Do you know Mr. William M. Rainach?," Norman asked.

"No," she answered.

Has Mr. Rainach ever been in your office, ever visited in your office?" he asked.

"Yes," Mrs. Culpepper replied. "He was our Bienville senator at that time."

"Do you know Mr. William M. Shaw?," asked Norman.

"Yes."

"Has Mr. Shaw ever visited in your office?", he asked.

"Yes".

"Do you know Mr. Raymond Masling?," Norman questioned.

"Yes," answered Mrs. Culpepper.

Norman's questions were made in reference to former-Sen. W. M. Rainach, segregation counsel W. M. Shaw and Raymond Masling, one-time secretary-treasurer of the state Citizens Council of Farmerville.

But Mrs. Culpepper told the federal attorneys that a "preliminary investigation" of Bienville voter records was not conducted prior to the 1956 challenges.

She said she was instructed by the Bienville police jury to "comply with the registration laws with everyone," also instructed by the police jury to employ the permament registration system effective January 1, 1957.

Since then there have been no Negroes registered in Bienville, she said in answer to a question.

"Have there been any Negro applicants?," she was asked.

"Very few."

"Why weren't they permitted to register?"

"They were rejected because they couldn't interpret the United States Constitution," Mrs. Culpepper answered.

Lassiter's objection, which he said was general so that it would cover the entire deposition, was supported by an assistant attorney general from Gremillion's staff, F. A. Cascio of Shreveport.

Owen and Norman flew from Washington to Shreveport and drove over in a rented automobile. At one time during the session they recessed to obtain records from Mrs. Culpepper's office.

Lassiter said later Mrs. Culpepper was an "excellent witness."

Dist. Atty. Fred Jackson, who represents Bienville, was not present.

Citizens Council members named in the federal case are Jerry R. Butler, John Alexander Bridges, Walter L. Dance, Forrest Riley McCallister, Robert L. Taylor Jr., Joe A. Reeves.

Hugh Pearson, Joe B. Williams, R. C. Woodard, Paul B. Phillips, Henry L. Walker, A. F. Merritt, Charles M. Merrit, Leon F. Kittler, Melvin R. Miller, J. H. Poole, L. C. Caskey, T. W. VanCleave, J. Roy Caskey, Raymond Masling and Frank M. Dougherty.

MISS PAT NIXON, a St. Louis, Okla. school teacher, leaves no doubt as to whom her first choice is as the nation's first lady. Miss Nixon pinned on the Pat Nixon buttons as she campaigned for Vice President Richard Nixon's wife at Republican headquarters in Oklahoma City Friday. The pretty teacher worked at the headquarters in between sessions of the Oklahoma Education Association Convention. She disclosed her birthday is Oct. 14, same as President Eisenhower's and that she lives on Hoover Street. (AP Wirephoto)

partment proposed would be carried out by representatives of Venezuela, Mexico, Brazil, Colombia, Chile and Costa Rica.

These six nations were chosen for the task of investigating the Cuban-American dispute after a meeting of foreign ministers of the Western Hemisphere countries in September.

Cuba has refused to have anything to do with the committee, contending it would seek only to cover up facts rather than make an impartial investigation.

In describing the military buildup it said is going on in Cuba, the State Department said there is "grave questions as to the ultimate intentions of the Cuban government."

New hazards have been added to the tense situation, it said, "in view of the Soviet Union's bellicose and unwarranted threats of intervention in behalf of the Cuban government against the United States and Cuba's indicated willingness to accept this proffered Soviet assistance."

Gov. Davis Calls Special Session

(Continued From Page One)

taking office in May.

Until Friday, Davis had denied he had any plans to call a session. Key segregationists have been clamoring for one for several weeks.

Davis decided on the special election about 2 a.m. Friday, an aide said. Three days ago he said he had no plans to call such a session at any time.

The five objectives listed for the session:

"To legislate relative to the school children of the state; and relative to an educational system which shall include all public schools and all institutions of learning operated by state agencies.

"To legislate for the preservation and protection of the powers and rights reserved to the state of Louisiana and to the people by the constitution of the United States and the amendments thereto.

"To legislate relative to the police power of the state and to protect and promote the health, peace, morals, education, good order and the general welfare of the people.

"To legislate relative to a state militia.

"To appropriate money to defray expenses of the Legislature of the state of Louisiana; to pay the mileage and per diem of the members, salaries of its officers and employes, printing supplies and other expenses of the Legislature."

Davis refused all comment on what bills would provide, and so did chairman John Garrett of the joint legislative committee on segregation.

A widely rumored proposal would address out of office members of the Orleans Parish school board and each school board in the state. This means removal by the Legislature, which created the boards.

The Orleans Parish school board is under federal orders to integrate first grade pupils Nov. 14. Dr. James Redmond, superintendent of New Orleans schools, Thursday said he expected the school board to approve his recommendation that five Negroes be placed in previously all-white schools. The placement plan also called for pupils to be separated by sex.

Davis and Atty. Gen. Jack Gremillion are under federal restraining orders against interference with the Orleans case.

Catholic Bishop Says Church To Battle Issues

SOUTH BEND, Ind. (AP)—The Roman Catholic archbishop of San Juan said Friday the Church in Puerto Rico is "no longer on the defensive" on such issues as birth control, one of the basic questions in a political controversy there.

"It (the Church) and I now go out to meet the foe," Archbishop James P. Davis said at the University of Notre Dame. He spoke at the consecration of Bishop Alfred F. Mendez of Arecibo, P.R.

The archbishop signed a pastoral letter which forbids Puerto Rican citizens to vote Nov. 8 for the Popular Democratic party headed by Gov. Luis Munoz Marin. Munoz, running for reelection, has called the letter an "incredible and unjust intervention in the political liberties of Puerto Rican citizens."

Archbishop Davis said the church is fighting "the rising tide of paganism" and "creeping paralysis of secularism."

"The birth controllers and the social scientists with an itch to remake a culture and a whole people have beset Puerto Rico with little help from federal and insular government over the years," he said.

He said Bishop Mendez will arrive at his new diocese at a "promising and most interesting time."

Debate Talks Near Collapse

WASHINGTON (UPI) — Negotiations for a fifth television debate between Vice President Richard M. Nixon and Sen. John F. Kennedy neared collapse Friday as both sides traded angry charges questioning the other's sincerity.

The verbal clash appeared to all but rule out a proposed joint appearance Monday by the White House rivals. Kennedy called on Nixon to give his "final answer" by Saturday night on whether he wanted another face-to-face clash.

Four Amendments Cover New Orleans

(Continued From Page One)

would be limited by the amount of the annual revenue derived from operation of the airport, less maintenance and operation cost.

Moisant, owned by the city, now does not have authority to issue revenue bonds and is maintained with revenue from the airport. This amendment would provide additional means for the airport to expand its facilities.

Meantime, No. 42 concerns labor and the Board of Commissioners of the Port of New Orleans.

In short, the amendment would add the Central Labor Council of New Orleans, AFL-CIO, to the list of organizations authorized to submit nominees for vacancies on the board.

At present the labor council is not permitted to submit nominees, but this amendment would result in having major organizations concerned with the operation of the New Orleans port included in the procedure for selecting members of the port commission.

Proposed Amendment No. 43 would create an industrial canal bridge and tunnel authority to construct and operate a toll bridge or tunnel across the industrial canal in New Orleans.

The authority could issue up to $20 million in bonds to be paid by revenues derived from operation of the bridge or tunnel.

This proposed bridge or tunnel would be built in the vicinity of the present Highway 90 bridge. In addition, Interstate 10, the federal highway, will cross the canal in this same area.

In effect, the bridge or tunnel proposed in No. 43 would give New Orleans three routes over the canal, which has been questioned in some circles.

No. 43 would have to receive both a majority of the state vote as well as the New Orleans vote before it can gain approval.

Extradition Of Prisoner Begins

Extradition proceedings were begun yesterday against W. J. Skipper, 1200 South Second St., Monroe, by Hendersonville, N. C., sheriff's officials.

The Ouachita Parish sheriff's office announced yesterday that North Carolina authorities wired Sheriff Bailey Grant that they have asked their state to institute prceedings to bring Skipper to Henderson County to face charges there.

Skipper was arrested in Monroe Thursday on a fugitive warrant. Officers said he refused to waive extradition.

Henderson County Sheriff Paul Z. Hill did not specify the charges against the man.

Skipper had not made bond yesterday.

Youths' Arrest Clears Burglary Cases For Police

Monroe police cleared up three burglaries yesterday with the arrest of three white juveniles, according to Police Chief James C. Kelly Jr.

Considerable damage to buildings and boats resulted from the burglaries, although only minor items wree stolen, Kelly said.

The juveniles were turned over to juvenile authorities and will appear in the juvenile session of city court. All were 13 years old.

Burglarized were the Acme Cleaners on April 28, 1958; a tugboat and barge, property of J. O. Willett Company, on September 25 of this year, and Pelican State Cigar and Tobacco Company, 1011 North Eleventh St., on October 23.

The management of Acme Cleaners reported damage to the rest rooms but nothing missing.

The engine and pilot rooms of the boats were heavily damaged but nothing taken.

Only a small amount of merchandise was taken from the tobacco company, mostly bubble gum and candies.

Fatal Accident Damages Asked

BATON ROUGE (AP) — The mother of 16-year-old Melvin Childress, killed in a hit-run accident here Sept. 17, Friday asked $45,000 damage.

Mrs. Margie Lee Cruse Childress, Memphis, Tenn., charged "wanton negligence" on the part of Harry W. Hall, 54-year-old grocer.

Hall is free on bond awaiting arraignment on a negligent homicide and hit-and-run charge in connection with the accident.

The body of Childress was found Sept. 28 by a roadside here. He had been hitchhiking home from a football game.

Negro Slayers Die In Chair

TUCKER PRISON FARM, Ark. (AP) — Two Negro slayers died in the state electric chair Friday, one for the murder of a Negro woman and the other for the death of a white nightwatchman.

John Bracey, 26, of Eudora, went to the chair first. He was strapped in at 6:41 a.m. and pronounced dead at 6:47.

Lawrence Gene Moore, 21, of West Memphis, was strapped in at 6:52 and pronounced dead at 6:54.

Bracey was convicted in the fatal shooting of Alberta Mills, Negro in Eudora, in January, 1959.

The state contended Bracey killed the woman because she refused to lend him money.

Gov. Orval E. Faubus rejected an 11th hour appeal for clemency for Bracey Thursday.

Growth Vs. Socialism

Anyone who has watched the television debates between Vice-President Richard M. Nixon and Senator John F. Kennedy in their race for the presidency must be impressed by the fact that Kennedy thinks only in terms of the state, or government, while Nixon thinks in terms of the people. Kennedy is an ardent statist, believing the government, should do it all, as advocated by socialism.

In one of these debates Nixon made a most penetrating comment on all the hullabaloo about growth of the economy.

"Too often," said the vice-president, "in appraising whether we are moving ahead or not we think only of what the government is doing. Now that isn't the test of whether America moves."

Real growth in the American economy is achieved by investors in private enterprise, and this includes the millions of small investors who buy small amounts of stock in industrial concerns.

Private enterprise built the United States to great strength in the first place and that is what will continue to build it as long as it grows. If industry is ever thwarted, the economy will dry up like a vine that has been cut off at the root. Building for prosperity and the consumer is the great function of the capitalistic system — the setting aside of savings for investment in new productive enterprises, and providing the incentive to do so.

Little real growth was found in the era the "liberals" worship and which Kennedy is carrying the socialistic flag for—the era of Roosevelt and Truman, when the real growth of both socialism and race-mixing were begotten in this country.

The vast spending programs launched by the New Deal did nothing to build up national assets. Roosevelt was the only president in the history of the United States who was ever able to keep the nation in a deep depression for 11 years and who could bring that depression to an end only when World War II was started. Wars bring an end to depression because they start the wheels of industry rolling at full blast.

Back in the days of the NRA, PWA and WPA, leaf-raking and boondoggling were carried on on a gigantic scale. Unemployment was just as high when it ended as when it started.

When the Fair Deal came along, the "liberals" in congress and white house offices were far more interested in applying controls to private business than in attempting to stimulate such business by ending wartime restrictions. In fact, it is doubtful if any wartime restriction on the use of goods was ever justified and it is an absolute certainty that price-fixing during that time raised the price of commodities, instead of holding them down. This was done for the purpose of making price-fixing popular.

What today's "liberals," including Kennedy, mean when they say they want growth is a shifting of industry from private enterprise to government control — which is socialism. This is substantiated by all of Kennedy's remarks on the subject in the debates with Nixon.

These "liberals" want to stifle business by imposing restrictions on private enterprise and individual incomer-producers so they can raise the cry that government operation is necessary.

Kennedy, along with the other "liberals", wants to eliminate the oil and gas depletion allowance, which encourages investors in oil fields to produce more oil, by taking into consideration the decreased value of the holdings when the oil is removed. Instead of giving citizens incentives to add to assets of the nation, they want to withhold incentives. This is the real attitude of the "liberals" toward growth.

This means there will be less chance for profit and industrial growth if the white house should be captured by the liberal-radical-socialist Fair Dealer, Senator Kennedy, who has made it clear he wants a "strong" government, as opposed to strong industry.

Nixon still favors government of, by and for the people.

These are facts to be considered in choosing between these two men on election day.

Information Service

The Eisenhower Administration was correct in refusing to make public a report which Sen. Kennedy says "proves" his claim that U. S. prestige abroad has declined.

The source of any report must be considered. In this case the overseas opinion poll came from the United States Information Service, an organization set up some years ago with the designated purpose of promoting support among other peoples for the foreign policies of the United States.

If inquiries taken by this agency indicate a drop in U. S. prestige, then the organization has admitted failure to achieve its basic goal. Maybe this is its way of seeking greater appropriations or more support in the U. S. news agencies. If so, the report also was timed to drop a pro-Democratic bomb into the presidential campaign.

But the agency cannot claim Republican foreign policies have damaged its work. The International Information administration which was established during the Truman Administration included the Voice of America broadcasts, the press service and the motion picture. In August, 1953, the agency was re-organized under its present name.

Significantly, in view of the present "report," the Eisenhower Administration cut the information agency's budget from $155 million down to $103 million in 1953.

Many persons having worked with the USIA have been most critical of our foreign and domestic policies when returning home. Most of these criticisms have little or nothing to do with the party in the White House. The United States and Russia were the only nations "on their feet" at the close of World War II. It is only natural that both should catch the brunt of the criticism from those defeated or impoverished. Naturally, these criticisms have found their way to Americans employed in agency posts overseas.

There are other matters to consider. The USIA has come under fire any number of times for the type literature which was featured in overseas libraries. Traveling congressmen and others have reported books playing up the lower quarters of the United States and virtues of the "new deal" were given prominent display, while the more current, factual books were not to be found.

It is significant that a report of last June—after the summit collapse—showed the rival nations, both the United States and Russia, had lost prestige but with the United States still holding favor in Great Britain and France. European people, still recalling the mass destruction of World War II, have less respect for the more powerful nations when tensions mount.

These are but a few of the reasons President Eisenhower was fully justified in not making public a report which, without proper evaluation, would give a confusing and false picture of U. S. world standing.

Mrs. James Monroe, wife of the fifth President of the United States, won acclaim during the French Revolution for her plea that saved the life of Lafayette's wife. At the time, Monroe was minister to France.

"Like To Pick Another One?"

GEORGE SOKOLSKY

Politicalization Of Labor

Roosevelt Gave Assistance To Movement Away From Gompers Toward Followers Of Marxists

From the end of the Civil War until 1912, the Republican party was the majority political party in the United States. True, Grover Cleveland was twice elected as a Democrat during this period, but it was not until Woodrow Wilson became President of the United States that the Democrats assumed a position of national leadership. Wilson gave the United States a new direction by accepting responsibility for the defense of Great Britain and France against Germany, thus bringing this country into a European war. In fact, Wilson assumed leadership in an attempt to organize the world within the League of Nations.

Since Wilson's time, the Republicans have elected Harding, Coolidge, Hoover and Eisenhower; the Democrats have elected Roosevelt and Truman. Roosevelt was, of course, an exception to all rules; ran for four terms and in many ways, altered the characteristics of American politics. Nevertheless, more Republicans than Democrats were elected.

Roosevelt reorganized the Democratic party in an effort to free himself from the control of the party by the solid South and the big city bosses in the North. He brought into the party social reformers, socialists, non-political intellectuals and worked valiantly and successfully to change the American labor movement from a non-political to a political effort. The A.F. of L. abandoned the trade union theories of Samuel Gompers and moved in the direction of younger Marxists led by Walter Reuther. Roosevelt had sufficient tenure in the White House to weld together this new party. By succeeding to move the northern Negroes out of the Republican party, where they were because Lincoln freed the slaves, to the Democratic party which was propagandizing for social equality through the influence of Mrs. Eleanor Roosevelt, the Democratic party became all powerful in those northern states with large Negro populations.

It was the Roosevelt lieutenants, Edward Flynn and James Farley, who organized the American Labor party in New York. This was designed to give Mayor La Guardia a method of leaving the Republican party without becoming a Tammanyite. The American Labor party eventually split into two factions, the A.L.P., which became a political arm of the Communist party, and the Liberal party which mustered between 300,000 and 400,000 votes consisting principally of workers in the male and female garment trades and a small number of intellectuals. It continues to exist and exerts a greater influence than its numbers indicate.

The Roosevelt spell is still felt in some areas and the Democratic party is still under the influence of some of those whom he favored. Senator John F. Kennedy is naturally capitalizing on that name, just as Richard Nixon is benefiting by the popularity of President Eisenhower.

Neither party is conservative nor liberal. Both parties are currently opportunistic, responding to immediate questions without philosophic connotations. In fact, the terms, conservative and liberal, cannot be defined in political context, in the year 1960. For instance, Senator Kennedy regards himself as a liberal but his running mate, Senator Lyndon Johnson, has hitherto been accepted as a conservative. What then is this team? Vice President Richard Nixon has never been a conservative such as Senator Barry Goldwater is. Nixon is assumed to be a conservative because he is anti-Communist, but many liberals are anti-Communist and the socialists are violently so. The Vice presidential candidate, Henry Cabot Lodge, cannot with any correctness be regarded as a conservative or a liberal; he has rather devoted himself to the defense of his country in the international arena.

In a word, the parties are vehicles for running for office without absolute distinctiveness as to theory or doctrine. Thus, the four debates between Kennedy and Nixon have not brought forth a single new idea, a single definition of terms or positions. The most that either candidate conveys is the idea, "I am better than he is." So what?

This campaign, as no other, establishes the fact that both parties are intellectually morbid. They have nothing to say as political parties. They do not appeal to the voters in political terms. They do not attack each other's political concepts because there are none to attack. They do not defend their political concepts because they have lost political consciousness. The impression given is that we have a "cult of personalities." In this critical period, this country requires political parties with distinctive programs.

Truth On Gold

U.S. Dollar Is Being Hit By Worst Speculation In Years

"Is the average American too stupid to be told the undeniable fact that the great U.S. dollar is now being hit by the worst speculative attack in many years and that it is now actually quoted at a discount in terms of leading world currencies?

"Is the typical American really so dumb that he can't bear to hear the unvarnished truth about the notable decline in world confidence in our ability to manage our monetary affairs properly and to combat successfully our current business recession?

"Must the level of this type of reporting be lowered to the lowest intellectual level and the facts be hidden about the erosion in our dollar's prestige and our losses of precious gold?"

As Stefan J. Rundt — head of the international business consulting firm bearing his name and, from 1945-51, chief of counter-espionage and of economic intelligence for the U.S. forces in Vienna — threw these questions at me, I instinctively shouted back "No!" Then, "Go ahead and tell the facts," he said quietly — and here I go.

(1) Although the power and wealth of our nation are enormous and the U.S. dollar is the pivot around which all other free world currencies revolve, for almost two years our dollar has been losing reputation. The harshest warning of what is occurring has been the panicky upsurge in the price of gold on the London gold market to over $40 an ounce — more than $5 an ounce above the price at which we have stood ready to buy and sell gold for longer than a quarter-century. Our dollar is pegged to gold at $35 an ounce; so this price means that our dollar is quoted at more than a 15 per cent discount in terms of gold.

Putting it bluntly, it means many speculators simply don't believe we'll be able to hold a $35 gold price and gamble we'll have to raise it and thus devalue the U.S. dollar.

(2) We can explain the recent raids on the dollar in dozens of ways, but the fundamental point is the raids wouldn't have been possible unless there had been a decline of confidence. Basic to this is the fact that we have been and are sending billions of dollars more abroad than we're taking in, and foretgn creditors as a result are building up huge claims against our gold reserve. Some of these claims they're holding in dollars and some they're taking in gold.

Our gold hoard is now down to $18.5 billion, off more than $800 million since mid-1960 to the lowest level in 20 years. Against this hoard are foreign claims of more than $22.5 billion. We simply dare not permit the foreign claims to continue building up.

Also contributing to the decline in confidence is skepticism about our ability to pursue money policies that will protect the dollar's value, to handle the recession without setting off another inflation. In Rundt's words, "It is naive for anyone to state that 'American prestige abroad will be just as high as the spokesman for America allow it to be.' Spokesmen don't create strength; actions do."

(3) The U.S. is not going to raise the price of gold or devalue the dollar now — that's a certainty! Moreover, the vicious rumors being spread about what triggered the London gold panic harm every American citizen. (Malicious samples: "Senator Kennedy has said he'll devalue the dollar once he gets in the White House" — categorically denied. "The Republicans started the panic to stress the dangers of a Kennedy victory" — ugly and impossible.)

(4) But the London gold rush has warned us that we now must take actions on our own and insist our partners in the free world act to help get our trade balance into the black and end our gold outflow. We must follow money policies that will hold the world's confidence in our dollar. We must deal honestly with our recession. In Rundt's words, "The time to bamboozle others and ourselves has come to an end" — and that is the unvarnished truth, you, the intelligent American, must know.

Country Plainly Needs Republican Victory For Many Reasons

WASHINGTON, D. C. — On a slow train through Illinois awhile back, your correspondent encountered a perceptive small city editor who ogled him and said:

"You're having a tough time making up your mind to come out for Nixon, aren't you? Want to know why?"

"Yes. Why?"

"Well, it's because deep down in your innards you believe that Jack Kennedy would make the better President — isn't that the trouble?"

No — not exactly, but it raises a good point. Would Jack Kennedy make a better President than whom? Not better, I think, than Richard Nixon, though he might. But the country plainly needs a Republican victory. At home and abroad, on Capitol Hill and in the Executive Departments, it is far better for the nation and the free world if we have a government which will not go whole hog on spending and will not toss inconvenient islands and populations to the Communist wolves.

But Kennedy a better President than some of his predecessors? Yes — quite likely. The perils of 1960, while disturbing, need not become so full of calamity as were some other presidential elections. It will be said that we lived through Mr. Truman's upset victory in 1948 — but at what a cost! It's hard to recall when a major nation had a worse government than that which the Fair Deal gave us in 1949-53. We suffered a loss of more than 30,000 lives in Korea, where we settled nothing at all. We cringed from vulgarities and scandals around the White House. We finished Mr. Truman's term with a sinking economy in the land and unresolved problems almost everywhere in the world.

It is the sentimental habit to applaud Mr. Truman as a fading public figure — but not many Americans would want to live through such an Administration again.

Mr. Roosevelt's tricky and arrogant flaunting in 1940 of the "gentleman's agreement" against third terms is now shrugged off as a small matter. But was it? Shortly after FDR carried 46 States in 1936, one of my journalistic heroes, H. L. Mencken, told me, "That man will never be an ex-President!"

Well, FDR never was. He won a third and fourth term. He had such control of the majority party machinery, such authority from the Supreme Court, such a spell over Congress, such foreign entanglements for global power that it's conceivable he might have slid, as the Caesars did, from emergence-into-empire.

It is questionable if the country has ever recovered from the disaster of the 1940 election. From it flowed our atomic inheritance and our agricultural glut, the incredibly gerrymandered zone of East and West Berlin, the loss of bulwarks in Europe and Asia against the Communist hordes, the false friendship with Russia and the Red elements of China, and finally the Atlas role which finds us shouldered with a world of woes.

The Roosevelt-Truman mortgages on our freedoms and sovereignty have been only a little lifted by President Eisenhower. He has liquidated the Korean war, put a brake on inflation, ended economic controls, restored a balance between Labor and Management, and presided over a lucky period of prosperity and nominal peace. The indications are that the Vice President is a more experienced person than was Gen. Eisenhower four years ago. There is every reason to hope that Nixon really will, as he says, "build on" the Eisenhower record — making a better President, if he gets the chance, than Ike.

And on the other hand, Kennedy, should he win, can hardly be worse for the country than his immediate Democratic predecessors, Presidents Roosevelt and Truman. The mischief which FDR found to do with our economic system is already largely done. There is some educated opinion around town that our only salvation is to perish in the ashes and pray for a phoenix-like rebirth. The quagmires of calamity into which HST took us are now fairly well marked, albeit with our own bones.

Senator Kennedy ought to do better — and many of us who know him believe that he is too intelligent, patriotic and careful to do any worse.

Tongue Cancer

Gold Radon Implants Found Satisfactory In Many Cases

Many patients who have had an attack of coronary thrombosis write to me about their chances for getting life insurance.

There's nothing like a good scare to start them thinking about their financial status and how their wife and children will get along if anything happens to them. I have been telling them for years that the outlook for recovery, and many years of normal life, is much better than most people realize.

All you have to do is check up on the lives of our prominent political figures since they have had their attacks. Coronary patients can do very well.

As for life insurance protection, here are some words by Drs. R. S. Gubner and H. E. Ungerleider in a recent issue of the American Heart Journal: "Persons with coronary heart disease no longer should be considered ineligible for life insurance; life expectancy of selected groups with coronary disease is far better than was formerly supposed.

For Mr. F.: Yes, there is other treatment than operation in controlling cancer of the tongue. Drs. L. H. Jorstad and Meredith J. Payne of St. Louis found that gold radon implants (into the tongue) controlled the primary cancer in 96 per cent of the favorable group and 86 per cent of the unfavorable cases. Of the entire group (108 elderly patients) 40.8 per cent were free from any recurrence at the end of 5 years.

I am writing today's column in 90 degree weather. I am perfectly comfortable and relaxed, although I haven't turned on the air conditioner. My wife, very uncomfortable, is on her way back to the air conditioned bedroom. She can't stand the heat. Although I am thankful for artificial refrigeration on occasion, I am not comfortable working in artificially cool surroundings.

More and more I realize that we must all build up a tolerance for the "differences" of our neighbors or family members. I feel sorry for people who can't take the heat because I know how uncomfortable I am when it's cold.

You might remember these differences when you tend to belittle people who "are afraid of a draft." Or those who "melt" in the heat. It will make for more pleasant human relations all around.

As you may recall, I devote quite a bit of space in this column in an effort to cut down on automobile injuries and fatalities. Every little tip helps.

Today I read about a woman killed who presumably had fallen asleep at the wheel. Her husband was thrown out of the car and sustained severe injuries.

Don't fight sleep when you are driving. Pull up to the side of the road and take a short nap if need be. Better still, take time out for a cup or two of black coffee. Take two or three spoonfuls of sugar with it.

Driving on a parkway a few months ago, all I had left to negotiate was a distance of about 40 miles. I could barely keep my lids apart. Although tempted to push through, I took time off for coffee.

Within minutes I was wide awake; and stayed that way until I reached home. Such a simple, and pleasant, precaution often spells the difference between life and death.

For Mrs. D.: One - shot treatment of hayfever holds out great hopes. Weeks by week more information is being collected regarding its effectiveness. Within a year or two it may be a universarly accepted treatment. Why not go along with your usual treatments until one - shot management is more widely accepted?

Daily Devotional

For every man shall bear his own burden. — Gal. 6:5.

It is easy for us to place our burdens and disappointments on the shoulders of others — members of our families and our friends. If these people could assume the burdens and relieve us there might be some sense to this practice. But the net result of sharing our troubles with others, if we have their love, is to multiply these heavy loads by the number of people in whom we confide. It is better by far to leave our business problems at the office and to turn to God as the One Who can really aid us in our struggle against overwhelming odds.

Heavenly Father, lead us to turn to Thee for relief of burdens and alleviation of our distresses. In Christ's holy name we pray. Amen.

Growth Vs. Socialism

Anyone who has watched the television debates between Vice-President Richard M. Nixon and Senator John F. Kennedy in their race for the presidency must be impressed by the fact that Kennedy thinks only in terms of the state, or government, while Nixon thinks in terms of the people. Kennedy is an ardent statist, believing the government, should do it all, as advocated by socialism.

In one of these debates Nixon made a most penetrating comment on all the hullabaloo about growth of the economy.

"Too often," said the vice-president, "in appraising whether we are moving ahead or not we think only of what the government is doing. Now that isn't the test of whether America moves."

Real growth in the American economy is achieved by investors in private enterprise, and this includes the millions of small investors who buy small amounts of stock in industrial concerns.

Private enterprise built the United States to great strength in the first place and that is what will continue to build it as long as it grows. If industry is ever thwarted, the economy will dry up like a vine that has been cut off at the root. Building for prosperity and the consumer is the great function of the capitalistic system — the setting aside of savings for investment in new productive enterprises, and providing the incentive to do so.

Little real growth was found in the era the "liberals" worship and which Kennedy is carrying the socialistic flag for—the era of Roosevelt and Truman, when the real growth of both socialism and race-mixing were begotten in this country.

The vast spending programs launched by the New Deal did nothing to build up national assets. Roosevelt was the only president in the history of the United States who was ever able to keep the nation in a deep depression for 11 years and who could bring that depression to an end only when World War II was started. Wars bring an end to depression because they start the wheels of industry rolling at full blast.

Back in the days of the NRA, PWA and WPA, leaf-raking and boondoggling were carried on on a gigantic scale. Unemployment was just as high when it ended as when it started.

When the Fair Deal came along, the "liberals" in congress and white house offices were far more interested in applying controls to private business than in attempting to stimulate such business by ending wartime restrictions. In fact, it is doubtful if any wartime restriction on the use of goods was ever justified and it is an absolute certainty that price-fixing during that time raised the price of commodities, instead of holding them down. This was done for the purpose of making price-fixing popular.

What today's "liberals," including Kennedy, mean when they say they want growth is a shifting of industry from private enterprise to government control — which is socialism. This is substantiated by all of Kennedy's remarks on the subject in the debates with Nixon.

These "liberals" want to stifle business by imposing restrictions on private enterprise and individual incomer-producers so they can raise the cry that government operation is necessary.

Kennedy, along with the other "liberals", wants to eliminate the oil and gas depletion allowance, which encourages investors in oil fields to produce more oil, by taking into consideration the decreased value of the holdings when the oil is removed. Instead of giving citizens incentives to add to assets of the nation, they want to withhold incentives. This is the real attitude of the "liberals" toward growth.

This means there will be less chance for profit and industrial growth if the white house should be captured by the liberal-radical-socialist Fair Dealer, Senator Kennedy, who has made it clear he wants a "strong" government, as opposed to strong industry.

Nixon still favors government of, by and for the people.

These are facts to be considered in choosing between these two men on election day.

Information Service

The Eisenhower Administration was correct in refusing to make public a report which Sen. Kennedy says "proves" his claim that U. S. prestige abroad has declined.

The source of any report must be considered. In this case the overseas opinion poll came from the United States Information Service, an organization set up some years ago with the designated purpose of promoting support among other peoples for the foreign policies of the United States.

If inquiries taken by this agency indicate a drop in U. S. prestige, then the organization has admitted failure to achieve its basic goal. Maybe this is its way of seeking greater appropriations or more support in the U. S. news agencies. If so, the report also was timed to drop a pro-Democratic bomb into the presidential campaign.

But the agency cannot claim Republican foreign policies have damaged its work. The International Information administration which was established during the Truman Administration included the Voice of America broadcasts, the press service and the motion picture. In August, 1953, the agency was re-organized under its present name.

Significantly, in view of the present "report," the Eisenhower Administration cut the information agency's budget from $155 million down to $103 million in 1953.

Many persons having worked with the USIA have been most critical of our foreign and domestic policies when returning home. Most of these criticisms have little or nothing to do with the party in the White House. The United States and Russia were the only nations "on their feet" at the close of World War II. It is only natural that both should catch the brunt of the criticism from those defeated or impoverished. Naturally, these criticisms have found their way to Americans employed in agency posts overseas.

There are other matters to consider. The USIA has come under fire any number of times for the type literature which was featured in overseas libraries. Traveling congressmen and others have reported books playing up the lower quarters of the United States and virtues of the "new deal" were given prominent display, while the more current, factual books were not to be found.

It is significant that a report of last June—after the summit collapse—showed the rival nations, both the United States and Russia, had lost prestige but with the United States still holding favor in Great Britain and France. European people, still recalling the mass destruction of World War II, have less respect for the more powerful nations when tensions mount.

These are but a few of the reasons President Eisenhower was fully justified in not making public a report which, without proper evaluation, would give a confusing and false picture of U. S. world standing.

Mrs. James Monroe, wife of the fifth President of the United States, won acclaim during the French Revolution for her plea that saved the life of Lafayette's wife. At the time, Monroe was minister to France.

Politicalization Of Labor

Roosevelt Gave Assistance To Movement Away From Gompers Toward Followers Of Marxists

From the end of the Civil War until 1912, the Republican party was the majority political party in the United States. True, Grover Cleveland was twice elected as a Democrat during this period, but it was not until Woodrow Wilson became President of the United States that the Democrats assumed a position of national leadership. Wilson gave the United States a new direction by accepting responsibility for the defense of Great Britain and France against Germany, thus bringing this country into a European war. In fact, Wilson assumed leadership in an attempt to organize the world within the League of Nations.

Since Wilson's time, the Republicans have elected Harding, Coolidge, Hoover and Eisenhower; the Democrats have elected Roosevelt and Truman. Roosevelt was, of course, an exception to all rules; ran for four terms and in many ways, altered the characteristics of American politics. Nevertheless, more Republicans than Democrats were elected.

Roosevelt reorganized the Democratic party in an effort to free himself from the control of the party by the solid South and the big city bosses in the North. He brought into the party social reformers, socialists, non-political intellectuals and worked valiantly and successfully to change the American labor movement from a non-political to a political effort. We finished Mr. Truman's term with a sinking economy in the land and unresolved problems almost everywhere in the world.

It is the sentimental habit to applaud Mr. Truman as a fading public figure — but not many Americans would want to live through such an Administration again.

Mr. Roosevelt's tricky and arrogant flaunting in 1940 of the "gentleman's agreement" against third terms is now shrugged off as a small matter. But was it? Shortly after FDR carried 46 States in 1936, one of my journalistic heroes, H. L. Mencken, told me, "That man will never be an ex-President!"

Well, FDR never was. He won a third and fourth term. He had such control of the majority party machinery, such authority from the Supreme Court, such a spell over Congress, such foreign entanglements for global power that it's conceivable he might have slid, as the Caesars did, from emergence-into-empire.

It is questionable if the country has ever recovered from the disaster of the 1940 election. From it flowed our atomic inheritance and our agricultural glut, the incredibly gerrymandered zone of East and West Berlin, the loss of bulwarks in Europe and Asia against the Communist hordes, the false friendship with Russia and the Red elements of China, and finally the Atlas role which finds us shouldered with a world of woes.

The Roosevelt-Truman mortgages on our freedoms and sovereignty have been only a little lifted by President Eisenhower. He has liquidated the Korean war, put a brake on inflation, ended economic controls, restored a balance between Labor and Management, and presided over a lucky period of prosperity and nominal peace. The indications are that the Vice President is a more experienced person than was Gen. Eisenhower four years ago. There is every reason to hope that Nixon really will, as he says, "build on" the Eisenhower record — making a better President, if he gets the chance, than Ike.

And on the other hand, Kennedy, should he win, can hardly be worse for the country than his immediate Democratic predecessors, Presidents Roosevelt and Truman. The mischief which FDR found to do with our economic system is already largely done. There is some educated opinion around town that our only salvation is to perish in the ashes and pray for a phoenix-like rebirth. The quagmires of calamity into which HST took us are now fairly well marked, albeit with our own bones.

Senator Kennedy ought to do better — and many of us who know him believe that he is too intelligent, patriotic and careful to do any worse.

Tongue Cancer

Gold Radon Implants Found Satisfactory In Many Cases

Many patients who have had an attack of coronary thrombosis write to me about their chances for getting life insurance.

There's nothing like a good scare to start them thinking about their financial status and how their wife and children will get along if anything happens to them. I have been telling them for years that the outlook for recovery, and many years of normal life, is much better than most people realize.

All you have to do is check up on the lives of our prominent political figures since they have had their attacks. Coronary patients can do very well.

As for life insurance protection, here are some words by Drs. R. S. Gubner and H. E. Ungerleider in a recent issue of the American Heart Journal: "Persons with coronary heart disease no longer should be considered ineligible for life insurance; life expectancy of selected groups with coronary disease is far better than was formerly supposed.

For Mr. F.: Yes, there is other treatment than operation in controlling cancer of the tongue. Drs. L. H. Jorstad and Meredith J. Payne of St. Louis found that gold radon implants (into the tongue) controlled the primary cancer in 96 per cent of the favorable group and 86 per cent of the unfavorable cases. Of the entire group (108 elderly patients) 40.8 per cent were free from any recurrence at the end of 5 years.

I am writing today's column in 90 degree weather. I am perfectly comfortable and relaxed, although I haven't turned on the air conditioner. My wife, very uncomfortable, is on her way back to the air conditioned bedroom. She can't stand the heat. Although I am thankful for artificial refrigeration on occasion, I am not comfortable working in artificially cool surroundings.

More and more I realize that we must all build up a tolerance for the "differences" of our neighbors or family members. I feel sorry for people who can't take the heat because I know how uncomfortable I am when it's cold.

You might remember these differences when you tend to belittle people who "are afraid of a draft." Or those who "melt" in the heat. It will make for more pleasant human relations all around.

As you may recall, I devote quite a bit of space in this column in an effort to cut down on automobile injuries and fatalities. Every little tip helps.

Today I read about a woman killed who presumably had fallen asleep at the wheel. Her husband was thrown out of the car and sustained severe injuries.

Don't fight sleep when you are driving. Pull up to the side of the road and take a short nap if need be. Better still, take time out for a cup or two of black coffee. Take two or three spoonfuls of sugar with it.

Driving on a parkway a few months ago, all I had left to negotiate was a distance of about 40 miles. I could barely keep my lids apart. Although tempted to push through, I took time off for coffee.

Within minutes I was wide awake; and stayed that way until I reached home. Such a simple, and pleasant, precaution often spells the difference between life and death.

For Mrs. D.; One - shot treatment of hayfever holds out great hopes. Weeks by week more information is being collected regarding its effectiveness. Within a year or two it may be a universarlly accepted treatment. Why not go along with your usual treatments until one - shot management is more widely accepted?

Daily Devotional

For every man shall bear his own burden. — Gal. 6:5.

It is easy for us to place our burdens and disappointments on the shoulders of others — members of our families and our friends. If these people could assume the burdens and relieve us there might be some sense to this practice. But the net result of sharing our troubles with others, if we have their love, is to multiply these heavy loads by the number of people in whom we confide. It is better by far to leave our business problems at the office and to turn to God as the One Who can really aid us in our struggle against overwhelming odds.

Heavenly Father, lead us to turn to Thee for relief of burdens and alleviation of our distresses. In Christ's holy name we pray. Amen.

Monroe Needs For Bureau Are Declared

Frank P. McGowan, executive director of the southwest edition of the Wall Street Journal, Friday stressed the need of a Better Business Bureau in Monroe.

McGowan, of Dallas, said, "I hope Monroe establishes a Better Business Bureau, and supports it."

Speaking to the Advertising Club, the speaker said the public needs protection against dishonest businessmen who misrepresents, affixes phony price tags, and makes exaggerated claims.

He pointed out that the honest businessman would profit from a Better Business Bureau.

He said dishonest merchants are a bigger headache than the roving swindlers.

"Reputable businessmen must live up to their responsibilities," and collectively, advertising people and reputable businessmen must protect our way of life.

"You and you alone must see that our private free enterprise system be the best on the face of the universe."

McGowan said he believes that every newspaper, radio station and television station should be responsible for the advertising it handles.

He spoke also on current business trends and said "the economic climate looks good."

INSOMNIA REMEDIES

Insomnia must have existed since antiquity because sleep inducing drugs seem to be as old as man. But we never have been able to develop a perfect remedy that poor sleepers could take with impunity. Almost every product including alcohol, opium, barbiturates, and the anti - histaminics—has side reactions and hangovers that plague some users.

The tertiary carbinols such as Placidyl and Valmid are the latest type of drugs along this line. They are said to have important advantages over the barbiturates, inducing sleep in 15 to 30 minutes. The hypnotic effects lasts four to five hours; some persons awaken at this time whereas others continue to sleep until morning.

Only a few users encounter a hangover involving fatigue, dizziness, headache, heartburn, nausea, abdominal cramps, or nervousness. These side effects are not marked and occur in less than one in 10 individuals. We all differ in our reactions to a drug, whether it be aspirin or pencillin.

The new sleeping pills are prescription products and will compete with the older barbiturates for a place on the bedstand of our insomniacs.

The majority of physicians take a practical attitude toward this problem and will not prescribe sleeping medicine of any type unless needed. The whole subject is highly controversial and most of the arguments against the use of barbiturates particularly stem from their abuse.

Sedatives are a common cause of intoxication, or even suicide. No harm comes from their proper usage but large amounts induce addiction; these individuals take 10 to 15 times the dose needed for sleep. Many barbiturate addicts are alcoholics who use sedatives to calm down.

KIDNEY FAILURE

M. F. writes Does uremia come from excessive drinking?

REPLY

No. Uremia develops when the kidneys stop working because they have been damaged by infection, impaired circulation, or a poison such as mercury. It is the liver that suffers most from alcoholism.

COW AND SMALLPOX

E. M. writes: Is cowpox the same as smallpox?

REPLY

Cowpox is a disease of cattle that is transmitted to man by contact with infected cows. The exposed skin exhibits small bumps that enlarge and ulcerate. This causative virus is so closely related to the smallpox virus that immunity to one creates immunity to the other.

AMPUTATED LEG

J. B. writes: What effect does a missing leg have on the heart? Is there less strain because one extermity is gone — or more strain?

REPLY

If there was no strain on the heart when the leg was present, there should be none after amputation. The heart adjusts to the reduction in blood volume.

INTESTINAL CANCER

E. R. P. writes: What are the signs of a malignancy in the colon?

REPLY

Cancer is suspected whenever the individual develops definite changes in bowel habits either diarrhea or constipation or blood is noted in the stools.

DROOLING AND I. Q.

Petty Makes Speech For Givers Drive

Explaining the advantages of giving the United way to answer man's desire to help his fellow man was Fred Petty, vice president of the United Giver's Fund Drive in Ouachita Parish. Petty was guest speaker at a Rotary Club luncheon Thursday.

In naming the advantages, Petty said that giving the United way was the modern, efficient way to collect funds, avoiding leaving the task to the government which would mean more taxes.

Petty added that by adding more taxes, this would mean more of a trend toward socialism and would leave no voice in the way these programs were handled.

He stressed that giving this way assures the distribution of funds in an equitable manner among agencies. He emphasized that giving in the United Drive avoids having "too many drives" and the confusion caused by them.

He pointed out that when too many drives are conducted, workers rebel, donors rebel, and often there is an overlapping of functions. He added that everyone agrees that this is costly.

Joe Tiernan, a member of one of the six payroll deduction teams, appeared at the luncheon with Petty and emphasized the payroll deduction plan of giving.

He stated that in giving on the payroll plan, the employee got the personal pride of participating in a worthy cause, that it was a painless method of giving and that it enables the worker to give his fair share.

The payroll deduction plan also makes the employee's contribution easily deductible and alimin-ates house to house solicitation, Tiernan said.

Petty urged businessmen to take advantage of these payroll deduction easily deductible and eliminto their employees the plan and how it works. He said that employers were doing a "disservice" to their workers by not having this plan explained by one of the teams.

FRED PETTY, vice president of the United Givers Fund in the Twin Cities has opened his own effort in the campaign underway now by addressing civic clubs in the area. He addressed the Rotary Club Thursday. (Staff Photo by John Fogleman)

DAILY CRYPTOQUOTE — Here's how to work it:

A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.

BATON ROUGE (AP) — A hospital here reported Archbishop Joseph Francis Rummel's condition was essentially unchanged Friday.

The 84-year-old Roman Catholic archbishop of New Orleans has been on the critical list after an Oct. 9 fall broke his right leg and arm.

Our Lady of the Lake Hospital said in a bulletin "the general condition of his Excellency, the Most Reverend Archbishop, remains essentially unchanged. He attended the usual daily mass and retains his desire to have information regarding current affairs."

Neutrals Press For East-West Negotiations

UNITED NATIONS, N.Y. (AP) —Neutral nations brought mounting pressure on the United States and the Soviet Union Friday to agree at least on the ground rules that would permit early resumption of East-West negotiations.

Chances for such agreement rested mainly on the outcome of private talks between the representatives of the United States and the Soviet Union. But Western diplomats were skeptical of any change in basic U.S. and Soviet positions.

U.S. Ambassador James J. Wadsworth took the initiative in seeking a conference with Soviet Deputy Foreign Minister Valerian A. Zorin outside of the debate now taking place in the General Assembly's Political Committee.

Wadsworth was reported ill and unable to see Zorin before the first of next week.

DAILY CRYPTOQUOTE — Here's how to work it:

A X Y D L B A A X R
is L O N G F E L L O W

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation

E J D T B H A W H A W U R D Y H A J D L H Y O Y D P R Q P J D T C J H H C R H Y I R Q O R J U R — G Y Q T B G Y Q H A.

Rummel Still Is About Same

BATON ROUGE (AP) — A hospital here reported Archbishop Joseph Francis Rummel's condition was essentially unchanged Friday.

The 84-year-old Roman Catholic archbishop of New Orleans has been on the critical list after an Oct. 9 fall broke his right leg and arm.

Our Lady of the Lake Hospital said in a bulletin "the general condition of his Excellency, the Most Reverend Archbishop, remains essentially unchanged. He attended the usual daily mass and retains his desire to have information regarding current affairs."

CLOTHES MAKE YOUR MAN

Are Sloppy And Soiled Hats 'Home Breakers'?

DEAR MR. JUSTER: After reading some of the stuff fed the public, I can see where censorship has its points! The reason for this outburst is a nonsensical article quoting a supposed authority on women. Listen to this: "A married man who wears a sloppy, soiled hat has a wife uninterested in him . . . downright unhappy and only concerned with herself." All this because of a hat! Are there people so immature that they'll believe this?

George C.

You'll have to admit it's an interesting theory. Seriously, I'm more inclined to believe a wife's interest in her husband's hat is solely confined to the simple fact that a neat, well - shaped one adds to his appearance . . . and he should wear that kind for the same reason.

DEAR MR. JUSTER: I'm one of those people who dislike short socks. so I bought some garters and then started shopping for good quality long hose. Do you know I almost gave up, but finally found some imported lisles. It was worth the effort because I really enjoy wearing them. Tell me, why are long lengths out of style?

M.G.

More out of demand than out of style. However, I'm surprised you ran into such difficulty as many stores carry an assortment for the small percentage of men who prefer them. If more men felt as you do, long hose would be back "in style" very quickly. Certainly give a trim appearance, don't they?

DEAR MR. JUSTER: It seems to me that you have been overlooking us fellows who are the short and stout type. How about writing something pertaining to the style suits that will help us look better . . . or are we beyond help?

J.M.P.

Not at all. If clothes can help anyone, it's the man with your build. You need a short stout or portly proportion for the proper balance and length in a trim model, preferably two button and with slightly built-up shoulders. This creates a trimmer, taller look.

Avoid tightness as that will only make you look heavier. Smooth fabrics in darker shades, either solid or with subdued pattern, are your best bet. Follow these suggestions and see if you won't look a few pounds lighter and an inch or so taller.

DEAR MR. JUSTER: My son has his mind set that he wants a sweater coat to wear to school. He is 5 feet 4 inches, has a 34-inch chest, 25-inch waist and narrow thighs. I have tried to tell him that it would be flopping and bobbing somewhere along the mid-legs. Don't you think I'm right?

Mrs. J. W.

Yes — unless you decided to knit one for his particular proportions. If it's the button-front idea that appeals to him, suggest his getting a cardigan in a waist-length style. They are very popular with the boys.

TIP FOR THE DAY

A New Use For A Calendar

Thre are times when that plastic pocket calendar you carry in your billfold can come in handy. If you have lost your collar stays, don't go through the day with curled collar points. Simply cut two narrow strips from the edge of this calendar and use as a substitute.

Mr. Juster will be glad to answer your questions. He also has a booklet, "Guide to Better Dress" which includes a color chart, physical proportions chart, and many tips for improving appearance. The booklet is available free. Send stamped, self - addressed envelope to Harry Juster in care of The World.

Voice Of Broadway

By DOROTHY KILGALLEN

Miss Midnight's Notebook: Pier Angeli, adamant in her refusal to engage in a custody battle with Vic Damone, gives friends the impression that she'll remain in Europe a long, long time to avoid the hassles and headlines . . . The "Draft Stevenson" campaign at the Democratic Convention last July still owes an outstanding debt of $18,000 with Western Union being the No. 1 creditor — to whom the Adlai supporters allegedly owe $3,700. There's another smaller bill that hasn't been paid - $22 to an outfit called School Days Equipment, which provided crayons and school paint for marking over Kennedy and Johnson posters. There's another good story in the smoothness with which the Stevenson rooters infiltrated to pack the gallery; an actor was hired to don a regulation uniform of the private police —and he just "relieved" the regular hired guards.

BELLY DANCER NEJLA ATES will figure (and it's some figure) in the divorce case tossed by stripper Hope Diamond against her husband, crooner Bobby Colt. This should be one for the lighter newspaper pages . . . Leontyne Price, recuperating from an appendectomy, had to cancel her first performances at the Chicago Opera.

BROADWAYITES ARE PUZZLED over Celest Holm's willingness to replace Shelley Winters in a role described by out-of-town critics as "secondary." Shelley made a fast exit from the Arthur Laurents' play after the experts said her role was "not a star's part" — and for other reasons, too. . .Watch the lawyers get to work on this one: A stripper named Reddi Sloane, playing the Midwest burlesque houses, is billed in the ads as "The Girl Who Said No to Frank Sinatra." (She'd better get ready to explain that she said no when he asked her: "Would you like some more lasagna?").

BROADWAY GUESSING GAME: Two popular singing stars, both in the East, are widly in love, although each is married to another. Her records sell faster than his, but that doesn't seem to matter . . . Darryl Zanuck is so happy about the way "The Big Gamble" turned out in Ireland, he'll make two more flickers there — originals by Feral O'Higgins . . . Golly, it isn't even Guy Fawkes Day, but someone took the trouble to steal all the elevator buttons at 666 5th Ave. Much inconvenience for tenants and visitors — but don't you want to meet the fellow whose kick is stealing elevator buttons?

SMALL WONDER the Brasserie enjoys such favor with the lowest of the scandal sheet writers, who don't care any more about spelling than they do about facts. Its representative (on the stationery of Restaurant Associates, Inc.) sent out an item about Gwen Verdon and spelled her name wrong . . .Note from Paris: "Greta Garbo has been ambling all over the city in the heaviest shoes you ever saw, big umbrella constantly in hand and hair flying all over the place."

JAZZ FANS CAN'T UNDERSTAND WHY Hilton Jefferson, a respected saxophone player, has to work in the daytime as a bank messenger to make ends meet . . .Fidel Castro's troops in the garrison at Oriente Province have revolted against him because of his Communist activities . . . Dominico Modungno and his manager may wind up in the courts, featuring a hassle over money . . . Nicky Blair is the happiest restaurateur in town — doing turnaway business since he redecorated the place. You see such luminaires as Ethel Merman, Maurice Evans and Eleanor Holm waiting for tables.

JAYE P. MORGAN'S HUSBAND, Artie Kane, kayo'd a heckler at the Riviera in Las Vegas after the rude fellow made some nasty remarks about Jaye. . . Interesting theory by U. S. space scientists: the Russians have sent at least 10 men into space —and lost every one of them . . . Doc Pomus, composer of "Save the Last Dance for Me" (a top seller in the country for about a month), is collaborating with Mort Schuman on a Broadway musical. The plot will be based on a rock 'n' roll singer who runs for public office . . .Cantinflas, star of the multi-million-dollar film, "Pepe," opening in New York in December, has decided to do a two-a-day personal appearance, a la Danny Kaye, at the Palace Theatre.

THE LITTLE BLONDE BEAUTY in "Tenderloin," Gil Johnston, is the great-grand-niece of Sir Thomas Lipton. She also understudies ingenue Wynne Miller . . . Tab Hunter's friends describe him as heartsick over the California court case in which neighbors charged he beat his dog — a false charge, Tab says. He adds that the only thing keeping him in Hollywood now is his weekly TV series. If he weren't committed to the job, he'd like to take a long, long holiday away from the "lying prying creatures."

HERE is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

MOPSY

CLOTHES MAKE YOUR MAN

Are Sloppy And Soiled Hats 'Home Breakers'?

DEAR MR. JUSTER: After reading some of the stuff fed the public, I can see where censorship has its points! The reason for this outburst is a nonsensical article quoting a supposed authority on women. Listen to this: "A married man who wears a sloppy, soiled hat has a wife uninterested in him . . . downright unhappy and only concerned with herself." All this because of a hat! Are there people so immature that they'll believe this?

George C.

You'll have to admit it's an interesting theory. Seriously, I'm more inclined to believe a wife's interest in her husband's hat is solely confined to the simple fact that a neat, well - shaped one adds to his appearance . . . and he should wear that kind for the same reason.

DEAR MR. JUSTER: I'm one of those people who dislike short socks, so I bought some garters and then started shopping for good quality long hose. Do you know I almost gave up, but finally found some imported lisles. It was worth the effort because I really enjoy wearing them. Tell me, why are long lengths out of style?

M.G.

More out of demand than out of style. However, I'm surprised you ran into such difficulty as many stores carry an assortment for the small percentage of men who prefer them. If more men felt as you do, long hose would be back "in style" very quickly. Certainly give a trim appearance, don't they?

DEAR MR. JUSTER: It seems to me that you have been overlooking us fellows who are the short and stout type. How about writing something pertaining to the style suits that will help us look better . . . or are we beyond help?

J.M.P.

Not at all. If clothes can help anyone, it's the man with your build. You need a short stout or portly proportion for the proper balance and length in a trim model, preferably two button and with slightly built-up shoulders. This creates a trimmer, taller look.

Avoid tightness as that will only make you look heavier. Smooth fabrics in darker shades, either solid or with subdued pattern, are your best bet. Follow these suggestions and see if you won't look a few pounds lighter and an inch or so taller.

DEAR MR. JUSTER: My son has his mind set that he wants a sweater coat to wear to school. He is 5 feet 4 inches, has a 34-inch chest, 25-inch waist and narrow thighs. I have tried to tell him that it would be flopping and bobbing somewhere along the mid-legs. Don't you think I'm right?

Mrs. J. W.

Yes — unless you decided to knit one for his particular proportions. If it's the button-front idea that appeals to him, suggest his getting a cardigan in a waist-length style. They are very popular with the boys.

TIP FOR THE DAY

A New Use For A Calendar

Thre are times when that plastic pocket calendar you carry in your billfold can come in handy. If you have lost your collar stays, don't go through the day with curled collar points. Simply cut two narrow strips from the edge of this calendar and use as a substitute.

Mr. Juster will be glad to answer your questions. He also has a booklet, "Guide to Better Dress" which includes a color chart, physical proportions chart, and many tips for improving appearance. The booklet is available free. Send stamped, self - addressed envelope to Harry Juster in care of The World.

BUSINESS HIGHLIGHTS

RETAIL TRADE

Retail trade edged up this week with new car sales continuing to supply most of the fuel, Dun & Bradstreet reported Friday.

The Commerce Department reported that manufacturer's sales declined in September by about one per cent. New orders increased by 2 per cent during the month and exceeded the volume of shipments for the first time since late last winter. Increased shipments by electrical machinery and motor vehicle producers almost offset small but widespread declines in other durable goods industries.

CHRISTMAS BUSINESS

Retailers generally expect 1960 Christmas business to be slightly lower than last year, according to a survey by the American Newspaper Publishers Association. They cited as reasons "local unemployment," in some areas, "increased competition," "discounters" and "reluctance of customers to get deeper into debt."

AUTO PRODUTION

Production of 1961 model cars passed the one-million mark this week, nearly a month earlier than that milestone was reached with 1960 models, according to Ward's Automotive Reports.

LIVESTOCK

CHICAGO (AP) — Prices for butcher hogs and sows were steady to 25 cents higher on the Chicago market Friday. Trading was moderately active on receipts of 4,000 head.

Buyers paid $16.85 to $17.25, the top, for mixed 1 to 3 grade butchers scaling 190 to 250 pounds, and $16.75 to $17 for mixed 2s and 3s from 200 to 270 pounds. Mixed grade sows scaling 300 to 400 pounds brought $14 to $16.

Not enough slaughter steers and heifers were among 500 cattle receipts for a test of the market. Utility and commercial cows sold from $13.25 to $16.25 and utility and commercial bulls from $16.50 to $18.50.

Prices for sheep were steady to weak. A few choice and mixed wooled slaughter lambs and some choice and prime clipped lambs sold up to $18.50. Good and choice wooled lambs sold from $15.50 to $18 and slaughter ewes from $4 to $5.

Stocks Chalk Up Losses In Selling Wave

NEW YORK (UPI)—The stock market's two-session rally ground to a halt Friday as sellers clipped many of the recent high-flyers for 2- and 3-point losses.

Electronics suffered the heavier casualties, particularly in the issues which ran up the best gains in the Wednesday - Thursday recovery. Steels were another hard hit group, followed by chemicals, drugs and autos.

Aircrafts were able to finish strong on some late buying. Rails were easier, utilities firm on average.

The tally sheet at the end of the week found the overall stock list in a virtual standoff. The mid - week recovery more than offset the Monday - Tuesday tumble with Friday's mild downturn completing the balance.

Industrial stocks slipped 3.03 to 577.92 on average on declines of 2½ in DuPont, 1⅛ in General Foods, 1¼ on Owens - Illinois and ¾ in General Electric. Goodyear ran up 1⅛, United Aircraft ⅜, Procter & Gamble ⅜ and Alcoa ¼.

In the electronics, IBM toppled 8 points to 507, Texas Instruments dropped 5 to 160¼, Litton 2¾, Beckman 2½ and Zenith a point.

COTTON

NEW YORK COTTON

NEW YORK (AP) — Cotton futures closed unchanged to 50 cents a bale lower Friday.

The market was slightly higher in early dealings. Towards the close, prices weakened as hedge selling increased in current crop months.

A decline in October cotton parity brought late selling into the new crop months. The trend in the parity has a bearing on the level of the government's loan to be fixed for the 1961 cotton crop. The Department of Agriculture reported the October cotton parity at 38.37 cents a pound, basis middling ⅞ inch, off 13 points from the September parity.

Cotton futures weakened in late dealings, increasing in current crop months. A lower October cotton parity announcement brought some selling into new crop positions.

Futures closed unchanged to 50 cents a bale lower than the previous close.

MAP SUMMARY

A persisting low pressure area centered off the Maryland coast late Friday was associated with lingering rain occasionally heavy in the middle Atlantic States. Salisbury, Maryland, received over 1¾ inches in six hours. A frontal system extending from Wisconsin into Texas accounted for scattered showers and thunder showers in the south and Central Plains. Hail up to 1¼ in. in diameter accompanied a thunderstorm at San Angelo, Texas. Precipitation continued in the northwest where occasional rain or showers extended from Washington and Oregon into Idaho and western Montana with snow reported in higher elevations. A few isolated snow flurries and showers occurred in the southern Rockies. Considerable cloudiness extending from the Great Lakes Region into the Ohio Valley was accompanied by spotty rain in Michigan while skies were mostly sunny from the Mississippi Valley into the south Atlantic States as well as the north Atlantic States and extreme southwestern part of the country.

BUSINESS HIGHLIGHTS

RETAIL TRADE

Retail trade edged up this week with new car sales continuing to supply most of the fuel, Dun & Bradstreet reported Friday.

The Commerce Department reported that manufacturer's sales declined in September by about one per cent. New orders increased by 2 per cent during the month and exceeded the volume of shipments for the first time since late last winter. Increased shipments by electrical machinery and motor vehicle producers almost offset small but widespread declines in other durable goods industries.

CHRISTMAS BUSINESS

Retailers generally expect 1960 Christmas business to be slightly lower than last year, according to a survey by the American Newspaper Publishers Association. They cited as reasons "local unemployment," in some areas, "increased competition," "discounters" and "reluctance of customers to get deeper into debt."

AUTO PRODUTION

Production of 1961 model cars passed the one-million mark this week, nearly a month earlier than that milestone was reached with 1960 models, according to Ward's Automotive Reports.

LIVESTOCK

CHICAGO (AP) — Prices for butcher hogs and sows were steady to 25 cents higher on the Chicago market Friday. Trading was moderately active on receipts of 4,000 head.

Buyers paid $16.85 to $17.25, the top, for mixed 1 to 3 grade butchers scaling 190 to 250 pounds, and $16.75 to $17 for mixed 2s and 3s from 200 to 270 pounds. Mixed grade sows scaling 300 to 400 pounds brought $14 to $16.

Not enough slaughter steers and heifers were among 500 cattle receipts for a test of the market. Utility and commercial cows sold from $13.25 to $16.25 and utility and commercial bulls from $16.50 to $18.50.

Prices for sheep were steady to weak. A few choice and mixed wooled slaughter lambs and some choice and prime clipped lambs sold up to $18.50. Good and choice wooled lambs sold from $15.50 to $18 and slaughter ewes from $4 to $5.

Stocks Chalk Up Losses In Selling Wave

NEW YORK (UPI)—The stock market's two-session rally ground to a halt Friday as sellers clipped many of the recent high-flyers for 2- and 3-point losses.

Electronics suffered the heavier casualties, particularly in the issues which ran up the best gains in the Wednesday - Thursday recovery. Steels were another hard hit group, followed by chemicals, drugs and autos.

Aircrafts were able to finish strong on some late buying. Rails were easier, utilities firm on average.

The tally sheet at the end of the week found the overall stock list in a virtual standoff. The mid - week recovery more than offset the Monday - Tuesday tumble with Friday's mild downturn completing the balance.

Industrial stocks slipped 3.03 to 577.92 on average on declines of 2½ in DuPont, 1⅛ in General Foods, 1¼ on Owens - Illinois and ¾ in General Electric. Goodyear ran up 1⅛, United Aircraft ⅜, Procter & Gamble ⅜ and Alcoa ¼.

In the electronics, IBM toppled 8 points to 507, Texas Instruments dropped 5 to 160¼, Litton 2¾, Beckman 2½ and Zenith a point.

COTTON

NEW YORK COTTON

NEW YORK (AP) — Cotton futures closed unchanged to 50 cents a bale lower Friday.

The market was slightly higher in early dealings. Towards the close, prices weakened as hedge selling increased in current crop months.

A decline in October cotton parity brought late selling into the new crop months. The trend in the parity has a bearing on the level of the government's loan to be fixed for the 1961 cotton crop. The Department of Agriculture reported the October cotton parity at 38.37 cents a pound, basis middling ⅞ inch, off 13 points from the September parity.

Cotton futures weakened in late dealings, increasing in current crop months. A lower October cotton parity announcement brought some selling into new crop positions.

Futures closed unchanged to 50 cents a bale lower than the previous close.

MAP SUMMARY

A persisting low pressure area centered off the Maryland coast late Friday was associated with lingering rain occasionally heavy in the middle Atlantic States. Salisbury, Maryland, received over 1¾ inches in six hours. A frontal system extending from Wisconsin into Texas accounted for scattered showers and thunder showers in the south and Central Plains. Hail up to 1¼ in. in diameter accompanied a thunderstorm at San Angelo, Texas. Precipitation continued in the northwest where occasional rain or showers extended from Washington and Oregon into Idaho and western Montana with snow reported in higher elevations. A few isolated snow flurries and showers occurred in the southern Rockies. Considerable cloudiness extending from the Great Lakes Region into the Ohio Valley was accompanied by spotty rain in Michigan while skies were mostly sunny from the Mississippi Valley into the south Atlantic States as well as the north Atlantic States and extreme southwestern part of the country.

Neville Barely Gets Past Tallulah For 19th In Row

By JERRY HARKNESS
Staff Writer

TALLULAH, La. — With four minutes, 55 seconds left in the game, Neville halfback Neal Gunn, smashed into the end zone for an extra point that kept Bengal win streak going at 19 games and gained a 13-12 win over Tallulah's mighty band of Trojans here last night in a battle the Tigers were never sure of winning until the final gun had sounded.

The Tigers will continue to defend their win streak and Tallulah will have to start all over after dropping their first game of the season last night, but regardless of how far Bill Ruple's Tigers go in championship play, they will remember the tough, hustling Trojan team that met them at the gate, fought inch for inch, and lost out only by two extra point failures in last night's thriller.

STATISTICS	Neville	Tallulah
First Downs	10	7
Yards Rushing	262	152
Yards Passing	4	22
Passes	5-1	8-2
Passes Int. By	2	0
Fumbles Lost	1	2
Penalties	2-20	8-67½
Punting	6-27.1	5-35.4

The Tigers have nothing to be ashamed of with a 1 - point over Tallulah because it would take a good team to get that.

Neville got off to a fast start in the first quarter, scoring on the first offensive series of the game.

A drive starting at the 20 following the opening kickoff was highlighted by Gunn and halfback Bill Becton, who picked up 25 yards and 30 yards respectively, and with eight minutes 45 seconds remaining in the quarter. Gunn bulled over from two and one-half yards out but fumbled in the end zone with fullback Ralph Roberts falling on the ball for the score.

An attempted run for the PAT failed and Tallulah began to roll after end Jerry Fairbanks recovered a fumble by Becton at the Tiger 37. The Trojans moved to the 18 where halfback Chapman Lee hit the line on a fourth - and-one play and failed to get the first down.

Tallulah began to shake off the jitters in the second quarter and forced Neville to punt from the Tiger's 16. With the ball on Neville's 35, big fullback Wayne Nolan and company began eating up yardage on a drive that carried to the Neville one, before the Trojans were penalized back to the eight. After a three - yard loss and a fourth down coming up, flashy quarterback Truman Collins threw an 11 - yard desperation pass to Fairbanks who took the ball over his houlder and went over standing up to tie the score at 6-6.

Tiger end Sperry Brown, who might be given credit for the victory, blocked his first of both Tallulah extra point attempts, and the half ended in a deadlock.

Tallulah opened the third quarter playing fired - up football and after halfback Robert Payne punted to his own 44 for Neville the Trojans began to move. Nolan picked up 20 yards to the 24 and Collins gained 18 to the six. Nolan found a hole on second down, but Payne made a temporary save.

On the next play, Nolan bulled over with 4 minutes 35 seconds left in the third quarter and several Tigers hanging on.

And the Trojans had put Neville behind for the first time this year.

Neville's hard - charging end, Sperry Brown, saved the game by blocking his second Tallulah extra point attempt.

Neville didn't like being behind and the Tigers began running plays faster, trying to get back in the game, but Tallulah got even tougher on defense.

In the fourth quarter, Neville's Sperry Brown blocked halfback Leonard Neumann's punt at the Tallulah 40 and Gunn picked up 12 yards to the 28, but the Trojans held at their own 25, and the six point lead began to look bigger and bigger.

With the ball at midfield after a Tallulah punt, late in the game Gunn and Becton got the winning drive going. Gunn got 13 Becton 24 to the Tallulah 13. Gunn plowed to the five where Becton went over left tackle for the score with four minutes 50 seconds left in the game.

Then came Gunn's big extra point to put the Tigers in front and that was it.

Tallulah's Collins had a pass intercepted by Payne at the Trojan 47 and the Tigers, looking for another score, moved to the 16 yard line before losing the ball on downs.

Collins's last second pass was intercepted by Becton at the Trojan 40 - yard line.

PASSING AND RUNNING

West Monroe In Stride To Topple Ouachita, 19-0

By BOB ANDERSON
World Sports Editor

West Monroe gave Ouachita-unscored on for five games before last week-a few lessons in defense and a few more in offense to humble the Lions, 19-0, before a capacity crowd at Ouachita Stadium last night

A club that likes to run, the Rebels exhibited a fine passing attack in the first half along with its customary fast-moving ground game to roll up a 13-0 halftime advantage and Jewel McBroom, a guard who got the taste of touchdown last week against Bastrop and liked it, scored another on a offbeat 23-yard punt return.

West Monroe, which has lost only to Byrd, Neville and La Grange, three teams that have lost a total of one game, throughly dominated play throughout the game in rolling to its fifth victory of the season. Ouachita, after winning five straight, has now lost two in a row.

In district 1-AAA play, West Monroe pushed its record to 2-1 while Ouachita is now 1-2.

The Rebel line, led by McBroom, Togo Green, and Neal Young, permitted the Lions only 59 yards on the ground and only six first downs.

West Monroe racked up 13 first downs, 196 yards on the ground and 61 yards through the air, the passing yards all coming in the initial half.

Halfback Don Harrel and fullback John Covington led the Rebel rushers with over 80 yards apiece. Harrel picked up 86 yards in 18 carries and Covington contributed 83 yards in 12 trips.

Jim Van Zile hit on two of three passes for 28 yards, connecting with end Freddy Hooter for 11 yards and a touchdown in the first stanza.

Jim later caught a 33-year toss from Harrel in the second period.

Covington scored the second touchdown, set up by Billy Doerner's recovery of James McManus' fumble on the Lion 38, with a 15 - yard burst up the middle.

McBroom capped the night with his touchdown run in the fourth. McManus punted from the Lion 17 and almost straight up and the ball hit on about the 30 and starting bouncing back toward the Lion goal. While the Lions stood and watched it, McBroom grabbed a high bounce at the 23 and legged it into the end zone for the final TD.

Covington made good on one of three attempted conversions.

Fumbles were frequent in the game. The Rebels lost five of them and the Lions three. The field, in contrast to last year's 0-0 tie in West Monroe, was dry.

A blocked punt by Young and Green set up the first Rebel touchdown in the initial period. Via was booting from hsi 44 a got a very high pass from center. Young and Green were on him before he could get the boot away and the ball was deflected out of bounds on the Lion 36.

Harrel rambled for 20, then lost one. Charley Van Zile got one and Harrel five. Jim Van Zile then caught Hooter in the clear and hit him with an 11 - yard touchdown pass. Covington's kick hit a sidebar and it was 6-0 with 5:42 left in the first.

Doerner fell on McManus' fumble on the Ouachita 38 early in the second to start the winners toward touchdown No. 2. Harrel was downed by Norman Staley for minus six but Jim Van Zile hit brother Charley with a 17-yard pass to put the ball on the 27. Doerner went for 12 and then Covington threaded his way up the middle for 15 yards and six points. His kick was good. The score was 13-0 with 8:50 left in the half.

The Rebels scored again in the third when Charley Van Zile sped eight yards around end but the play was called back on an illegal procedure penalty. The rap set the Rebels back to the 13. Harrel went to the 12 but Fred Newton fumbled on the next play and Johnny Roach recovered to end the threat.

West Monroe drove to the 19 early in the fourth before two incomplete passes stalled the march but scored anyway on the freak punt return by McBroom, who is probably demanding a backfield berth by now. McBroom hit a punt receiver, picked up his fumble and ran 40 yards for a TD against Bastrop last week.

The field scoreboard never did register McBroom's TD but, 13-0 or 19-0, the Lions lost.

The only Lion threat of any consequence came late in the first half when they marched to the Rebel 11. Ouachita had punted from their 15 and a West Monroe player brushed the ball on the Lion 48 and Ouachita recovered. Thanks to a 17 - yard James Cromwell to McManus pass and a 10 - yard run by Cromwell, the Lions went to the 19 but Cromwell lost 12 yards in two plays trying to pass.

Dennis Warner came in a toss 20 yards to Staley but the play missed a first down at the 11 by inches. West Monroe took over and ran out the clock.

The Lions got good defensive play from Roach, Staley, Bill Matkins and Johnny Butler but not enough.

WISNER VICTORIOUS

WISNER, La. (Special) —Wisner's Bulldogs gave a homecoming crowd what it turned out to see here Friday night by coming from behind to upset the Mangham Purple Dragons, 12-6.

D. D. Smith crashed through the middle of the Mangham line in the fourth period from one yard out to score the winning touchdown.

This came after Mangham jumped out in front with a first quarter 6-0 lead on Donny Adams' two - yard touchdown run.

Sonny Bondurant tied it up for Wisner in the third quarter, pounding paydirt from the two.

Wisner ran up 14 first downs to Mangham's 11, grinding out 240 yards on the ground to Mangham's 152. The Bulldogs got 30 yards passing to Mangham's 36.

The Dragons scored after recovering a Wisner fumble on the Bulldogs' 30. Three plays later Adams scored after the touchdown was set up by Harvey Mercer and Glen Stampier.

In the third period, the Bulldogs took the kickoff on their own 10 and marched downfield for the touchdown. Bondurant hit paydirt in the second period also, but the play was called back on a clipping penalty.

WINNFIELD RAPS J-H

WINNFIELD, La. (Special) — Winnfield rapped Jonesboro, 20-7, in a battle of fullbacks here last night.

The game was wide open all the way and was not decided until a fourth period touchdown by Winnfield in the final minutes.

Winnfield halfback Gerald Bryant capped a 56 - yard drive with a two - yard plunge in the first period and Carroll Long converted.

But Jonesboro's booming fullback, Ronnie Carson, powered an 80 - yard touchdown drive late in the second quarter and plunged over from the one to score.

Right end Ladell Farley hauled in quarterback Benny Phillips' pass for the PAT to knot the score 7 - all at halftime.

The Winnfield's Quarterback Benny Cannerday began opening things up in the third period, bulled his way through five tacklers from the 49 and powered 51 yards to score. Long's kick was blocked.

In the fourth period David Adams blocked a Jonesboro punt on their 26 - yard line and three plays later Cannerday powered ten yards to score again.

After two penalties with Long kicking, Cannerday carried over for the point after to make it 20-7.

With two minutes and six seconds left in the ball game, Winnfield Quarterback Don Nicklas intercepted a pass on the Jonesboro 29 but the clock ran out with Winnfield on the two.

LASALLE TOPS FERRIDAY

FERRIDAY, La. (Special) — The LaSalle High Tigers of Olla socked the Ferriday Bulldogs, 33-7, here last night with Duffy Wall providing the unusual as he stole the ball once for a touchdown and scooped up a fumble on another occasion for a second TD.

After Alvis Randall went 27 yards for the first LaSalle TD in the opening quarter, Wall stole the ball out of a Ferriday boy's hands and scooted 42 yards to score. Then in the third quarter, Wall grabbed up a fumble and went 57 yards for his second TD.

Robert Coleman went 41 yards for a third quarter LaSalle touchdown, and Don Arnold scooted six yards through the middle for another in the final period. Randall added two extra points running, and Coleman passed to Billy Masters for the conversion after Wall's first score.

Dennis Jones took a 17 - yard pass from Ray McCullum for Ferriday's only TD in the second quarter. Charles Beetz ran the point.

Ferriday, with 15 first downs, rushed for 212 yards and completed three of nine passes for 40 yards. LaSalle, with nine firsts, rushed for 184 and connected on five of nine passes for 93 yards.

BERNICE, 19-7

BERNICE, La. (Special)—Bernice topped Arkansas neighbor Junction City, 19-7, here last night.

Freddy Dawson dashed 30 yards in the first period for the initial Bernice TD and Morris Reeves ran the PAT.

Junction City tied the game in the second when Bob McKinnon rammed five yards and the extra point.

On the first play of the second half, Reeves sprinted 64-yards to put Bernice ahead to stay. Sammy Johnson ended the scoring with a four - yard TD trip in the fourth.

LA GRANGE, 45-7

LAKE CHARLES La. (AP) — LaGrange threw a halter on Lake Charles scoring ace Danny LeBlanc Friday night and with quarterback Richard Guillory on a passing spree, whipped the Wildcats 40-7 in an important southwest district triple-A game.

Guillory threw three touchdown passes to end C. J. Babin, scored one himself on a one-yard plunge and booted four extra points.

The victory was the seventh of the season against one loss for LaGrange, rated third in this week's Associated Press poll.

7-7 TIE

SULPHUR, La. (AP) — Sulphur rallied for a fourth period touchdown Friday night to tie Bolton 7-7.

The tie might prove injurious to the playoff hopes of both teams as LaGrange remained unbeaten in district 2-AAA play.

Bolton scored midway in the second period, driving 71 yards. Herman Nall hit right tackle for the final 10. Ronnie Sanson kicked the conversion.

Late in the third period Sulphur moved from its 41 and scored in 11 plays with Mike Duhon sneaking one yard for the touchdown. Duhon's conversion tied the score.

WATERPROOF OVER BLOCK

WATERPROOF, La. (Special)— Waterproof's Tigers came from behind here Friday night to edge Block of Jonesville, 20-19, sending the Bruins tumbling to their first defeat of the season.

The Tigers came from behind three times to overtake Block with Jackie Hopkins, the star of the night, going 24 yards in the final stanza for the winning touchdown.

Block took an early 7-0 lead in the first period when Doyle Sikes slipped into the end zone from four yards out. J. S. Fairbanks converted.

But Waterproof jumped right back with a 65 - yard pass play from Larry Moss to John Killman good for the touchdown. Hopkins converted.

The Bears, however, kept pounding for the 3-B victory with Billy Brooks going in from the one in the second period, giving Block a 13-7 halftime lead.

Hopkins was the difference.

He took the opening kickoff in the third period and raced 80 yards for the score. He then ran the conversion and Waterproof led, 14-13.

In the same quarter, Block regained the lead with Fairbanks this time going four yards for the touchdown. The extra point try failed.

This set the stage for Hopkins' winning dash.

It was Waterproof's sixth victory of the season against a lone defeat. Block had won seven consecutive games this season when the Bears entered the game.

WILDCATS IN WONDERLAND

WINNSBORO (Special) — Winnsboro's big, beefy line held on for dear life here Friday night as the Wildcats staved off the come - from - behind Oak Grove Tigers for a 34-33 storybook victory.

It was as though the Wildcats and Tigers were playing in a football wonderland when quarterback Ronnie Myrick crunched into the Wildcat line in a desperate try to tie the score with two minutes to go.

Only seconds before Myrick had skirted two yards for a touchdown, the climax for a fine night of football for him as he steered the Tigers from behind three times to overtake Winnsboro.

This had a homecoming crowd of 2,500 fans on its feet when Myrick attempted to crack through for the point - after. But the Wildcats' forward wall refused to yield instead.

Winnsboro was going along smoothly with a 13-0 margin in the second period on touchdowns by quarterback Joe Henry, 15 yards, and halfback David Elkin, 26 yards.

But Myrick began to unfold the fairytale with a 10 - yard touchdown pass to halfback Jimmy Philley, putting the Tigers within striking distance at halftime.

Halfback George Murphy actually put Oak Grove back into the game in the third period when he broke loose for 38 yards and the touchdown. Myrick accounted for the extra point and the game was all tied up, 13-all.

This was merely the beginning of a wild four - touchdown third period.

Elkin, playing his best game of the year, slipped off right tackle minutes later and raced 24 yards for a touchdown. Henry ran the point and Winnsboro was back out front, 20-13.

But came the showdown and again Murphy broke away for a game - tying touchdown, going 60 yards this time. He came back to run the point. The score was 20-20.

Henry then took control of the Winnsboro attack and hit end Hines Davis on a 46 - yard pass play good for a touchdown. Donnie Emfinger's extra point run put Winnsboro in a 27-20 lead.

And again Oak Grove came back to tie it up.

Myrick, from his own 27, got free in the Winnsboro secondary and ripped off 73 yards for a touchdown. Michael Gammill came off the bench to run it over, 27-27.

With the last few minutes of the game ticking away, Elkin banged off right tackle 21 yards for the touchdown. He ran it over and Winnsboro led, 34-27.

Then came Myrick's touchdown and the storybook finish.

Actually, Oak Grove rolled up more yardage than Winnsboro, getting 339 to the Wildcats' 231. Oak Grove had 14 first downs to Winnsboro's 11.

The victory was the Wildcats' third in 2-A conference play, 3 now in the league and 5-2-1 for the season. The Tigers have a 1-5 record in the conference, 2-5 for the season.

RUSTON ROCKS JENA

RUSTON, La. (Special) —Paul Richardson rambled for three touchdowns and Ronnie Graham collected two as the Ruston Bearcats celebrated homecoming by whipping the Jena Giants, 35-13, here last night.

Graham scored first on a two-yard plunge, and got the last from the two also.

In between, Richardson scored on runs of 65 and 40 yards and scooped up a fumble and ran 30 yards for another.

Jerry Hood had a perfect night at the point - kicking line, booting the conversion behind every Ruston TD.

Jena took the air route for both its touchdowns. Gerald Ganey passed to James Creed for the first, and shot another to Glen Pool for 13 and No. 2. Pool kicked the point behind his own TD.

Loyce Garrett, daughter of "Hoss" Garrett, the vetrean Ruston coach, was homecoming queen and was crowned by her father.

Ruston led in first downs, 10-9. Ruston's offense netted 290 yards against 243 for Jena. The Bearcats got nothing passing, the Giants completed four - of - four.

ISTROUMA, 32-6

BATON ROUGE (AP)—Catholic scored first, but Istrouma more often Friday night for a 32-6 southeast district triple-A football victory.

Melvin Hooper's one-yard plunge sent Istrouma ahead in the second period and the Indians went on a 25-point spree in the final quarter for their fourth victory in seven starts.

TERREBONNE, 20-14

HOUMA, La. (AP) — Fullback Doug Maier supplied the punch as usual for Terrebonne Friday night as the Tigers bounced back with a fourth quarter touchdown to trim Bogalusa 20-14 in a southeast district triple-A football game.

Maier scored two touchdowns with his four-yard smash in the final period deciding the issue.

MANSFIELD, 12-0

SHREVEPORT, La. (AP) — Class A Mansfield mounted two scoring drives and held triple-A Woodlawn well in check Friday night for a 12-0 victory.

Halfback Decan Mitchell scored the first touchdown on a one-yard plunge and fullback Charles John a two-yard smash.

The loss was Woodlawn's sixth straight.

EIGHTH LOSS

ABBEVILLE, La. (AP) — Double-A Abbeville celebrated homecoming Friday night by handing triple-A New Iberia its eighth straight loss 32-0.

Halfback Jim Hebert was the big gun for Abbeville with two touchdowns on runs of 13 and 11 yards.

(Continued On Page 10-A)

Carroll Beats Webster, 30-14

Under the direction of Quarterback Michael Howell, the Carroll High Bulldogs unleashed a terrific offensive machine to down Webster High of Minden, 30-14.

Gaining this victory helped the Bulldogs to preserve what is fastly becoming a school tradition of never losing a homecoming game.

Early in the first period, Halfback Anderson Cheffin put Carroll out front on a 46-yard touchdown run. The Bulldogs led at halftime, 16-0.

Webster came back strong after the half, and scored two touchdowns to make the score, 16-14.

Afterwards, Carroll High settled down to work and went on to a 30-14 homecoming victory with Halfback Charles Madison leading the way with three touchdowns.

Willie Spears played a whale of a game on defense for the Bulldogs.

Homecoming Queen

NEW ORLEANS (Special) — Miss Joan Girot of New Orleans will be crowned homecoming queen Saturday night at the Tulane-William and Mary football game.

Gross Sparks Detroit Win

DETROIT (AP)—Jerry Gross launched a one-man air assault that struck down the Quantico Marines and brought Detroit a 28-7 football victory Friday night.

The slender sophomore quarterback, pressed into emergency service two weeks ago when regular Bob Lusky was hurt, accounted for 294 yards and two touchdowns through the air.

The stubborn Marines were in the battle until midway in the final quarter, trailing 14-7. That was when Gross hit Steve Stonebreaker with a 77-yard touchdown pass that got the Titans some working margin.

Neville Barely Gets Past Tallulah For 19th In Row

By JERRY HARKNESS
Staff Writer

TALLULAH, La. — With four minutes, 55 seconds left in the game, Neville halfback Neal Gunn, smashed into the end zone for an extra point that kept Bengal win streak going at 19 games and gained a 13-12 win over Tallulah's mighty band of Trojans here last night in a battle the Tigers were never sure of winning until the final gun had sounded.

The Tigers will continue to defend their win streak and Tallulah will have to start all over after dropping their first game of the season last night, but regardless of how far Bill Ruple's Tigers go in championship play, they will remember the tough, hustling Trojan team that met them at the gate, fought inch for inch, and lost out only by two extra point failures in last night's thriller.

The Tigers have nothing to be ashamed of with a 1 - point over Tallulah because it would take a good team to get that.

Neville got off to a fast start in the first quarter, scoring on the first offensive series of the game.

A drive starting at the 20 following the opening kickoff was highlighted by Gunn and halfback Bill Becton, who picked up 25 yards and 30 yards respectively, and with eight minutes 45 seconds remaining in the quarter. Gunn bulled over from two and one-half yards out but fumbled in the end zone with fullback Ralph Roberts falling on the ball for the score.

An attempted run for the PAT failed and Tallulah began to roll after end Jerry Fairbanks recovered a fumble by Becton at the Tiger 37. The Trojans moved to the 18 where halfback Chapman Lee hit the line on a fourth - and-one play and failed to get the first down.

Tallulah began to shake off the jitters in the second quarter and forced Neville to punt from the Tiger's 16. With the ball on Neville's 35, big fullback Wayne Nolan and company began eating up yardage on a drive that carried to the Neville one, before the Trojans were penalized back to the eight. After a three - yard loss and a fourth down coming up, flashy quarterback Truman Collins threw an 11 - yard desperation pass to Fairbanks who took the ball over his houlder and went over standing up to tie the score at 6-6.

Tiger end Sperry Brown, who might be given credit for the victory, blocked his first of both Tallulah extra point attempts, and the half ended in a deadlock.

Tallulah opened the third quarter playing fired - up football and after halfback Robert Payne punted to his own 44 for Neville the Trojans began to move. Nolan picked up 20 yards to the 24 and Collins gained 18 to the six. Nolan found a hole on second down, but Payne made a temporary save.

On the next play, Nolan bulled over with 4 minutes 35 seconds left in the third quarter and several Tigers hanging on.

And the Trojans had put Neville behind for the first time this year.

Neville's hard - charging end, Sperry Brown, saved the game by blocking his second Tallulah extra point attempt.

Neville didn't like being behind and the Tigers began running plays faster, trying to get back in the game, but Tallulah got even tougher on defense.

In the fourth quarter, Neville's Sperry Brown blocked halfback Leonard Neumann's punt at the Tallulah 40 and Gunn picked up 12 yards to the 28, but the Trojans held at their own 25, and the six point lead began to look bigger and bigger.

With the ball at midfield after a Tallulah punt, late in the game Gunn and Becton got the winning drive going. Gunn got 13 Becton 24 to the Tallulah 13. Gunn plowed to the five where Becton went over left tackle for the score with four minutes 50 seconds left in the game.

Then came Gunn's big extra point to put the Tigers in front and that was it.

Tallulah's Collins had a pass intercepted by Payne at the Trojan 47 and the Tigers, looking for another score, moved to the 16 yard line before losing the ball on downs.

Collins's last second pass was intercepted by Becton at the Trojan 40 - yard line.

PASSING AND RUNNING

West Monroe In Stride To Topple Ouachita, 19-0

By BOB ANDERSON
World Sports Editor

West Monroe gave Ouachita-unscored on for five games before last week-a few lessons in defense and a few more in offense to humble the Lions, 19-0, before a capacity crowd at Ouachita Stadium last night

A club that likes to run, the Rebels exhibited a fine passing attack in the first half along with its customary fast-moving ground game to roll up a 13-0 halftime advantage and Jewel McBroom, a guard who got the taste of touchdown last week against Bastrop and liked it, scored another on a offbeat 23-yard punt return.

West Monroe, which has lost only to Byrd, Neville and La Grange, three teams that have lost a total of one game, throughly dominated play throughout the game in rolling to its fifth victory of the season. Ouachita, after winning five straight, has now lost two in a row.

In district 1-AAA play, West Monroe pushed its record to 2-1 while Ouachita is now 1-2.

The Rebel line, led by McBroom, Togo Green, and Neal Young, permitted the Lions only 59 yards on the ground and only six first downs.

West Monroe racked up 13 first downs, 196 yards on the ground and 61 yards through the air, the passing yards all coming in the initial half.

Halfback Don Harrel and fullback John Covington led the Rebel rushers with over 80 yards apiece. Harrel picked up 86 yards in 18 carries and Covington contributed 83 yards in 12 trips.

Jim Van Zile hit on two of three passes for 28 yards, connecting with end Freddy Hooter for 11 yards and a touchdown in the first stanza.

Jim later caught a 33-year toss from Harrel in the second period.

Covington scored the second touchdown, set up by Billy Doerner's recovery of James McManus' fumble on the Lion 38, with a 15 - yard burst up the middle.

McBroom capped the night with his touchdown run in the fourth. McManus punted from the Lion 17 and almost straight up and the ball hit on about the 30 and starting bouncing back toward the Lion goal. While the Lions stood and watched it, McBroom grabbed a high bounce at the 23 and legged it into the end zone for the final TD.

Covington made good on one of three attempted conversions.

Fumbles were frequent in the game. The Rebels lost five of them and the Lions three. The field, in contrast to last year's 0-0 tie in West Monroe, was dry.

A blocked punt by Young and Green set up the first Rebel touchdown in the initial period. Via was booting from hsi 44 a got a very high pass from center. Young and Green were on him before he could get the boot away and the ball was deflected out of bounds on the Lion 36.

Harrel rambled for 20, then lost one. Charley Van Zile got one and Harrel five. Jim Van Zile then caught Hooter in the clear and hit him with an 11 - yard touchdown pass. Covington's kick hit a sidebar and it was 6-0 with 5:42 left in the first.

Doerner fell on McManus' fumble on the Ouachita 38 early in the second to start the winners toward touchdown No. 2. Harrel was downed by Norman Staley for minus six but Jim Van Zile hit brother Charley with a 17-yard pass to put the ball on the 27. Doerner went for 12 and then Covington threaded his way up the middle for 15 yards and six points. His kick was good. The score was 13-0 with 8:50 left in the half.

The Rebels scored again in the third when Charley Van Zile sped eight yards around end but the play was called back on an illegal procedure penalty. The rap set the Rebels back to the 13. Harrel went to the 12 but Fred Newton fumbled on the next play and Johnny Roach recovered to end the threat.

West Monroe drove to the 19 early in the fourth before two incomplete passes stalled the march but scored anyway on the freak punt return by McBroom, who is probably demanding a backfield berth by now. McBroom hit a punt receiver, picked up his fumble and ran 40 yards for a TD against Bastrop last week.

The field scoreboard never did register McBroom's TD but, 13-0 or 19-0, the Lions lost.

The only Lion threat of any consequence came late in the first half when they marched to the Rebel 11. Ouachita had punted from their 15 and a West Monroe player brushed the ball on the Lion 48 and Ouachita recovered. Thanks to a 17 - yard James Cromwell to McManus pass and a 10 - yard run by Cromwell, the Lions went to the 19 but Cromwell lost 12 yards in two plays trying to pass.

Dennis Warner came in a toss 20 yards to Staley but the play missed a first down at the 11 by inches. West Monroe took over and ran out the clock.

The Lions got good defensive play from Roach, Staley, Bill Matkins and Johnny Butler but not enough.

WISNER VICTORIOUS

WISNER, La. (Special) —Wisner's Bulldogs gave a homecoming crowd what it turned out to see here Friday night by coming from behind to upset the Mangham Purple Dragons, 12-6.

D. D. Smith crashed through the middle of the Mangham line in the fourth period from one yard out to score the winning touchdown.

This came after Mangham jumped out in front with a first quarter 6-0 lead on Donny Adams' two - yard touchdown run.

Sonny Bondurant tied it up for Wisner in the third quarter, pounding paydirt from the two.

Wisner ran up 14 first downs to Mangham's 11, grinding out 240 yards on the ground to Mangham's 152. The Bulldogs got 30 yards passing to Mangham's 36.

The Dragons scored after recovering a Wisner fumble on the Bulldogs' 30. Three plays later Adams scored after the touchdown was set up by Harvey Mercer and Glen Stampier.

In the third period, the Bulldogs took the kickoff on their own 10 and marched downfield for the touchdown. Bondurant hit paydirt in the second period also, but the play was called back on a clipping penalty.

WINNFIELD RAPS J-H

WINNFIELD, La. (Special) — Winnfield rapped Jonesboro, 20-7, in a battle of fullbacks here last night.

The game was wide open all the way and was not decided until a fourth period touchdown by Winnfield in the final minutes.

Winnfield halfback Gerald Bryant capped a 56 - yard drive with a two - yard plunge in the first period and Carroll Long converted.

But Jonesboro's booming fullback, Ronnie Carson, powered an 80 - yard touchdown drive late in the second quarter and plunged over from the one to score.

Right end Ladell Farley hauled in quarterback Benny Phillips' pass for the PAT to knot the score 7 - all at halftime.

The Winnfield's Quarterback Benny Cannerday began opening things up in the third period, bulled his way through five tacklers from the 49 and powered 51 yards to score. Long's kick was blocked.

In the fourth period David Adams blocked a Jonesboro punt on their 26 - yard line and three plays later Cannerday powered ten yards to score again.

After two penalties with Long kicking, Cannerday carried over for the point after to make it 20-7.

With two minutes and six seconds left in the ball game, Winnfield Quarterback Don Nicklas intercepted a pass on the Jonesboro 29 but the clock ran out with Winnfield on the two.

LASALLE TOPS FERRIDAY

FERRIDAY, La. (Special) — The LaSalle High Tigers of Olla socked the Ferriday Bulldogs, 33-7, here last night with Duffy Wall providing the unusual as he stole the ball once for a touchdown and scooped up a fumble on another occasion for a second TD.

After Alvis Randall went 27 yards for the first LaSalle TD in the opening quarter, Wall stole the ball out of a Ferriday boy's hands and scooted 42 yards to score. Then in the third quarter, Wall grabbed up a fumble and went 57 yards for his second TD.

Robert Coleman went 41 yards for a third quarter LaSalle touchdown, and Don Arnold scooted six yards through the middle for another in the final period. Randall added two extra points running, and Coleman passed to Billy Masters for the conversion after Wall's first score.

Dennis Jones took a 17 - yard pass from Ray McCullum for Ferriday's only TD in the second quarter. Charles Beetz ran the point.

Ferriday, with 15 first downs, rushed for 212 yards and completed three of nine passes for 40 yards. LaSalle, with nine firsts, rushed for 184 and connected on five of nine passes for 93 yards.

BERNICE, 19-7

BERNICE, La. (Special)—Bernice topped Arkansas neighbor Junction City, 19-7, here last night.

Freddy Dawson dashed 30 yards in the first period for the initial Bernice TD and Morris Reeves ran the PAT.

Junction City tied the game in the second when Bob McKinnon rammed five yards and the extra point.

On the first play of the second half, Reeves sprinted 64-yards to put Bernice ahead to stay. Sammy Johnson ended the scoring with a four - yard TD trip in the fourth.

LA GRANGE, 45-7

LAKE CHARLES La. (AP) — LaGrange threw a halter on Lake Charles scoring ace Danny LeBlanc Friday night and with quarterback Richard Guillory on a passing spree, whipped the Wildcats 40-7 in an important southwest district triple-A game.

Guillory threw three touchdown passes to end C. J. Babin, scored one himself on a one-yard plunge and booted four extra points.

The victory was the seventh of the season against one loss for LaGrange, rated third in this week's Associated Press poll.

7-7 TIE

SULPHUR, La. (AP) — Sulphur rallied for a fourth period touchdown Friday night to tie Bolton 7-7.

The tie might prove injurious to the playoff hopes of both teams as LaGrange remained unbeaten in district 2-AAA play.

Bolton scored midway in the second period, driving 71 yards. Herman Nall hit right tackle for the final 10. Ronnie Sanson kicked the conversion.

Late in the third period Sulphur moved from its 41 and scored in 11 plays with Mike Duhon sneaking one yard for the touchdown. Duhon's conversion tied the score.

WATERPROOF OVER BLOCK

WATERPROOF, La. (Special)—Waterproof's Tigers came from behind here Friday night to edge Block of Jonesville, 20-19, sending the Bruins tumbling to their first defeat of the season.

The Tigers came from behind three times to overtake Block with Jackie Hopkins, the star of the night, going 24 yards in the final stanza for the winning touchdown.

Block took an early 7-0 lead in the first period when Doyle Sikes slipped into the end zone from four yards out. J. S. Fairbanks converted.

But Waterproof jumped right back with a 65 - yard pass play from Larry Moss to John Killman good for the touchdown. Hopkins converted.

The Bears, however, kept pounding for the 3-B victory with Billy Brooks going in from the one in the second period, giving Block a 13-7 halftime lead.

Hopkins was the difference.

He took the opening kickoff in the third period and raced 80 yards for the score. He then ran the conversion and Waterproof led, 14-13.

In the same quarter, Block regained the lead with Fairbanks this time going four yards for the touchdown. The extra point try failed.

This set the stage for Hopkins' winning dash.

It was Waterproof's sixth victory of the season against a lone defeat. Block had won seven consecutive games this season when the Bears entered the game.

WILDCATS IN WONDERLAND

WINNSBORO (Special) — Winnsboro's big, beefy line held on for dear life here Friday night as the Wildcats staved off the come - from - behind Oak Grove Tigers for a 34-33 storybook victory.

It was as though the Wildcats and Tigers were playing in a football wonderland when quarterback Ronnie Myrick crunched into the Wildcat line in a desperate try to tie the score with two minutes to go.

Only seconds before Myrick had skirted two yards for a touchdown, the climax for a fine night of football for him as he steered the Tigers from behind three times to overtake Winnsboro.

This had a homecoming crowd of 2,500 fans on its feet when Myrick attempted to crack through for the point - after. But the Wildcats' forward wall refused to yield instead.

Winnsboro was going along smoothly with a 13-0 margin in the second period on touchdowns by quarterback Joe Henry, 15 yards, and halfback David Elkin, 26 yards.

But Myrick began to unfold the fairytale with a 10 - yard touchdown pass to halfback Jimmy Philley, putting the Tigers within striking distance at halftime.

Halfback George Murphy actually put Oak Grove back into the game in the third period when he broke loose for 38 yards and the touchdown. Myrick accounted for the extra point and the game was all tied up, 13-all.

This was merely the beginning of a wild four - touchdown third period.

Elkin, playing his best game of the year, slipped off right tackle minutes later and raced 24 yards for a touchdown. Henry ran the point and Winnsboro was back out front, 20-13.

But came the showdown and again Murphy broke away for a game - tying touchdown, going 60 yards this time. He came back to run the point. The score was 20-20.

Henry then took control of the Winnsboro attack and hit end Hines Davis on a 46 - yard pass play good for a touchdown. Donnie Emfinger's extra point run put Winnsboro in a 27-20 lead.

And again Oak Grove came back to tie it up.

Myrick, from his own 27, got free in the Winnsboro secondary and ripped off 73 yards for a touchdown. Michael Gammill came off the bench to run it over, 27-27.

With the last few minutes of the game ticking away, Elkin banged off right tackle 21 yards for the touchdown. He ran it over and Winnsboro led, 34-27.

Then came Myrick's touchdown and the storybook finish.

Actually, Oak Grove rolled up more yardage than Winnsboro, getting 339 to the Wildcats' 231. Oak Grove had 14 first downs to Winnsboro's 11.

The victory was the Wildcats' third in 2-A conference play, 3 now in the league and 5-2-1 for the season. The Tigers have a 1-5 record in the conference, 2-5 for the season.

RUSTON ROCKS JENA

RUSTON, La. (Special) —Paul Richardson rambled for three touchdowns and Ronnie Graham collected two as the Ruston Bearcats celebrated homecoming by whipping the Jena Giants, 35-13, here last night.

Graham scored first on a two-yard plunge, and got the last from the two also.

In between, Richardson scored on runs of 65 and 40 yards and scooped up a fumble and ran 30 yards for another.

Jerry Hood had a perfect night at the point - kicking line, booting the conversion behind every Ruston TD.

Jena took the air route for both its touchdowns. Gerald Ganey passed to James Creed for the first, and shot another to Glen Pool for 13 and No. 2. Pool kicked the point behind his own TD.

Loyce Garrett, daughter of "Hoss" Garrett, the vetrean Ruston coach, was homecoming queen and was crowned by her father.

Ruston led in first downs, 10-9. Ruston's offense netted 290 yards against 243 for Jena. The Bearcats got nothing passing, the Giants completed four - of - four.

ISTROUMA, 32-6

BATON ROUGE (AP)—Catholic scored first, but Istrouma more often Friday night for a 32-6 southeast district triple-A football victory.

Melvin Hooper's one-yard plunge sent Istrouma ahead in the second period and the Indians went on a 25-point spree in the final quarter for their fourth victory in seven starts.

TERREBONNE, 20-14

HOUMA, La. (AP) — Fullback Doug Maier supplied the punch as usual for Terrebonne Friday night as the Tigers bounced back with a fourth quarter touchdown to trim Bogalusa 20-14 in a southeast district triple-A football game.

Maier scored two touchdowns with his four-yard smash in the final period deciding the issue.

MANSFIELD, 12-0

SHREVEPORT, La. (AP) — Class A Mansfield mounted two scoring drives and held triple-A Woodlawn well in check Friday night for a 12-0 victory.

Halfback Decan Mitchell scored the first touchdown on a one-yard plunge and fullback Charles John a two-yard smash.

The loss was Woodlawn's sixth straight.

EIGHTH LOSS

ABBEVILLE, La. (AP) — Double-A Abbeville celebrated homecoming Friday night by handing triple-A New Iberia its eighth straight loss 32-0.

Halfback Jim Hebert was the big gun for Abbeville with two touchdowns on runs of 13 and 11 yards.

Gross Sparks Detroit Win

DETROIT (AP)—Jerry Gross launched a one-man air assault that struck down the Quantico Marines and brought Detroit a 28-7 football victory Friday night.

The slender sophomore quarterback, pressed into emergency service two weeks ago when regular Bob Lusky was hurt, accounted for 294 yards and two touchdowns through the air.

The stubborn Marines were in the battle until midway in the final quarter, trailing 14-7. That was when Gross hit Steve Stonebreaker with a 77-yard touchdown pass that got the Titans some working margin.

Carroll Beats Webster, 30-14

Under the direction of Quarterback Michael Howell, the Carroll High Bulldogs unleashed a terrific offensive machine to down Webster High of Minden, 30-14.

Gaining this victory helped the Bulldogs to preserve what is fastly becoming a school tradition of never losing a homecoming game.

Early in the first period, Halfback Anderson Cheffin put Carroll out front on a 46-yard touchdown run. The Bulldogs led at halftime, 16-0.

Webster came back strong after the half, and scored two touchdowns to make the score, 16-14.

Afterwards, Carroll High settled down to work and went on to a 30-14 homecoming victory with Halfback Charles Madison leading the way with three touchdowns.

Willie Spears played a whale of a game on defense for the Bulldogs.

Homecoming Queen

NEW ORLEANS (Special) — Miss Joan Girot of New Orleans will be crowned homecoming queen Saturday night at the Tulane-William and Mary football game.

Ardon Missing

NEW ORLEANS (Special) — Tulane basketball coach Cliff Wells may have that "down in the mouth" look this week because star center Jack Ardon is missing from the practice scene.

Jackie Cupit Shatters Par With 65 To Lead Twin City

Professional status hasn't changed Jackie Cupit a bit.

The Galveston, Texas, golfer, who won the Cotton States Invitational here this summer as an amateur, shot a blazing seven-under-par 65 to grab the first-round lead in the Twin City Open, his first tournament as a pro, at Highland Park Country Club yesterday.

In the process of taking the lead over a herd of par - busters, Cupit came within a stroke of matching the nine-hole course record of 29 set by older brother Buster, former pro at the West Monroe links. Jackie Cupit, after going the first nine in 35, came back with a 30 on the second.

Sixteen professionals and three amateurs bettered the course's 72 par in a brilliant display. Five pros matched par.

Freddie Haas of New Orleans came in one stroke back of Cupit with a 66 and Eddie Merrias, the former LSU player now living in Long Island, N.Y., and Buster Cupit, Fort Smith, Ark., had 67's.

Three players were tied with 68's, Miller Barber of El Dorado, Vernon Thwaites of Covington and Tommy Atchison of Monroe, while Jackie Maness of Tuscaloosa, Ala., Johnny Myers of Minneapolis, Gene Fraze of Pine Bluff, Ark., and Jackie Doss of Monroe had 69's.

The other pro par busters were Jessy Stohland of Lake Charles, Johnny Cook of Mineapolis and Bob Ledbetter of Monroe, all with 70's, and Herb Mareussen of Chattanooga and John Langford of Enid, Okla., with 71's.

Top amateur was Sonny Methvin, the LSU golfer from Little Rock who came in with a 70. Monroe's Clyde Nash and Lark Hemler, an Alto resident who plays at Highland, had 71's.

Jackie Cupit, former University of Houston golfer, also has won the Lake Charles Invitatioal this year. He led a big contingent of Cupits in the tourney. Besides Jackie and Buster, other clan members in the meet included Bobby, David and Maxie.

Last year's runnerup, Monte Bradley of Hillsboro, Tex., matched par with five other pros to share 17th place. Defending champion Davis Love is not competing this year.

DELHI 33, FARMERVILLE 0

DELHI, La. (Special) — Delhi's Black Bears made it six straight wins by defeating Farmerville's Farmers, 33-0, here Friday night. Delhi racked up two touchdowns in the first quarter, both by Milton Ringle, on runs of 10 and 43 yards.

Bobby McKay kicked both extra points and Delhi led at the end of the first quarter, 14-0.

Delhi received a punt at the beginning of the second quarter and in six plays Milton Ringle plunged five yards for his third touchdown of the night.

McKay's kick was good, but Delhi was penalized 15 yards for holding. Joe Bob Wilson threw a pass to Gregory Yarbrough who made a spectacular catch for the point after.

At the beginning of the second half, Farmerville received the kickoff but was forced to punt to the Delhi 7. In six plays Delhi had another score. McKay skirting end for 11 yards, made the TD.

Again Farmerville was forced to kick, and on a bad punt, Delhi took over on the Farmerville 28. Delhi moved the ball to the five as the third quarter ended.

On the first play of the fourth quarter, Johnny Hopper drove five yards up the middle for Delhi's fifth touchdown.

Farmerville took to the air but Gayle Wren, Delhi center, broke it up with an interception on the Farmerville 40 and returned to Farmerville 35. Delhi's second and third team moved the ball to the Farmerville 4, only to fumble to Farmerville. The Bears held Farmerville and forced them to kick out to their own ten. Again the subs moved it to the Farmerville 6 and fumbled. The game ended with Farmerville intercepting a Delhi pass on their own three.

Stubborn line play by Gregory Yarbrough, Joe Woodard, Gayle Wren and Earl Walker highlighted the contest as Delhi showed some of their early season spark to keep Farmerville constantly at bay and Farmerville failed to make a single first down.

BASTROP 32, RAYVILLE 0

RAYVILLE, La. (Special) —It was strictly "up the middle" football for the battering Bastrop Rams as they finally won their first game of the season by blasting the Rayville Hornets, 32-0, here last night.

Rayville never threatened and couldn't spike the steady driving of the Rams.

Quarterback Charles Magee counted Bastrop's first three touchdowns, one from three yards out in the first quarter and two in the second period from the two and the three.

Halfback Randy Johnston cracked the middle from the one for a third quarter touchdown, and halfback James Chunn plunged over from the three in the final quarter.

Charlie McGough ran for a point behind Magee's first touchdown, and Edward Worley kicked the conversion after Johnston's tally.

The win gives the triple - A Rams a 1-5-1 record for the season. The Class A Hornets are 3-5-0.

VIKINGS DROP WARRIORS

ST. JOSEPH, La. (Special) — The Vidalia Vikings scored in all four periods here Friday night to trounce the Davidson Warriors of St. Joseph, 39-0.

It was Vidalia's sixth victory of the season, three in 2-B conference play. The Vikings now have a 6-2 record for the season, 3-1 in league play.

Jim Stringer heaved a 20-yard pass to George Franklin in the first period and Franklin went 40 yards for the opening touchdown. Franklin ran the exta point.

In the second quarter, Franklin went in from the five and minutes later Carl Hinson scored again for Vidalia, also from the five.

Vidalia kept pounding in the second period and Hinson threw a pass to Mike Poole on a play that covered 30 yards and spelled touchdown. Franklin converted.

The Vikings scored once in the third period on a three - yard dash by Skipper Van Pelt.

Then, in the final stanza, Hinson threw a mighty 40 - yard pass to Poole, who hauled it in and raced 40 more yards for the touchdown. Franklin converted.

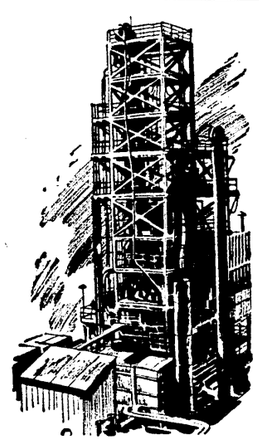

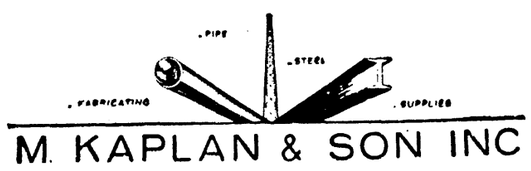

It was Davidson's fourth loss in league play against a lone win. The Warriors now are 3-4 for the season.

ALOYSIUS REBOUNDS

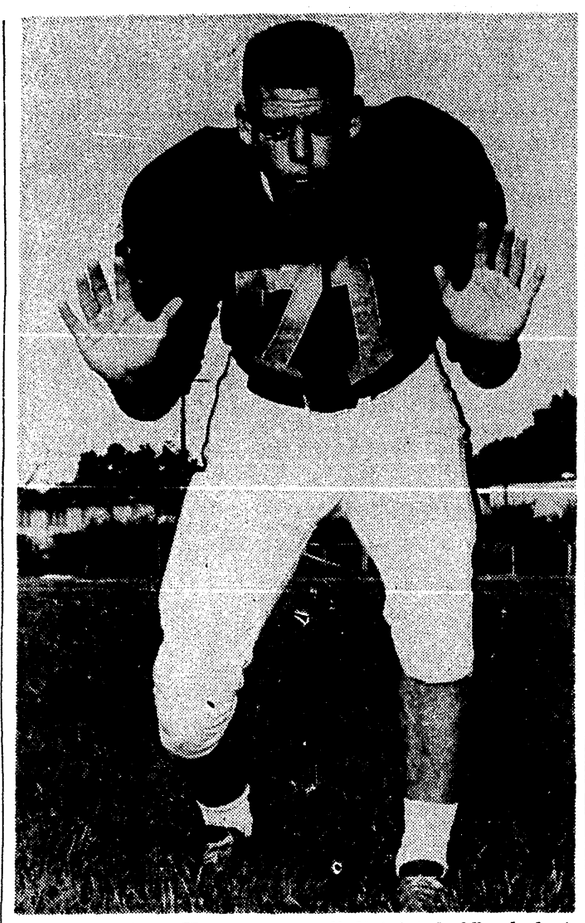

NEW ORLEANS (AP) — St. Aloysius bounced back from its one defeat this season to nip New Orleans Catholic league rival Redemptorist 7-0 Friday night.

The Crusaders, whose only loss in eight games came from powerful Jesuit last week, took the decision when quarterback Bobby Burns scored on a two-yard sneak in the first quarter. August Balser booted the conversion.

COLLEGE ROUNDUP

Unbeaten Teams Favored Today

By GARY KALE
United Press International

Mississippi, Missouri, Baylor and Yale, four of the nation's eight major colleges with perfect records, are favored to keep their strings intact in conference football clashes Saturday.

Iowa, Syracuse, Minnestoa and Navy, the remaining "untouchables" so far this season, are equally dominant choices in intersectional contests.

Boston College, with only a tie to show for five games met Miami of Florida (2-2) and Denver (2-4) faced New Mexico (1-5) in Friday's feature contests.

The Rebels of Mississippi, still searing from two regular-season losses to L.S.U., are quoted as 15½-point picks over the Tigers in a Southeastern League tilt.

L.S.U., with Billy Cannon graduated to the pro ranks, has lost four in a row.

Missouri, which leads the nation in rushing defense and has the second best major scoring average in the country, is a two-touchdown choice over weak sister Nebraska in a Big Eight game.

Baylor rates a six-point margin over Texas Christian in the Southwestern Conference. The Bears have won five in a row, a far cry from the 4-6 record of last season. T.C.U., with two wins and two ties in six games, points for the psychological effect of not having lost to Baylor since 1954.

Yale, matching its 1959 pace when the Elis won their first five games, hooks up with Dartmouth in an Ivy League encounter.

Iowa, the team ranked first nationally by the United Press International Board of Coaches, is a 12½ point choice to top Kansas. The two last met in 1909 and Kansas enters the series renewal with a record of three straight victories turned in a half century ago.

Syracuse, ranked with Navy as the east's most highly rated powers, is set to make Pittsburgh its 17th straight victim. The defending national champions have beaten Pitt three years running and are 10 - point favorites to make it four.

Navy has powerful Joe Bellino in action against Notre Dame as the Middies seek their first perfect season. The Irish have lost four straight since their opening game win against California.

Minnesota is another team displaying a complete reversal of form this year. The Gophers were 2-7 in 1959, but now have won all five games played and their supremacy over Kansas States is so great that odds-makers refused to quote a point-spread on the contest.

In a nationally-televised game, Ohio State and Michigan State jockey for a contending position in the Big Ten. Each has lost one legue game. The Spartans of M.S.U. are 1½ point choice in this one.

Ortega Meets Thompson In Welter Bout

NEW YORK (AP) — For the sake of a $6,000 purse, Argentina's Federico Thompson will risk his long sought shot at the welterweight title Saturday night when he meets streaking Gaspar Ortega of Mexico.

They will clash in a television (ABC-TV 9 p.m., EST) ten-rounder at Madison Square Garden.

Thompson, a 32-year-old veteran of 100-plus fights, is all set to meet welterweight king Benny (Kid) Paret of Cuba in a title tilt at the Garden, Dec. 10. A decisive defeat at the hands of the aggressive Mexican Saturday night could cost Thompson the title fight.

"I'm not werried," said the confident Argentine. "I'll beat Ortega, and then I'll take care of Paret."

He's a 2-1 favorite.

Thompson took the Ortega fight for two reasons—money and a chance to sharpen up for the title fight. Matchmaker Teddy Brenner had offered him the date when Paret was unable to go through the Oct. 15 title fight with Thompson. The Cuban had to have infected tonsils removed.

Brenner gave Thompson his chioce of several opponents including Ortega and Federico picked the Mexican.

"He always puts up a good fight and that's what I need," said Thompson.

"I'm glad he picked me," said Ortega. "Now I beat him. He's getting kind of old, and I'll put the pressure on him."

Ortega is 25. He's been a busy fighter. This year he's had eight fights. He's won seven, including his last six. His fight with Thompson will be his 24th on national television within the last four years.

Ortega's record is 58-18-2 including 22 knockouts. He never has been stopped. Thompson's record is listed in the book as 97-8-8 including 52 knockouts. He estimates, however, that he has had more than 160 fights with only 11 losses and 7 or 8 draws. He has an unbeaten streak of 26.

On style the two, tall (each is 5-10) welters should put on a good show. Ortega comes after an opponent and Thompson likes that fine.

Conlin's Last Shot Enough For Warriors

PHILADELPHIA (AP) — Ed Conlin's field goal at the buzzer Friday night gave the Philadelphia Warriors a 122-120 victory over Los Angeles in their National Basketball Association home opener before 8,277.

It was the 13th time in 15 seasons the Warriors have started at home with a victory.

Conlin, onetime Fordham star, joined the Warriors only two weeks ago in a trade that sent Ernie Beck and Woodie Saulsberry to St. Louis. His basket, giving him 10 points for the game, came on a 30-foot set.

The Warriors led most of the way, spurting to a 44-36 advantage in the second quarter on 10 straight points in 2:10. Guy Rodgers, who tallied 16, had six in the spree. Philadelphia led by 13 in the third quarter and had an 11-point lead 98-87 early in the fourth.

However, the Lakers, losing their fourth in five starts, began to come back when Paul Arizin fouled out with 8:17 to go. Led by Rod Hundley, a 20-point producer, Los Angeles cut the advantage to three points with 2:50 to go and pulled into a tie when Hundley sank a foul with 1:08 left.

Wilt Chamberlain, who paced the scorers with 29 points, then hit a two-pointer. But Los Angeles' Elgin Baylor, who had 28 points, Wilt's goal to set up Conlin's dramatic basket.

Pitt Seeks To End Syracuse Win Streak

SYRACUSE, N.Y. (AP)—Syracuse will be shooting for its 17th straight victory Saturday against a rugged Pittsburgh team which could be its toughest hurdle enroute to another unbeaten season and bowl bid.

Syracuse still must face Army, Colgate and Miami later in the season, but Pitt looms as a threat despite its two defeats and two ties. Pitt lost by one point to UCLA and Oklahoma, tied Michigan State and Texas Christian and beat Miami and West Virginia in a back-breaking schedule.

It is no secret that Syracuse, the No. 1 team of 1959, had to survive fierce battles to top Kansas, Holy Cross and Penn State. Only the Boston University and West Virginia games were romps. As a result the Orange were rated No. 3 in the latest Associated Press poll.

Coach Ben Schartzwalder shook up his club before last week's game with West Virginia but has restored Art Baker to his No. 1 fullback job for Pitt. He will team with halfbacks Ernie Davis and Mark Weber and quarterback Dave Sarette.

Davis, of course, is the outstanding back on the club with a total of 599 yards gained, 489 by rushing and 110 by pass catching. The 6-2 junior from Elmira, N.Y. has averaged 8.1 yards per carry and 15.8 for each pass caught. He is sixth in the nation in rushing.

Pitt came up with a sophomore passer in Jim Traficant to go with the C-men — Bob Clemens, Fred Cox and Jim Cunningham. Traficant's passes set up the tying TD with Texas Christian last week in the Fort Worth game that broke up in a free-for-all among the players.

Both teams have fine punters. Cox is second in the nation with a 43.19 yard average and Syracuse's Tom Gilburg is fifth with a 42.4 yard average.

A sellout crowd of over 40,000 will jam Archold Stadium.

Tribe Aims For Second League Win

Northeast's football Indians go south again today, hoping to find a better brand of "Southern hospitality" at Southwestern than they have encountered at McNeese and Southeastern.

The Tribe is given its best chance to pick up another Gulf States Conference victory since Northeast edged Northwestern, 7-6, in Monroe three weeks ago.

Tonight's 8 o'clock game in Lafayette will serve as Southwestern's homecoming, its first as a university, and the Bulldogs hope to duplicate the success the two previous Indian fees, Southeastern and McNeese, enjoyed.

McNeese topped the Tribe, 14-8, and unbeaten Southeastern won by a 26-0 count.

Jim Hoggatt's Bulldogs have a slightly better record than Northeast, standing even at 3-3 for the season against the Indians' 2-4. USL is 1-1 in GSC play and Northeast 1-2.

USL owns victories over Sam Houston, 8-3, Stephen F. Austin, 36-0 and Louisiana Tech, 6-2, in the conference's top upset of the season. The Bulldogs fell to Southeastern, 20-10, to open the season and lost to Arlington and Louisiana College by 13-7 counts the past two weeks.

Southwestern will probably be without the services of its top running back, Steve Gossen, again. The star halfback has been plaged by injuries all season and has run only nine plays. Carlton Falgout has been switched over from his second - string right half position to Gossen's left half spot and may start tonight.

Lynn Hernandez is Southwestern's top ground gainer this fall with 127 yards on 34 carries. Right half Vernon Lott has 113 yards in 35 trips.

Quarterback Danny Bridges is the league's third best in total offense. The accurate passer has gained 433 yards on 32 completions of 62 passes. He has lost 52 yard on running tries for a total offense net of 381.

The Bulldogs have a monster tackle in Royce Whittington, a 277 - pounder who stands 6-1. They also have an accurate place kicker. reserve tackle L. J. Poimboeuf who has kicked six of eight PAT attempts and two of five field goals. Both his field goals were over 30 yards.

Northeast is expected to be in good shape for the game and open with its usual lineup. However, the Tribe offense has been sputtering all season, losing six fumbles last week and having three passes intercepted the Saturday before, and Coach Jack Rowan is liable to shuffle his backfield quickly if things don't go well.

Rowan used all four of the varsity quarterbacks, Don Wattigny, Pete Vincent, Jack Webb and Benny Stubblefield, against Southeastern last week and will probbaly keep alternating until one shows he can move the team consistently.

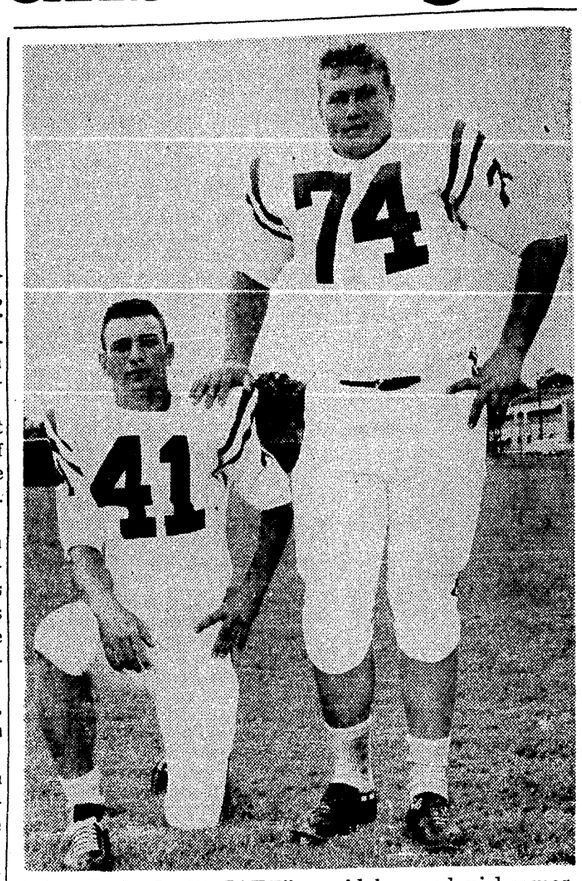

Wattigny has been the starter since the second game of the season and leads the club in total offense with 138 yards passing and 70 rushing.

Halfbacks Ferdy Cruce and Al Ott are the Tribe's best runners and rank among the best in the conference. Cruce is fifth in GSC rushing with 179 yards for a 5.1 average and Ott has 178 yards for a 3.6 average.

PROBABLE STARTERS

Tech Goes After 5th Win Tonight

RUSTON, La. (Special) — Louisiana Tech goes after its fifth victory of the grid campaign here Saturday night against McMurry of Texas, always a good defensive outfit that wages aerial warfare.

The Texans have an unimpressive 2-4 record, but the losses have been inflicted by powers such as Chattanooga, Trinity, and New Mexico State. A fourth straight capacity crowd may see the Bulldogs in action here.

McMurry, like Tech, has been bothered by injuries to top backfield performers. Top ball carrier Joe Baxter, a fullback, and swift halfback George Bridges both missed the last game but may be back in action against Tech Saturday.

Tech has four wins and two losses, the defeats coming at the hands of Arkansas State 7-3, and Southwestern Louisiana, 6-2. The Canines downed Northwestern State, 13-7, last week.

The Techmen could get surprised again if they look ahead of the Saturday night fray to the one coming up here Nov. 5 against Southeastern — possibly the GSC battle of the year.

The Tech club had all hands available for duty last weekend for the first time this season and the physical condition of the squad remains good. Jack Howard, who returned to his left halfback post for the first time since the opener last week and did a good job against NSC, will be starting again.

McMurry and Tech have met twice previously, the Texans winning in Abilene in 1957 and Tech victorious here in 1958. The clubs did not meet last season when Tech had a 9-1 record and McMurry an 8-2 mark.

Jackie Cupit Shatters Par With 65 To Lead Twin City

Professional status hasn't changed Jackie Cupit a bit.

The Galveston, Texas, golfer, who won the Cotton States Invitational here this summer as an amateur, shot a blazing seven-under-par 65 to grab the first-round lead in the Twin City Open, his first tournament as a pro, at Highland Park Country Club yesterday.

In the process of taking the lead over a herd of par - busters, Cupit came within a stroke of matching the nine-hole course record of 29 set by older brother Buster, former pro at the West Monroe links. Jackie Cupit, after going the first nine in 35, came back with a 30 on the second.

Sixteen professionals and three amateurs bettered the course's 72 par in a brilliant display. Five pros matched par.

Freddie Haas of New Orleans came in one stroke back of Cupit with a 66 and Eddie Merrias, the former LSU player now living in Long Island, N.Y., and Buster Cupit, Fort Smith, Ark., had 67's.

Three players were tied with 68's, Miller Barber of El Dorado, Vernon Thwaites of Covington and Tommy Atchison of Monroe, while Jackie Maness of Tuscaloosa, Ala., Johnny Myers of Minneapolis, Gene Fraze of Pine Bluff, Ark., and Jackie Doss of Monroe had 69's.

The other pro par busters were Jessy Stohland of Lake Charles, Johnny Cook of Mineapolis and Bob Ledbetter of Monroe, all with 70's, and Herb Mareussen of Chattanooga and John Langford of Enid, Okla., with 71's.

Top amateur was Sonny Methvin, the LSU golfer from Little Rock who came in with a 70. Monroe's Clyde Nash and Lark Hemler, an Alto resident who plays at Highland, had 71's.

Jackie Cupit, former University of Houston golfer, also has won the Lake Charles Invitatioal this year. He led a big contingent of Cupits in the tourney. Besides Jackie and Buster, other clan members in the meet included Bobby, David and Maxie.

Last year's runnerup, Monte Bradley of Hillsboro, Tex., matched par with five other pros to share 17th place. Defending champion Davis Love is not competing this year.

DELHI 33, FARMERVILLE 0

DELHI, La. (Special) — Delhi's Black Bears made it six straight wins by defeating Farmerville's Farmers, 33-0, here Friday night. Delhi racked up two touchdowns in the first quarter, both by Milton Ringle, on runs of 10 and 43 yards.

Bobby McKay kicked both extra points and Delhi led at the end of the first quarter, 14-0.

Delhi received a punt at the beginning of the second quarter and in six plays Milton Ringle plunged five yards for his third touchdown of the night.

McKay's kick was good, but Delhi was penalized 15 yards for holding. Joe Bob Wilson threw a pass to Gregory Yarbrough who made a spectacular catch for the point after.

At the beginning of the second half, Farmerville received the kickoff but was forced to punt to the Delhi 7. In six plays Delhi had another score. McKay skirting end for 11 yards, made the TD.

Again Farmerville was forced to kick, and on a bad punt, Delhi took over on the Farmerville 28. Delhi moved the ball to the five as the third quarter ended.

On the first play of the fourth quarter, Johnny Hopper drove five yards up the middle for Delhi's fifth touchdown.

Farmerville took to the air but Gayle Wren, Delhi center, broke it up with an interception on the Farmerville 40 and returned to Farmerville 35. Delhi's second and third team moved the ball to the Farmerville 4, only to fumble to Farmerville. The Bears held Farmerville and forced them to kick out to their own ten. Again the subs moved it to the Farmerville 6 and fumbled. The game ended with Farmerville intercepting a Delhi pass on their own three.

Stubborn line play by Gregory Yarbrough, Joe Woodard, Gayle Wren and Earl Walker highlighted the contest as Delhi showed some of their early season spark to keep Farmerville constantly at bay and Farmerville failed to make a single first down.

BASTROP 32, RAYVILLE 0

RAYVILLE, La. (Special) —It was strictly "up the middle" football for the battering Bastrop Rams as they finally won their first game of the season by blasting the Rayville Hornets, 32-0, here last night.

Rayville never threatened and couldn't spike the steady driving of the Rams.

Quarterback Charles Magee counted Bastrop's first three touchdowns, one from three yards out in the first quarter and two in the second period from the two and the three.

Halfback Randy Johnston cracked the middle from the one for a third quarter touchdown, and halfback James Chunn plunged over from the three in the final quarter.

Charlie McGough ran for a point behind Magee's first touchdown, and Edward Worley kicked the conversion after Johnston's tally.

The win gives the triple - A Rams a 1-5-1 record for the season. The Class A Hornets are 3-5-0.

VIKINGS DROP WARRIORS

ST. JOSEPH, La. (Special) — The Vidalia Vikings scored in all four periods here Friday night to trounce the Davidson Warriors of St. Joseph, 39-0.

It was Vidalia's sixth victory of the season, three in 2-B conference play. The Vikings now have a 6-2 record for the season, 3-1 in league play.

Jim Stringer heaved a 20-yard pass to George Franklin in the first period and Franklin went 40 yards for the opening touchdown. Franklin ran the exta point.

In the second quarter, Franklin went in from the five and minutes later Carl Hinson scored again for Vidalia, also from the five.

Vidalia kept pounding in the second period and Hinson threw a pass to Mike Poole on a play that covered 30 yards and spelled touchdown. Franklin converted.

The Vikings scored once in the third period on a three - yard dash by Skipper Van Pelt.

Then, in the final stanza, Hinson threw a mighty 40 - yard pass to Poole, who hauled it in and raced 40 more yards for the touchdown. Franklin converted.

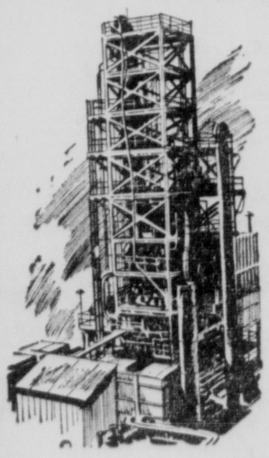

It was Davidson's fourth loss in league play against a lone win. The Warriors now are 3-4 for the season.

ALOYSIUS REBOUNDS

NEW ORLEANS (AP) — St. Aloysius bounced back from its one defeat this season to nip New Orleans Catholic league rival Redemptorist 7-0 Friday night.

The Crusaders, whose only loss in eight games came from powerful Jesuit last week, took the decision when quarterback Bobby Burns scored on a two-yard sneak in the first quarter. August Balser booted the conversion.

Ortega Meets Thompson In Welter Bout

NEW YORK (AP) — For the sake of a $6,000 purse, Argentina's Federico Thompson will risk his long sought shot at the welterweight title Saturday night when he meets streaking Gaspar Ortega of Mexico.

They will clash in a television (ABC-TV 9 p.m., EST) ten-rounder at Madison Square Garden.

Thompson, a 32-year-old veteran of 100-plus fights, is all set to meet welterweight king Benny (Kid) Paret of Cuba in a title tilt at the Garden, Dec. 10. A decisive defeat at the hands of the aggressive Mexican Saturday night could cost Thompson the title fight.

"I'm not worried," said the confident Argentine. "I'll beat Ortega, and then I'll take care of Paret."

He's a 2-1 favorite.

Thompson took the Ortega fight for two reasons—money and a chance to sharpen up for the title fight. Matchmaker Teddy Brenner had offered him the date when Paret was unable to go through the Oct. 15 title fight with Thompson. The Cuban had to have infected tonsils removed.

Brenner gave Thompson his chioce of several opponents including Ortega and Federico picked the Mexican.

"He always puts up a good fight and that's what I need," said Thompson.

"I'm glad he picked me," said Ortega. "Now I beat him. He's getting kind of old, and I'll put the pressure on him."

Ortega is 25. He's been a busy fighter. This year he's had eight fights. He's won seven, including his last six. His fight with Thompson will be his 24th on national television within the last four years.

Ortega's record is 58-18-2 including 22 knockouts. He never has been stopped. Thompson's record is listed in the book as 97-8-8 including 52 knockouts. He estimates, however, that he has had more than 160 fights with only 11 losses and 7 or 8 draws. He has an unbeaten streak of 26.

On style the two, tall (each is 5-10) welters should put on a good show. Ortega comes after an opponent and Thompson likes that fine.

Conlin's Last Shot Enough For Warriors

PHILADELPHIA (AP) — Ed Conlin's field goal at the buzzer Friday night gave the Philadelphia Warriors a 122-120 victory over Los Angeles in their National Basketball Association home opener before 3,277.

It was the 13th time in 15 seasons the Warriors have started at home with a victory.

Conlin, onetime Fordham star, joined the Warriors only two weeks ago in a trade that sent Ernie Beck and Woodie Sauldsberry to St. Louis. His basket, giving him 10 points for the game, came on a 30-foot set.

The Warriors led most of the way, spurting to a 44-36 advantage in the second quarter on 10 straight points in 2:10. Guy Rodgers, who tallied 16, had six in the spree. Philadelphia led by 13 in the third quarter and had an 11-point lead 98-87 early in the fourth.

However, the Lakers, losing their fourth in five starts, began to come back when Paul Arizin fouled out with 8:17 to go. Led by Rod Hundley, a 20-point producer, Los Angeles cut the advantage to three points with 2:50 to go and pulled into a tie when Hundley sank a foul with 1:08 left.

Wilt Chamberlain, who paced the scorers with 29 points, then hit a two-pointer. But Los Angeles' Elgin Baylor, who had 28 points, Wilt's goal to set up Conlin's dramatic basket.

KEN THORNHILL was an all-district halfback last fall at Wisner and Northeast expects great things of the speedy freshman. He has a 25.5-yard average on kickoff returns this fall and is ticketed for duty tonight when the Indians play Southwestern. (Staff photo by John Fogleman)

COLLEGE ROUNDUP

Unbeaten Teams Favored Today

By GARY KALE
United Press International

Mississippi, Missouri, Baylor and Yale, four of the nation's eight major colleges with perfect records, are favored to keep their strings intact in conference football clashes Saturday.

Iowa, Syracuse, Minnestoa and Navy, the remaining "untouchables" so far this season, are equally dominant choices in intersectional contests.

Boston College, with only a tie to show for five games met Miami of Florida (2-2) and Denver (2-4) faced New Mexico (1-5) in Friday's feature contests.

The Rebels of Mississippi, still searing from two regular-season losses to L.S.U., are quoted as 15½-point picks over the Tigers in a Southeastern League tilt.

L.S.U., with Billy Cannon graduated to the pro ranks, has lost four in a row.

Missouri, which leads the nation in rushing defense and has the second best major scoring average in the country, is a two-touchdown choice over weak sister Nebraska in a Big Eight game.

Baylor rates a six-point margin over Texas Christian in the Southwestern Conference. The Bears have won five in a row, a far cry from the 4-6 record of last season. T.C.U., with two wins and two ties in six games, points for the psychological effect of not having lost to Baylor since 1954.

Yale, matching its 1959 pace when the Elis won their first five games, hooks up with Dartmouth in an Ivy League encounter.

Iowa, the team ranked first nationally by the United Press International Board of Coaches, is a 12½ point choice to top Kansas. The two last met in 1909 and Kansas enters the series renewal with a record of three straight victories turned in a half century ago.

Syracuse, ranked with Navy as the east's most highly rated powers, is set to make Pittsburgh its 17th straight victim. The defending national champions have beaten Pitt three years running and are 10 - point favorites to make it four.

Navy has powerful Joe Bellino in action against Notre Dame as the Middies seek their first perfect season. The Irish have lost four straight since their opening game win against California.

Minnesota is another team displaying a complete reversal of form this year. The Gophers were 2-7 in 1959, but now have won all five games played and their supremacy over Kansas States is so great that odds-makers refused to quote a point-spread on the contest.

In a nationally-televised game, Ohio State and Michigan State jockey for a contending position in the Big Ten. Each has lost one legue game. The Spartans of M.S.U. are 1½ point choice in this one.

Pitt Seeks To End Syracuse Win Streak

SYRACUSE, N.Y. (AP)—Syracuse will be shooting for its 17th straight victory Saturday against a rugged Pittsburgh team which could be its toughest hurdle enroute to another unbeaten season and bowl bid.

Syracuse still must face Army, Colgate and Miami later in the season, but Pitt looms as a threat despite its two defeats and two ties. Pitt lost by one point to UCLA and Oklahoma, tied Michigan State and Texas Christian and beat Miami and West Virginia in a back-breaking schedule.

It is no secret that Syracuse, the No. 1 team of 1959, had to survive fierce battles to top Kansas, Holy Cross and Penn State. Only the Boston University and West Virginia games were romps. As a result the Orange were rated No. 3 in the latest Associated Press poll.

Coach Ben Schartzwalder shook up his club before last week's game with West Virginia but has restored Art Baker to his No. 1 fullback job for Pitt. He will team with halfbacks Ernie Davis and Mark Weber and quarterback Dave Sarette.

Davis, of course, is the outstanding back on the club with a total of 599 yards gained, 489 by rushing and 110 by pass catching. The 6-2 junior from Elmira, N.Y. has averaged 8.1 yards per carry and 15.8 for each pass caught. He is sixth in the nation in rushing.

Pitt came up with a sophomore passer in Jim Traficant to go with the C-men — Bob Clemens, Fred Cox and Jim Cunningham. Traficant's passes set up the tying TD with Texas Christian last week in the Fort Worth game that broke up in a free-for-all among the players.

Both teams have fine punters. Cox is second in the nation with a 43.19 yard average and Syracuse's Tom Gilburg is fifth with a 42.4 yard average.

A sellout crowd of over 40,000 will jam Archold Stadium.

Stitch Awarded Carnegie Medal

PITTSBURGH (UPI) — Rudell Stitch, third ranking welterweight boxer who drowned trying to save the life of another fighter, Friday was named posthumous winner of a silver medal awarded by the Carnegie hero fund commission.

The 27-year-old Prospect, Ky., resident who lost his life last June, also was a bronze medal recipient for saving the life of a fisherman on Sept. 16, 1958. He was the third person in the 56 year history of the commission to win two medals for bravery.

The commision also awarded 21 bronze medals, two of them posthumously, for acts of bravery including incidents of drowning, fire, explosion and a threatened attack by an enraged deer.

LSU INVADES

Another 'Revenge' Victory Mississippi's Aim Today

UNIVERSITY, Miss. (AP) — Second-ranked Mississippi will try to make it two "revenge" victories in a row over arch-rival Louisiana State Saturday before an expected homecoming crowd of 35,000 and a regional TV audience (ABC).

Kickoff for the Southeastern Conference game is at 1:30 p.m. (CST).

The Rebels stopped LSU 21-0 in the Sugar Bowl last Jan. 1, after the Tigers had won the 1959 regular season contest 7-3 at Baton Rouge on an 89-yard fourth quarter punt return by all-America Billy Cannon.

Cannon and most of his helpmates in LSU's brilliant 1958 and 1959 campaigns have been graduated. The Tigers have been having their troubles and show only one victory and four straight defeats.

Their defense is as tough as ever and has allowed only two touchdowns in five games. Ole Miss coach Johnny Vaught calls LSU "one of the finest defensive teams in the country."

But LSU's offense has only produced two touchdowns. It seemed to perk up in last Saturday's 13-10 loss to Florida when coach Paul Dietzel inserted soph quarterback Lynn Amedee and junior fullback Earl Gros.

Amedee and another sophomore, Jimmy Field, will likely rotate as offensive quarterbacks. Gros, injured in last week's game, is expected to play. LSU also has two good halfbacks in place-kicker Wendell Harris, a junior, and Jerry Stovall, the SEC's leading punter with a 52.2 average.

Against the vaunted Tiger defense Ole Miss will throw its powerful ground and air attack led by quarterback Jake Gibbs and fullback Jim (Hoss) Anderson. The two seniors have led Mississippi to six straight 1960 victories.

Gibbs, an all-America candidate, stands second in the SEC in both passing and total offense, while Anderson is second in rushing. Halfbacks George Blair, Bobby Crespino and Art Doty are also leading Rebel offensive threats.

This will be Mississippi's first campus game of the year, after six straight victorious road outings. The Rebels will be trying for their 22nd home victory in a row. The eight-year string began in 1942 with a 28-0 win over LSU.

Kelso, Eagle Big Threats In Gold Cup

NEW YORK (AP) — Bohemia Stable's Kelso, a fast-moving 3-year-old on a sizzling streak, challenges Cain Hoy Stable's consistent Bald Eagle Saturday in the 2-mile, $100,000-added Jockey Club Gold Cup at Aqueduct.

Seven others were named Friday for the weight-for-age stakes. But main attention is on Kelso, the youngster with a winning string of five stakes and a 7-for-8 record, and on Bald Eagle, Capt. Harry F. Guggenheim's 5-year-old.

Both are horse of the year candidates, although Bald Eagle's bid was slowed somewhat last Saturday when he and Sword Dancer were upset by Mrs. Everett King's Harmonizing, a 38-1 shot, in the Man o' War Stakes on the grass at Belmont. Sword Dancer is sitting out this one, but Harmonizing will run.

Eddie Arcaro rides Kelso while going after his ninth Gold Cup, one that will have a winner's share of $70,855 of the gross purse of $110,700 if all nine start.

Arcaro won the Cup last year with Sword Dancer, who went on to take horse of the year honors. He previously won the Gold Cup with Firethorn in 1935, Pavot in 1946, Citation in 1948, Hill Prince in 1950, High Gun in 1954, and Nashua in 1955 and 1956.

Kelso, attempting to become the 13th 3-year-old to win the race in the last 16 years, has won five consecutive stakes since early August—starting with the Choice and continuing through the Jerome, Discovery, Lawrence Realization, and Hawthorne Gold Cup. The son of Your Host-Maid of Flight by Count Fleet has earned $225,105.

Bald Eagle, an entry with Tooth-and-Nail, will be ridden by Manuel Ycaza. Bald Eagle has banked more than $300,000 for owner Guggenheim this year with a 4-for-9 record, including victories in the Metropolitan Mile and the Aqueduct, Gulfstream Park and Widener handicaps.

Kelso, at 119, and High Tide Stable's Who's Ahead, at 116, will be the only ones not carrying 124 pounds. Kelso gets a five-pound pull as a 3-year-old and Who's Ahead totes eight less because she's a filly.

At 124 with Tooth-and-Nail and Bald Eagle are Fred Vogel's Libertinaje, Elmendorf's Nickel Boy, Harmonizing, Gustave Ring's Don Poggio, and C. V. Whitney's Dotted Swiss.

Expect 12,000 For Grambling, Jackson Scrap

GRAMBLING, La. (Special) — Jackson State will have to acclimate itself to the weather, loud noises of a merry homecoming crowd and a ferocious squad of Tigers when they skirmish Grambling here Saturday afternoon.

It's homecoming for the Tigers and coach Eddie Robinson's once-beaten eleven will defy the Mississippi club with weapons of modern skill and traditional power.

Grambling has raided the Southwestern Conference with a squad that ranks third nationally in scoring, seventh in total offense and 12th in rushing.

Odd-makers have conceded the Tigers a 12-point advantage. Both elevens are geared for heroic accomplishments and a crowd of 12,000 will pay to see if Jackson can come up with the horseshoe to spring a major upset.

Dodgers Opening Farm In Oregon

LOS ANGELES (AP)—The Los Angeles Dodgers Friday signed a working agreement with the Salem, Ore., Senators of the Class B Northwest League.

Salem replaces Green Bay, Wis. of the Three-I League in the Dodger farm system.

Philippine Davis Cuppers Beaten

BRISBANE, Australia (AP) — All four members of the Philippine Davis Cup team were eliminated Friday in straight sets in the first round of the Queensland Tennis Tournament. The Filipinos arrived last week to prepare for their meeting with the United States in the interzone cup finals next month.

The strongest of the invaders appeared to be Juan Jose. He lost to Trevor Fancutt 6-4, 9-7, 6-4.

Nats Formally Notify Frick Of New Plans

NEW YORK (AP)—The Washington Senators Friday formally notified baseball Commissioner Ford Frick of their desire to transfer to Minneapolis-St. Paul, for the 1961 American League season, the commissioner's office announced.

Notification was by a letter of intent to acquire the territory of the Minneapolis and St. Paul clubs of the American Association. It was signed by Cal Griffith, president of the Senators. Baseball rules state that formal notification of a planned transfer for a following season must be made by Oct. 31.

The commissioner's office said the next step in the proposed transfer is settlement of indemnities with the two American Association clubs for their territory.

In Daytona Beach, Fla., Thursday night, President Ed Doherty of the American Association said the asking price probably will be about $450,000.

The American League voted in a meeting here Wednesday to expand to 10 teams for the 1961 season, involving transfer of the Senators to Minneapolis-St. Paul and establishment of new franchises in Washington and Los Angeles.

Aggies Could End Porkers' Title Chance

COLLEGE STATION, Tex. (AP) —The Texas Aggies are hanging on the ropes with little left to fight for but that won't dim their lust for battle against old foe Arkansas whom they meet here Saturday night.

Arkansas still is in the Southwest Conference race but can't afford to lose another one.

While the season records vary widely—4-2 for Arkansas and 1-3-2 for A&M, a comparison would indicate little difference in the two teams. Arkansas beat Texas Christian 7-0 and lost to Baylor 28-14. The Aggies tied Texas Christian 14-14 and lost to Baylor 14-7.

Both teams have key men with injuries but the major stars all are alright. Arkansas' George McKinney, the conference's leader in total offense, is also the most effective passer. He has thrown six touchdown passes in completing 26 throws.

Key man in the Aggies rugged ground game—they do little passing—is Sam Byer, the fullback, who has gained 247 yards.

LSU On-Campus Golf Course To Be Dedicated

BATON ROUGE, La., (Special) —Louisiana State University's on-campus golf course will be officially dedicated in ceremonies November 10 at 1:30 p.m., Athletic Director Jim Corbett has announced.

The 18 - hole layout was constructed at a cost of over $250,000 and is located on land south and southwest of Tiger Stadium. Fred Knight, newly appointed co-coach of the Tiger golf team, serves as manager of the golf course.

Ellen R. Jolly, chairwoman of the dedication committee, said that the brief dedication ceremonies will be followed by exhibition golf matches featuring prominent LSU graduates now on the professional golf circuit.

Coast League May Expand To Ten Teams

SEATTLE (AP)—Criticizing the American League's expansion into Los Angeles, President Dewey Soriano of the Pacific Coast League said Friday, "I think they should spread big league baseball around."

"Expansion should bring major league baseball to cities which do not have it," Soriano said. "Los Angeles already has the National League."

There were indications the Coast League might expand.

The Times said Denver and Honolulu may be added to make it a 10-team circuit.

Placing an American League team in Minneapolis, the Times said, "disrupts the American Association and may leave Denver, one of the best-drawing cities in the minors, out on a Western limb.

"Soriano makes no secret of the Coast League's desire for Denver. The city wanted to join a couple of years ago but would not meet league demands at the time.

"Honolulu is preparing a ball park for Coast League play, when and if."

Raiders Beat Titans With 2-TD Rally

NEW YORK (AP)—The Oakland Raiders, coming from behind three times, pushed over two touchdowns in the fourth period and defeated the New York Titans 28-27 Friday night on the margin of a conversion by Larry Barnes in an American Football League game.

A crowd of about 10,000, sitting through a drizzle at the Polo Grounds, saw Al Dorow, his battered ribs padded and his injured ankle swarthed in tape, direct the entire New York attack. He passed for two touchdowns in sending the Titans ahead twice.

Ironically, it was a fumble by Dorow deep in the Titans' own territory with less than a minute left in the game that stalled their last-ditch drive.

So now the Titans and Raiders show identical 4-4 records. The defeat was a serious one for the Titans because it just about finished them as a threat for the Eastern Division title.

Jetstream Smith scored the two Oakland touchdowns in the last period, both on short bucks, while Tom Flores, a 23-year-old field general from the College of the Pacific, passed for the other two in the first half.

Barnes kicked all four extra points.

In addition to Dorow's two passes for scores, Leon Burton scored once on a 99-yard kickoff return and Bill Shockley kicked two field goals.

Darrell Welch Captures Lead

MELBOURNE, Australia (AP) —Darrell Welch, a 24-year-old Sydney pro, shot a 7-under-par 68 Friday and took a one-stroke lead in the $12,000 Open Golf Tournament at the Huntingdale Course. It is a 6,941-yard layout.

After 54 holes, Welch has 218—one better than British Open champion Kel Nagle, who had a 75 Friday.

Jim Ferrier of San Francisco, is sixth after a third round 75 for a total 224. Peter Thomson, former British Open champion, had 73 and is well back at 228.

LSU WILL depend heavily on the legs and right toe of halfback Wendell Harris today when the Tigers play unbeaten Ole Miss at Oxford in a regional TV game. The junior is an excellent runner and placement kicker. (AP Wirephoto)

BEHIND 3 QUARTERS

Miami Catches BC Eagles, 10-7

MIAMI, Fla. (AP)—Outplayed for three periods, Miami's Hurricanes rallied on the passing arm of Eddie Johns and the kicking toe of Al Daniel Friday night for a 10-7 football victory over Boston College.

The Eagles, two touchdown underdogs, were leading 7-0 when Johns uncorked a 50-yard touchdown pass to Bill Miller to tie it on the first play of the last quarter. A 33-yard field goal by Dangel produced the decisive points in a rugged duel.

Until Boston College wilted in the 80-degree heat of the Orange Bowl, the Eagles had riddled Miami's porous aerial defense and even outgained the Hurricanes in ground play.

Sharp passing by John Amabile sparked a 72-yard touchdown drive by the Eagles in the second period and they scored on Amabile's one-yard sneak to take the lead.

Miami's first scoring drive started with three short passes from Johns to Larry Wilson, Bill Miller and Ben Rizzo as the Eagle defenders laid back, looking for a home run try by the now desperate Hurricanes.

Then Johns hit Miller with another short one that Miller turned into a touchdown by shaking off Mike Tomeo and Joe Hutchinson and breaking into the clear. Al Dangel converted to make it 7-7.

A bad punt by Boston College's Bill Robinson set up the game winning field goal. It went almost straight up and out of bounds for only 12 yards to the 34. The Hurricanes rushed to the 16 and Miller booted it over from the 23.

Late Sharman Drive Boosts Celtics' Win

NEW YORK (AP)—Sharp-shooting Bill Sharman went on a fourth period scoring spree and powered the Boston Celtics to a 110-101 victory over the New York Knickerbockers at Madison Square Garden Friday night.

A crowd of 10,142 saw the champion Celts win their second straight National Basketball Association game as the Knicks went down to their fourth defeat in five starts.

Sharman supplied the scoring impetus as Boston broke open a close game and pulled away in the final minutes. With Boston leading 95-92, Sharman clicked on three one-handers and Frank Ramsey added another basket to give the Celtics a 103-94 lead.

Bob Cousy cashed in two free throws, Sharman hit again from the outside and Cousy flipped in a left-handed layup as Boston opened up its biggest lead, 13 points.

The lead changed hands several times in the opening quarter with the Knicks taking a 29-28 lead at the end of the stanza. Sam Jones and Bill Russell sparked the Celtics in the second quarter and Boston went ahead 53-51 at half time.

The Celts opened up an 83-73 advantage toward the end of the third period only to have the Knicks close the gap in the first six minutes of the final stanza. Then Sharman went to work.

Russell topped the Boston scorers with 22 points and Sharman contributed 20. Willie Naulls was high for the Knicks with 24 while Richie Guerin contributed 20.

Moore-Rinaldi Rome Sellout Seems Certain

ROME (AP) — Virtually all of the 13,880 tickets for the Archie Moore-Giulio Rinaldi fight Saturday night were sold 24 hours before the bout.

Moore, light heavyweight champion from San Diego who lost American NBA recognition earlier this week, is the magnet, although Rinaldi has become a top Italian favorite since knocking out Sante Amonti, former Italian division champion, earlier this year.

Ticket prices are high by Italian standards. Bleacher seats will cost $3.20 and those at ringside are $32. Promoters expect to have a $64,000 gate of which Moore will get $20,000 if he weighs less than 185 pounds. He must forfeit $2,000 for every 2½ pounds, or a fraction, above the weight.

Rinaldi gets $5,000. That's top for an Italian fighter in his native country.

Only End Zone

NEW ORLEANS (Special)— Athletic business manager G. J. (Buddy) deMonsabert reports that the only tickets remaining for the annual Tulane vs. LSU battle on Nov. 26 are end zone seats.

End zone tickets are $4 for reserved seats and $3.50 in the family plan where the seats are unreserved.

Back To School For Ernie Banks

CHICAGO (AP)—Ernie Banks, slugging shortstop of the Chicago Cubs, is going to night school beginning Monday.

Banks will attend a downtown branch of the University of Chicago and will study English and sociology.

Banks, 29, led the major leagues in home runs last season with 41. He will attend classes three nights a week and some day hopes to become an athletic instructor.

There's never any trouble getting a three - some together in the de Vicenzo golfing family. Roberto is the best known pro of the clan, but his brothers Elias and Oswaldo also are golf professionals.

HOMECOMING

Tulane Expected To Whip Indians

NEW ORLEANS (Special) — Tulane's Green Wave is expected to get back on the winning path here Saturday night when the Greenies entertain William and Mary College in the annual Homecoming contest.

Coach Andy Pilney's Greenies have been made an early three-TD favorite in the game, and Pilney would love nothing better than to see his club win without trouble or injury.

Right halfback Terry Terrebonne, tackle Bernie Darre and second unit left halfback Sammy Camp are still nursing injuries, and Pilney said he wouldn't know until Saturday whether or not the trio would be ready for action. Terrebonne has a shoulder separation, Darre an infected shin and Camp a bruised back.

It'll be the first meeting between the two schools, although both have been playing football since the late 1800's. William and Mary claims to be the second oldest college in the nation.

Halfback Tommy Mason will be out to increase his SEC leading rushing figure of 299 net yards on 56 carries. He currently leads Jim Anderson of Mississippi by 26 yards in the race for conference honors. Mason also is fourth in pass receiving and with a good night could vault to the top in that department.

The invading Indians have a fine first unit backfield and a big line. Their main problems, however, is lack of depth — also a touchy subject with the Greenies.

Roger Hale, Don Barton, Bob Stoy and H. C. Thaxton are all fine backs and certain to give the Wave trouble with their running antics.

Probable Tulane starters are ends Pat McLean (200) and Cameron Gamble (190), tackles Joe LeSage (235) and Bernie Darre (224), guards Dave Michiels (215) and Gus Gonzales (218), center Larry Thompson (229), quarterback Phil Nugent (185), halfbacks Tommy Mason (195) and Adrian Colon (190) and fullback Lenny Stein (195).

William & Mary's probables are ends rnie Phillips (185) and Joe Poist (205), tackles Calvin Whealton (205) and Loye Bechtold (210), guards Dave Gatti (185) and Wayne Woolwine (200), center Mike Pekerny (200), quarterback Bob Stoy (190), halfbacks Roger Hale (170) and Jim Perach (195) and fullback H. C. Thaxton (205).

SPEARSVILLE SPLITS

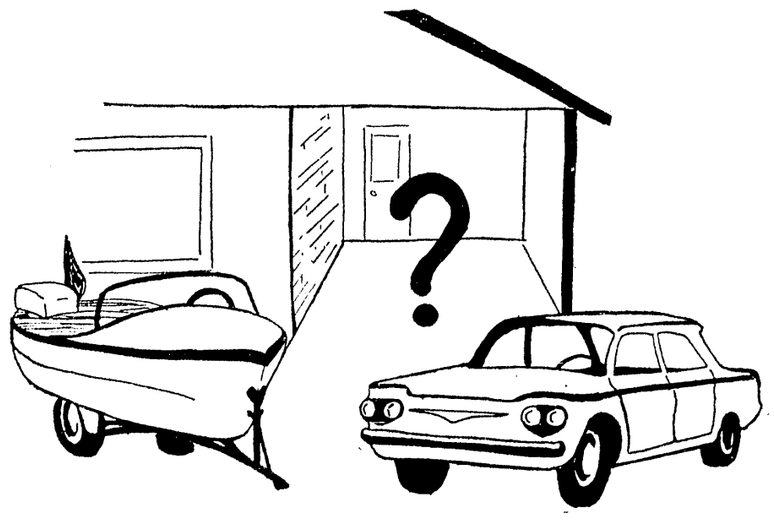

SPEARSVILLE, La. (Special)— Spearsville split a twin-bill basketball program here Friday night with Parker's Chapel, Ark., the host boys running off with the nightcap, 62-34.

Joey Barron popped the nets for 23 points to pace Spearsville while Bill May was high point man for Parker's Chapel with 20.

The Parker's Chapel girls dropped Spearsville, 37-31. Judy Cameron led the victors with 20 points while Spearsville was paced by Floy Harris, 16, and Francis Mitcham, 12.

Aggies Could End Porkers' Title Chance

COLLEGE STATION, Tex. (AP) —The Texas Aggies are hanging on the ropes with little left to fight for but that won't dim their lust for battle against old foe Arkansas whom they meet here Saturday night.

Arkansas still is in the Southwest Conference race but can't afford to lose another one.

While the season records vary widely—4-2 for Arkansas and 1-3-2 for A&M, a comparison would indicate little difference in the two teams. Arkansas beat Texas Christian 7-0 and lost to Baylor 28-14. The Aggies tied Texas Christian 14-14 and lost to Baylor 14-7.

Both teams have key men with injuries but the major stars all are alright. Arkansas' George McKinney, the conference's leader in total offense, is also the most effective passer. He has thrown six touchdown passes in completing 26 throws.

Key man in the Aggies rugged ground game—they do little passing—is Sam Byer, the fullback, who has gained 247 yards.

LSU On-Campus Golf Course To Be Dedicated

BATON ROUGE, La., (Special) —Louisiana State University's on-campus golf course will be officially dedicated in ceremonies November 10 at 1:30 p.m., Athletic Director Jim Corbett has announced.

The 18 - hole layout was constructed at a cost of over $250,000 and is located on land south and southwest of Tiger Stadium. Fred Knight, newly appointed co-coach of the Tiger golf team, serves as manager of the golf course.

Ellen R. Jolly, chairwoman of the dedication committee, said that the brief dedication ceremonies will be followed by exhibition golf matches featuring prominent LSU graduates now on the professional golf circuit.

Coast League May Expand To Ten Teams

SEATTLE (AP)—Criticizing the American League's expansion into Los Angeles, President Dewey Soriano of the Pacific Coast League said Friday, "I think they should spread big league baseball around."

"Expansion should bring major league baseball to cities which do not have it," Soriano said. "Los Angeles already has the National League."

There were indications the Coast League might expand.

The Times said Denver and Honolulu may be added to make it a 10-team circuit.

Placing an American League team in Minneapolis, the Times said, "disrupts the American Association and may leave Denver, one of the best-drawing cities in the minors, out on a Western limb.

"Soriano makes no secret of the Coast League's desire for Denver. The city wanted to join a couple of years ago but would not meet league demands at the time.

"Honolulu is preparing a ball park for Coast League play, when and if."

Raiders Beat Titans With 2-TD Rally

NEW YORK (AP)—The Oakland Raiders, coming from behind three times, pushed over two touchdowns in the fourth period and defeated the New York Titans 28-27 Friday night on the margin of a conversion by Larry Barnes in an American Football League game.

A crowd of about 10,000, sitting through a drizzle at the Polo Grounds, saw Al Dorow, his battered ribs padded and his injured ankle swarthed in tape, direct the entire New York attack. He passed for two touchdowns in sending the Titans ahead twice.

Ironically, it was a fumble by Dorow deep in the Titans' own territory with less than a minute left in the game that stalled their last-ditch drive.

So now the Titans and Raiders show identical 4-4 records. The defeat was a serious one for the Titans because it just about finished them as a threat for the Eastern Division title.

Jetstream Smith scored the two Oakland touchdowns in the last period, both on short bucks, while Tom Flores, a 23-year-old field general from the College of the Pacific, passed for the other two in the first half.

Barnes kicked all four extra points.

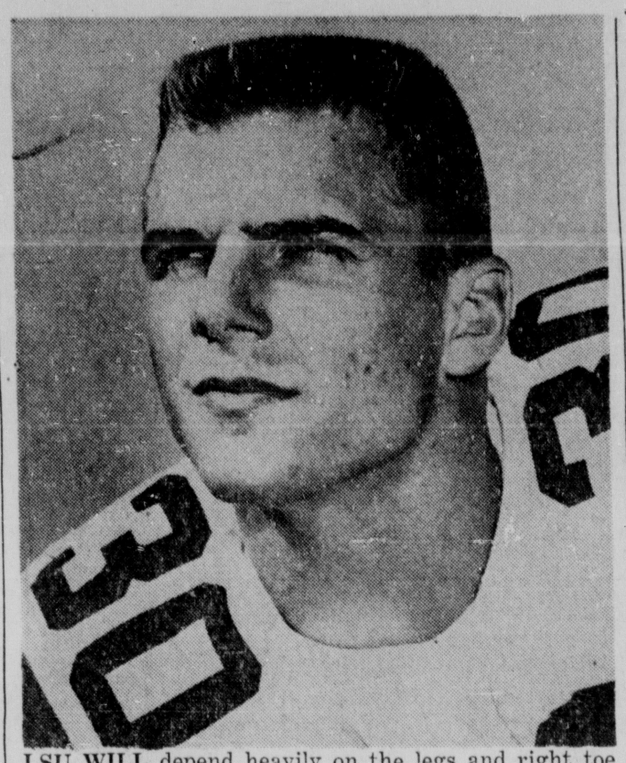

In addition to Dorow's two passes for scores, Leon Burton scored once on a 99-yard kickoff return and Bill Shockley kicked two field goals.

Darrell Welch Captures Lead

MELBOURNE, Australia (AP) —Darrell Welch, a 24-year-old Sydney pro, shot a 7-under-par 68 Friday and took a one-stroke lead in the $12,000 Open Golf Tournament at the Huntingdale Course. It is a 6,941-yard layout.

After 54 holes, Welch has 218—one better than British Open champion Kel Nagle, who had a 75 Friday.

Jim Ferrier of San Francisco, is sixth after a third round 75 for a total 224. Peter Thomson, former British Open champion, had 73 and is well back at 228.

LSU WILL depend heavily on the legs and right toe of halfback Wendell Harris today when the Tigers play unbeaten Ole Miss at Oxford in a regional TV game. The junior is an excellent runner and placement kicker. (AP Wirephoto)

BEHIND 3 QUARTERS

Miami Catches BC Eagles, 10-7

MIAMI, Fla. (AP)—Outplayed for three periods, Miami's Hurricanes rallied on the passing arm of Eddie Johns and the kicking toe of Al Daniel Friday night for a 10-7 football victory over Boston College.

The Eagles, two touchdown underdogs, were leading 7-0 when Johns uncorked a 50-yard touchdown pass to Bill Miller to tie it on the first play of the last quarter. A 33-yard field goal by Dangel produced the decisive points in a rugged duel.

Until Boston College wilted in the 80-degree heat of the Orange Bowl, the Eagles had riddled Miami's porous aerial defense and even outgained the Hurricanes in ground play.

Sharp passing by John Amabile sparked a 72-yard touchdown drive by the Eagles in the second period and they scored on Amabile's one-yard sneak to take the lead.

Miami's first scoring drive started with three short passes from Johns to Larry Wilson, Bill Miller and Ben Rizzo as the Eagle defenders laid back, looking for a home run try by the now desperate Hurricanes.

Then Johns hit Miller with another short one that Miller turned into a touchdown by shaking off Mike Tomeo and Joe Hutchinson and breaking into the clear. Al Dangel converted to make it 7-7.

A bad punt by Boston College's Bill Robinson set up the game winning field goal. It went almost straight up and out of bounds for only 12 yards to the 34. The Hurricanes rushed to the 16 and Miller booted it over from the 23.

Late Sharman Drive Boosts Celtics' Win

NEW YORK (AP)—Sharp-shooting Bill Sharman went on a fourth period scoring spree and powered the Boston Celtics to a 110-101 victory over the New York Knickerbockers at Madison Square Garden Friday night.

A crowd of 10,142 saw the champion Celts win their second straight National Basketball Association game as the Knicks went down to their fourth defeat in five starts.

Sharman supplied the scoring impetus as Boston broke open a close game and pulled away in the final minutes. With Boston leading 95-92, Sharman clicked on three one-handers and Frank Ramsey added another basket to give the Celtics a 103-94 lead.

Bob Cousy cashed in two free throws, Sharman hit again from the outside and Cousy flipped in a left-handed layup as Boston opened up its biggest lead, 13 points.

The lead changed hands several times in the opening quarter with the Knicks taking a 29-23 lead at the end of the stanza. Sam Jones and Bill Russell sparked the Celtics in the second quarter and Boston went ahead 53-51 at half time.

The Celts opened up an 83-73 advantage toward the end of the third period only to have the Knicks close the gap in the first six minutes of the final stanza. Then Sharman went to work.

Russell topped the Boston scorers with 22 points and Sharman contributed 20. Willie Naulls was high for the Knicks with 24 while Richie Guerin contributed 20.

Moore-Rinaldi Rome Sellout Seems Certain

ROME (AP) — Virtually all of the 13,880 tickets for the Archie Moore-Giulio Rinaldi fight Saturday night were sold 24 hours before the bout.

Moore, light heavyweight champion from San Diego who lost American NBA recognition earlier this week, is the magnet, although Rinaldi has become a top Italian favorite since knocking out Sante Amonti, former Italian division champion, earlier this year.

Ticket prices are high by Italian standards. Bleacher seats will cost $3.20 and those at ringside are $32. Promoters expect to have a $64,000 gate of which Moore will get $20,000 if he weighs less than 185 pounds. He must forfeit $2,000 for every 2½ pounds, or a fraction, above the weight.

Rinaldi gets $5,000. That's top for an Italian fighter in his native country.

Only End Zone

NEW ORLEANS (Special)—Athletic business manager G. J. (Buddy) deMonsabert reports that the only tickets remaining for the annual Tulane vs. LSU battle on Nov. 26 are end zone seats.

End zone tickets are $4 for reserved seats and $3.50 in the family plan where the seats are unreserved.

Back To School For Ernie Banks

CHICAGO (AP)—Ernie Banks, slugging shortstop of the Chicago Cubs, is going to night school beginning Monday.

Banks will attend a downtown branch of the University of Chicago and will study English and sociology.

Banks, 29, led the major leagues in home runs last season with 41. He will attend classes three nights a week and some day hopes to become an athletic instructor.

There's never any trouble getting a three - some together in the de Vicenzo golfing family. Roberto is the best known pro of the clan, but his brothers Elias and Oswaldo also are golf professionals.

HOMECOMING

Tulane Expected To Whip Indians

NEW ORLEANS (Special) — Tulane's Green Wave is expected to get back on the winning path here Saturday night when the Greenies entertain William and Mary College in the annual Homecoming contest.

Coach Andy Pilney's Greenies have been made an early three-TD favorite in the game, and Pilney would love nothing better than to see his club win without trouble or injury.

Right halfback Terry Terrebonne, tackle Bernie Darre and second unit left halfback Sammy Camp are still nursing injuries, and Pilney said he wouldn't know until Saturday whether or not the trio would be ready for action. Terrebonne has a shoulder separation, Darre an infected shin and Camp a bruised back.

It'll be the first meeting between the two schools, although both have been playing football since the late 1800's. William and Mary claims to be the second oldest college in the nation.

Halfback Tommy Mason will be out to increase his SEC leading rushing figure of 299 net yards on 56 carries. He currently leads Jim Anderson of Mississippi by 26 yards in the race for conference honors. Mason also is fourth in pass receiving and with a good night could vault to the top in that department.

The invading Indians have a fine first unit backfield and a big line. Their main problems, however, is lack of depth — also a touchy subject with the Greenies.

Roger Hale, Don Barton, Bob Stoy and H. C. Thaxton are all fine backs and certain to give the Wave trouble with their running antics.

Probable Tulane starters are ends Pat McLean (200) and Cameron Gamble (190), tackles Joe LeSage (235) and Bernie Darre (224), guards Dave Michiels (215) and Gus Gonzales (218), center Larry Thompson (229), quarterback Phil Nugent (185), halfbacks Tommy Mason (195) and Adrian Colon (190) and fullback Lenny Stein (195).

William & Mary's probables are ends rnie Phillips (185) and Joe Poist (205), tackles Calvin Whealton (205) and Loye Bechtold (210), guards Dave Gatti (185) and Wayne Woolwine (200), center Mike Pekerny (200), quarterback Bob Stoy (190), halfbacks Roger Hale (170) and Jim Perach (195) and fullback H. C. Thaxton (205).

SPEARSVILLE SPLITS

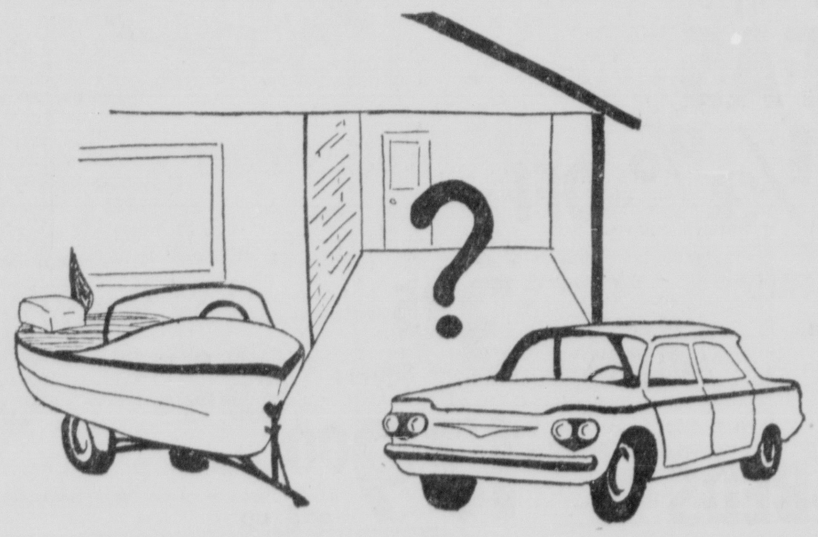

SPEARSVILLE, La. (Special)—Spearsville split a twin-bill basketball program here Friday night with Parker's Chapel, Ark., the host boys running off with the nightcap, 62-34.

Joey Barron popped the nets for 23 points to pace Spearsville while Bill May was high point man for Parker's Chapel with 20.

The Parker's Chapel girls dropped Spearsville, 37-31. Judy Cameron led the victors with 20 points while Spearsville was paced by Floy Harris, 16, and Francis Mitcham, 12.

WOMAN'S WORLD

TAKE THICK threads of camel colored wool and run them through knitting machines . . . voila, a divine addition to the knit story. This long cardigan coat is completely lined in Orlon pile, snowy white, of course. It covers up a stem slim sleeveless sheath of matching knit completely lined in china silk. The coat will do double duty over things and stuff from the closet, and the dress would be sheer heaven as a stunning cocktail sheath. Or perhaps wear it with a silk shirt with the collar over the high neckline.

YOUR BABY AND MINE

Names Never Change Just Popular Opinion

By MYRTLE MEYER ELDRED

You have only to look and listen to know that names for children become popular in cycles. With the exception of family names, which reign eternally, the names we like today were popular two or more generations ago. To the young mother the names of her parents sound old-fashioned and commonplace, those of her great-grandparents quaint and appealing.

The most popular girl's name during the last 10 years has been Linda. The most popular boy's name has been John. Here are the girl's names in the order of their popularity: Linda, Mary, Deborah, Susan (including Suzy, Suzette, Suzzanne, etc), Carol, Patricia, Catherine (and all its ramifications, including just plain Kate), Margaret, Barbara and Karen.

The most popular boys' names are John, Michael, James Robert William, David, Thomas, Stephen, Richard and Joseph.

As an indication of how times have changed and names with them, here, according to a Gallup poll, are the most popular boys' and girls' names between 1906 and 1916: Mary, Helen, Ruth, Margaret, Ellen, Catherine, Dorothy, Elizabeth and Frances. The popular boys' names were John, George, James, Charles, Joseph, Robert, William, Frank, Albert and Louis.

There are other names, of course. You know dozens of children named Joan, Jane, Jean, Judith, Shirley, Helen, Evelyn, Edith, Alice, Virginia, Sarah, Doris, Louis, and Mildred. Any of these may pop into prominence within another generation.

What every mother wants when she has to make a choice of name for her baby is something different from any name common in her own family or among her relatives. This is a new baby and she wants him or her to be a distinct and unusual personality.

Unless there is a family name to be carried on by her child, for sentimental or other reasons, she'll accord herself the privilege of making a choice.

The only names she should avoid the temptation to choose are "made up" names; those conglomerations of syllables which are not really names at all, but just different sounds. These bring ridicule to the child bearing them and make her (more often than him) cringe when she must give it to a strange group. It's better far to choose a commonplace name than risk such a result. No child wants to be that original and different.

Parties Throughout Week Honor Miss Betty Hemphill

Miss Betty Hemphill, whose marriage to the Rev. David Comegys Jr. will be an event of November 3, was honored during the week with several parties. Mrs. Harry Frazer Sr. and Mrs. O. N. McNeil were hostesses on two occasions; a coffee Thursday morning and an afternoon tea. A Wednesday luncheon was given by Mrs. T. Brewer Godfrey Sr.

The Frazer home on Rochelle Avenue was the scene of both the morning coffee from 10 to 12 o'clock Thursday; and a tea between the hours of 4 to 6 p.m.

In the receiving line with the honoree, who was wearing a champagne colored shirtwaist dress with brown accessories, was her mother, Mrs. Hemphill, and the hostesses, Mrs. Frazer and Mrs. McNeil.

Greeting guests at the door were Mrs. Thomas Monk and Mrs. Harry Frazer Jr.

Fall roses were placed at vantage points throughout the living room. A silver epergne holding tube roses and white chrysanthemums centered the dining table, where Mrs. Donald Davies, Mrs. G. I. Hemphill, Mrs. Guy Campbell, and Mrs. Bailey Grant alternated at the coffee service.

Mrs. Gordon Cummings and Mrs. Charles Garretson greeted guests at the door for the afternoon tea.

Alternating at the tea service were Mrs. T. F. Wilson, Mrs. S. C. Strausser, Mrs. Harry Stone, and Mrs. Harvey Marcoux.

For the tea Miss Hemphill wore an afternoon black sheath dress with pearl jewelry and black accessories.

LUNCHEON

A Wednesday luncheon was given for Miss Hemphill by Mrs. T. Brewer Godfrey Sr., in her home on Pargoud Boulevard, which was decorated throughout with fall flowers.

For the occasion the honoree was wearing an advance fall dressmaker model dress in deep brown with brown accessories. Her corsage was of bronze chrysanthemums.

The table in the dining room was covered with a white cloth. The centerpiece was a pedestal topped with a miniature bride and groom under a lace umbrella, encircled with white mums interspersed with ivy and fern. Silver goblets were placed on the table.

A silver ice bucket was presented to the honoree by her hostess.

Invited to the gala affair were Mrs. Harry Stone, Mrs. Morgan Simonton, Mrs. J. L. Braucher, Mrs. John Eby, Mrs. T. B. Godfrey Jr., Mrs. Ted Allen, Mrs. George Hemphill, Mrs. Edgar Hemphill, Mrs. H. W. McSherry, Mrs. Allan Barham, Mrs. Ray Rhymes Sr., and Mrs. Malcolm Keith Sr.

Homemakers Ask And Betty Pepis Answers

Q. — I plan to make a kitchen-den of my dining room and kitchen by removing a separating wall. My problem is making it seem like one room in some other way than having the same floor-covering in both rooms. I would like to leave the dining room alone and make necessary changes in the kitchen. Dining room is green with floral draperies in white with pink, green and a touch of yellow. The kitchen has aqua counter tops and needs painting; please suggest colors for this.

A. — Color is your least expensive and most effective tool in altering the rooms. Paint the walls a pale yellow to pick up the color of your draperies, the cabinets a deeper yellow and have the floor here and in the dining room in green, yellow or pink. If you want carpet in the dining room and hard surface like flooring in the kitchen, have them match in color. I would like pink accessories in the kitchen and curtains could be pink or white.

Q.—My living room seems to be a big problem. It is 18 x14 and has only one wall which is not broken up. One wall has a large bay window, one wall has a fireplace and the other has a bookcase. The sofa is gold, orange and black on beige fabric. One chair is gold tweed and furniture is blond maple. What would you suggest for new walls, draperies and carpets?

A. — If you paint the woodwork and walls an off-white or muted gold you will be able to disguise the broken areas of the architecture. A rich saffron yellow carpet would be perfect, as would a beige the shade of the sofa background. New draperies in white or gold textured cloth would be best here. For accent, pillows, accessories, pictures, etc. use some black plus another color such as bright olive or sky blue.

Q. — My daughters have blond maple furniture and bedspreads are a floral print in orchid, blue, yellow, green and pink. The room has three windows and lots of light. What color would you suggest for walls and curtains?

A. — White would be the freshest color here, but paint the ceiling a bright pastel to match one of the colors in the bedspreads. Curtains could repeat this color. Throw - pillows on the beds in the other colors of the spreads would be pretty.

Q .— In my small bedroom I have parchment fiberglas draperies, off - white heirloom spread, and Salem maple furniture. I would like to paint walls to match draperies. What would you advise adding to the room for color interest however?

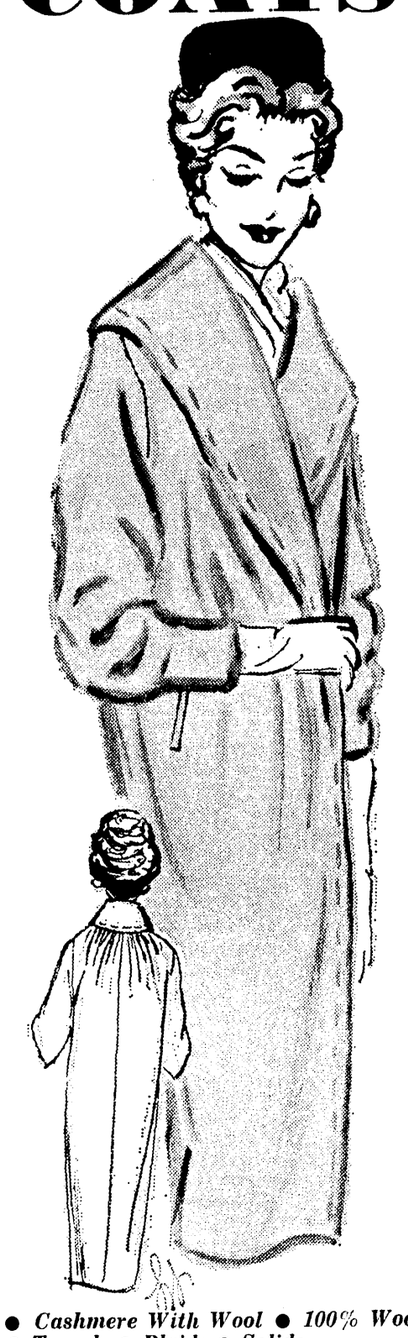

A. — You could add all the color interest you need with a small rug and a few accessories. A bright colored braid rug sounds good here. Add to this some colorful bottles and boxes on the dressing table and your room will gain a great deal of spark.

WOMAN'S WORLD

TAKE THICK threads of camel colored wool and run them through knitting machines . . . voila, a divine addition to the knit story. This long cardigan coat is completely lined in Orlon pile, snowy white, of course. It covers up a stem slim sleeveless sheath of matching knit completely lined in china silk. The coat will do double duty over things and stuff from the closet, and the dress would be sheer heaven as a stunning cocktail sheath. Or perhaps wear it with a silk shirt with the collar over the high neckline.

Husbands' Night Given By Literary Club

Annual "Husbands Night" was held by the Monroe Literary Club Wednesday evening at the Lotus Club. Hosting the dinner party were Mrs. Harry Dixon Jr. and Mrs. Joe Monroe.

Following dinner in the main dining room of the club, members adjourned to the lounge where games were played and "white elephant" prizes awarded to the lucky winners.

Present to enjoy the evening together were Mr. and Mrs. W. D. Bates, Mr. and Mrs. J. E. Baugh, Mr. and Mrs. M. J. Cooper, Mr. and Mrs. Dixon, Mr. and Mrs. T. E. Gibbs, Mr and Mrs. W. C. Hines Jr., Mr. and Mrs. W. L. Howard, Mr and Mrs Arthur Kite, Mr. and Mrs. Barney Pate, Dr. and Mrs. Morris Phillips, Mr. and Mrs. Fred Plitt, Mr. and Mrs. H. G. Reece, Mr. and Mrs. Garland Shell, Mr. and Mrs. Monroe, and Mr. and Mrs. John Kitchingham.

Quick Dryer

Dry freshly laundered handkerchiefs and other small articles by placing them on a small rack over the top of a floor lamp. The heat from the lighted bulb will dry them. . .

Save Time

Save ironing time by doing all rayons first, then silks, cottons and linens. In this way, minutes are not wasted in waiting for the iron to heat or cool.

Parties Throughout Week Honor Miss Betty Hemphill

Miss Betty Hemphill, whose marriage to the Rev. David Comegys Jr. will be an event of November 3, was honored during the week with several parties. Mrs. Harry Frazer Sr. and Mrs. O. N. McNeil were hostesses on two occasions; a coffee Thursday morning and an afternoon tea. A Wednesday luncheon was given by Mrs. T. Brewer Godfrey Sr.

The Frazer home on Rochelle Avenue was the scene of both the morning coffee from 10 to 12 o'clock Thursday; and a tea between the hours of 4 to 6 p.m.

In the receiving line with the honoree, who was wearing a champagne colored shirtwaist dress with brown accessories, was her mother, Mrs. Hemphill, and the hostesses, Mrs. Frazer and Mrs. McNeil.

Greeting guests at the door were Mrs. Thomas Monk and Mrs. Harry Frazer Jr.

Fall roses were placed at vantage points throughout the living room. A silver epergne holding tube roses and white chrysanthemums centered the dining table, where Mrs. Donald Davies, Mrs. G. I. Hemphill, Mrs. Guy Campbell, and Mrs. Bailey Grant alternated at the coffee service.

Mrs. Gordon Cummings and Mrs. Charles Garretson greeted guests at the door for the afternoon tea.

Alternating at the tea service were Mrs. T. F. Wilson, Mrs. S. C. Strausser, Mrs. Harry Stone, and Mrs. Harvey Marcoux.

For the tea Miss Hemphill wore an afternoon black sheath dress with pearl jewelry and black accessories.

LUNCHEON

A Wednesday luncheon was given for Miss Hemphill by Mrs. T. Brewer Godfrey Sr., in her home on Pargoud Boulevard, which was decorated throughout with fall flowers.

For the occasion the honoree was wearing an advance fall dressmaker model dress in deep brown with brown accessories. Her corsage was of bronze chrysanthemums.

The table in the dining room was covered with a white cloth. The centerpiece was a pedestal topped with a miniature bride and groom under a lace umbrella, encircled with white mums interspersed with ivy and fern. Silver goblets were placed on the table.

A silver ice bucket was presented to the honoree by her hostess.

Invited to the gala affair were Mrs. Harry Stone, Mrs. Morgan Simonton, Mrs. J. L. Braucher, Mrs. John Eby, Mrs. T. B. Godfrey Jr., Mrs. Ted Allen, Mrs. George Hemphill, Mrs. Edgar Hemphill, Mrs. H. W. McSherry, Mrs. Allan Barham, Mrs. Ray Rhymes Sr., and Mrs. Malcolm Keith Sr.

YOUR BABY AND MINE

Names Never Change Just Popular Opinion

By MYRTLE MEYER ELDRED

You have only to look and listen to know that names for children become popular in cycles. With the exception of family names, which reign eternally, the names we like today were popular two or more generations ago. To the young mother the names of her parents sound old-fashioned and commonplace, those of her great-grandparents quaint and appealing.

The most popular girl's name during the last 10 years has been Linda. The most popular boy's name has been John. Here are the girl's names in the order of their popularity: Linda, Mary, Deborah, Susan (including Suzy, Suzette, Suzzanne, etc), Carol, Patricia, Catherine (and all its ramifications, including just plain Kate), Margaret, Barbara and Karen.

The most popular boys' names are John, Michael, James Robert William, David, Thomas, Stephen, Richard and Joseph.

As an indication of how times have changed and names with them, here, according to a Gallup poll, are the most popular boys' and girls' names between 1906 and 1916: Mary, Helen, Ruth, Margaret, Ellen, Catherine, Dorothy, Elizabeth and Frances. The popular boys' names were John, George, James, Charles, Joseph, Robert, William, Frank, Albert and Louis.

There are other names, of course. You know dozens of children named Joan, Jane, Jean, Judith, Shirley, Helen, Evelyn, Edith, Alice, Virginia, Sarah, Doris, Louis, and Mildred. Any of these may pop into prominence within another generation.

What every mother wants when she has to make a choice of name for her baby is something different from any name common in her own family or among her relatives. This is a new baby and she wants him or her to be a distinct and unusual personality.

Unless there is a family name to be carried on by her child, for sentimental or other reasons, she'll accord herself the privilege of making a choice.

The only names she should avoid the temptation to choose are "made up" names; those conglomerations of syllables which are not really names at all, but just different sounds. These bring ridicule to the child bearing them and make her (more often than him) cringe when she must give it to a strange group. It's better far to choose a commonplace name than risk such a result. No child wants to be that original and different.

Homemakers Ask And Betty Pepis Answers

Q. — I plan to make a kitchen-den of my dining room and kitchen by removing a separating wall. My problem is making it seem like one room in some other way than having the same floor-covering in both rooms. I would like to leave the dining room alone and make necessary changes in the kitchen. Dining room is green with floral draperies in white with pink, green and a touch of yellow. The kitchen has aqua counter tops and needs painting; please suggest colors for this.

A. — Color is your least expensive and most effective tool in altering the rooms. Paint the walls a pale yellow to pick up the color of your draperies, the cabinets a deeper yellow and have the floor here and in the dining room in green, yellow or pink. If you want carpet in the dining room and hard surface like flooring in the kitchen, have them match in color. I would like pink accessories in the kitchen and curtains could be pink or white.

Q.—My living room seems to be a big problem. It is 18 x14 and has only one wall which is not broken up. One wall has a large bay window, one wall has a fireplace and the other has a bookcase. The sofa is gold, orange and black on beige fabric. One chair is gold tweed and furniture is blond maple. What would you suggest for new walls, draperies and carpets?

A. — If you paint the woodwork and walls an off-white or muted gold you will be able to disguise the broken areas of the architecture. A rich saffron yellow carpet would be perfect, as would a beige the shade of the sofa background. New draperies in white or gold textured cloth would be best here. For accent, pillows, accessories, pictures, etc. use some black plus another color such as bright olive or sky blue.

Q. — My daughters have blond maple furniture and bedspreads are a floral print in orchid, blue, yellow, green and pink. The room has three windows and lots of light. What color would you suggest for walls and curtains?

A. — White would be the freshest color here, but paint the ceiling a bright pastel to match one of the colors in the bedspreads. Curtains could repeat this color. Throw - pillows on the beds in the other colors of the spreads would be pretty.

Q .— In my small bedroom I have parchment fiberglas draperies, off - white heirloom spread, and Salem maple furniture. I would like to paint walls to match draperies. What would you advise adding to the room for color interest however?

A. — You could add all the color interest you need with a small rug and a few accessories. A bright colored braid rug sounds good here. Add to this some colorful bottles and boxes on the dressing table and your room will gain a great deal of spark.

YOUR PROBLEMS

Planned Activity Can Prevent Many Hazards

By ANN LANDERS

Dear Ann: I am a sixteen year old high school junior who needs some advice from an expert.

I worked all summer, hoping to save enough money to buy some clothes, and maybe take out a girl once in awhile. Well, my mother took my whole pay check and gave me back just enough for carfare and lunch. When I tell you I didn't have one extra penny in my pocket I am not exaggerating. Also, she would't give me any money to take a girl to a movie all summer. She said it wasn't necessary.

I now have a job working after school and she is starting the same thing over again. I am thinking about quitting my job so I'll have an excuse to be broke. The girls say there must be something wrong with a guy who can't even buy a Coke. How about this? —BROKE

Dear Broke: I hate to tell a fellow his mother is being unfair but I must in this case. Even if your mother is desperately hard up, she should allow you to keep a small amount of your earnings.

If, for example, you are making $20 a week, you should be able to keep $5 to spend as you wish. Please show her this column, and I hope it helps.

Dear Ann Landers: Ten years ago I was so madly in love with Frank that I went against my parents' wishes and converted to Frank's religion so we could be married. I also promised to rear the children in his faith.

We have six lovely children and I go to church regularly. Frank, however, stopped going to church two years ago and I can't get him to budge. He used to be devoutly religious and I can't figure it out. Please tell me what I can do? Would it help if I told him I won't go to church any more unless he goes with me? —MAGGIE

Dear Maggie: You made a promise—now stick with it. Frank is probably feeling guilty about something. Ask your clergyman to speak to him. If he was once "very religious" there may be a chance that the spark can be rekindled.

Dear Ann Landers: This letter is being written by two 15-year-old girls who have just returned from a double date. We both admit our guilt. Even on a double date we necked.

We are going steadily (but not steady) with these two wonderful fellows and we need some advice on how to keep things under control. Please don't misunderstand. We are not in any danger of losing our heads completely, we just want to be able to keep it down to a kiss or two. Thank you. —GUILTY ONES

Dear Guilty: There's nothing like bright lights and planned activity to keep the necking down to "one kiss or two." Also, if you stay out of parked cars, it will help. This is the favorite place for mushing it up. My booklet, "Necking and Petting and How Far to Go", goes into detail about such boy-girl hazards. It may help you. (Remember, though, it costs 20 cents and you must enclose a stamped, self - addressed envelope.)

"To Dumbest Woman Who Ever Was:" You aren't dumb, you're just uninformed, like millions of others. See a doctor and ask him to explain these things to you.

"Mad as a Wet Hen": Dry off and send me your name and address on a stamped enevlope. I've helped thousands of people through the mail and I can help you, too. It isn't possible to print "all" the letters in the paper.

To learn the knack of feeling comfortable with the opposite sex, send for "Ann Landers' " booklet "How To Be Date Bait," enclosing with your request 20 cents in coin and a large, self-addressed, stamped envelope.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper enclosing a stamped, self-addressed envelope.

Lomax Home Scene Of Halloween Party

Corn stalks and black cats decorated the home of Mr. and Mrs. Don Lomax, 1711 Lexington Avenue, when their daughter, Donna Diane, celebrated her 13th birthday with a gala party.

A witch on a broomstick and a large pumpkin jack-o-lantern were placed in the carport. Later in the evening, guests demonstrated their skill in throwing bean bags thrugh the mouth of the pumpkin.

A tour of the "House of Horros" and a gypsy fortune teller who predicted their futures were on the agenda for the teenagers.

Mr. and Mrs. Lomax were assisted in extending courtesies by Mrs. Jesse Lomax and Mrs. W. L. Herron.

Refreshments, carrying out the black and orange color scheme, were served in the dining room, which was decorated with fall floral arrangements of pyracantha and chrysanthemums. The celebrant served punch and her birthday cake, which was festive with a ghost and 13 pumpkin candles.

Favors and noisemakers were presented to Sandy Booth, Elaine Hanna, Nancy Gilliland, Dianne Womack, Mary Alice Yeldell, Carol Madden, Mary Eve Beckett, Peggy Dawson, Windy King, Julia Hoodemaker, Mercile Wisakowsky, Jean Carter, Kay Joyce, Susan Fisher, Linda Mantrozos, Dee Strickland, Mury Turner, Charles Walker, Branton Kellogg, Kent Dean, Larry Brown and Byron Davis.

Pi Beta Phi Alumnae Club Meets Here

Pi Beta Phi Alumnae Club of Monroe held their regular meeting Wednesday afternoon, October 26, in the Park Avenue home of Mrs. A. E. Montgomery Jr.

Refreshments were served by Mrs. Mntgomery prior to the business discussion.

Plans were made for the coming year, including a luncheon meeting in February; a business meeting in March, at which new officers will be elected; a Founders Day luncheon in April; and a coffee party in June for active members of the sorority.

During the Christmas holidays the club will honor new pledges and actives with a coffee party.

Mrs. Jack Rivers spoke to the club on "Pi Phi Traditions."

Alumnae invited to attend the meeting included Mrs. Edmund Brown, Mrs. W. O. Brown, Mrs. William D. Brown, Mrs. Lamar Buffington, Mrs. Ted Cash, Mrs. M. H. Collett, Mrs. Robert L. Curry III, Mrs. Victor Davis, Mrs. O. A. Easterling Jr., Mrs. T. B. Godfrey Jr., Mrs. Eleanor Howard, Miss Kay McCue. Mrs. Montgomery, Mrs. C. T. Walk in and wrap to a sleek, slim waist! Wide revers strike a gallant note on this ultra-easy casual. Choose wool jersey or cotton tweed, to keep place with your exciting life.

Printed Pattern 9303: Misses' Sizes 10, 12, 14, 16, 18, 20. Size 16 takes 3⅛ yards 54-inch fabric.

Send Thirty - five cents (coins) for this pattern — add 10 cents for each pattern for first - class mailing. Send to Marian Martin, News-Star p.m. 89.

Gelatin Molds

Two simple precautions are necessary in making most layered gelatin molds. Each layer should be chilled until almost firm before the next one is poured on; if too firm, however, they may slip apart when unmolded. Except for the first layer, gelatin mixtures should be cool and slightly thickened before adding. Hot or warm gelatin poured onto almost-firm gelatin will soften it.

YOUR PROBLEMS

Planned Activity Can Prevent Many Hazards

By ANN LANDERS

Dear Ann: I am a sixteen year old high school junior who needs some advice from an expert.

I worked all summer, hoping to save enough money to buy some clothes, and maybe take out a girl once in awhile. Well, my mother took my whole pay check and gave me back just enough for carfare and lunch. When I tell you I didn't have one extra penny in my pocket I am not exaggerating. Also, she would't give me any money to take a girl to a movie all summer. She said it wasn't necessary.

I now have a job working after school and she is starting the same thing over again. I am thinking about quitting my job so I'll have an excuse to be broke. The girls say there must be something wrong with a guy who can't even buy a Coke. How about this? —BROKE

Dear Broke: I hate to tell a fellow his mother is being unfair but I must in this case. Even if your mother is desperately hard up, she should allow you to keep a small amount of your earnings.

If, for example, you are making $20 a week, you should be able to keep $5 to spend as you wish. Please show her this column, and I hope it helps.

Dear Ann Landers: Ten years ago I was so madly in love with Frank that I went against my parents' wishes and converted to Frank's religion so we could be married. I also promised to rear the children in his faith.

We have six lovely children and I go to church regularly. Frank, however, stopped going to church two years ago and I can't get him to budge. He used to be devoutly religious and I can't figure it out. Please tell me what I can do? Would it help if I told him I won't go to church any more unless he goes with me? —MAGGIE

Dear Maggie: You made a promise—now stick with it. Frank is probably feeling quilty about something. Ask your clergyman to speak to him. If he was once "very religious" there may be a chance that the spark can be rekindled.

Dear Ann Landers: This letter is being written by two 15-year-old girls who have just returned from a double date. We both admit our guilt. Even on a double date we necked.

We are going steadily (but not steady) with these two wonderful fellows and we need some advice on how to keep things under control. Please don't misunderstand. We are not in any danger of losing our heads completely, we just want to be able to keep it down to a kiss or two. Thank you. —GUILTY ONES

Dear Guilty: There's nothing like bright lights and planned activity to keep the necking down to "one kiss or two." Also, if you stay out of parked cars, it will help. This is the favorite place for mushing it up. My booklet, "Necking and Petting and How Far to Go", goes into detail about such boy-girl hazards. It may help you. (Remember, though, it costs 20 cents and you must enclose a stamped, self - addressed envelope.)

"To Dumbest Woman Who Ever Was:" You aren't dumb, you're just uninformed, like millions of others. See a doctor and ask him to explain these things to you.

"Mad as a Wet Hen": Dry off and send me your name and address on a stamped enevlope. I've helped thousands of people through the mail and I can help you, too. It isn't possible to print "all" the letters in the paper.

To learn the knack of feeling comfortable with the opposite sex, send for "Ann Landers' " booklet "How To Be Date Bait," enclosing with your request 20 cents in coin and a large, self-addressed, stamped envelope.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper enclosing a stamped, self-addressed envelope.

Lomax Home Scene Of Halloween Party

Corn stalks and black cats decorated the home of Mr. and Mrs. Don Lomax, 1711 Lexington Avenue, when their daughter, Donna Diane, celebrated her 13th birthday with a gala party.

A witch on a broomstick and a large pumpkin jack-o-lantern were placed in the carport. Later in the evening, guests demonstrated their skill in throwing bean bags thrugh the mouth of the pumpkin.

A tour of the "House of Horros" and a gypsy fortune teller who predicted their futures were on the agenda for the teenagers.

Mr. and Mrs. Lomax were assisted in extending courtesies by Mrs. Jesse Lomax and Mrs. W. L. Herron.

Refreshments, carrying out the black and orange color scheme, were served in the dining room, which was decorated with fall floral arrangements of pyracantha and chrysanthemums. The celebrant served punch and her birthday cake, which was festive with a ghost and 13 pumpkin candles.

Favors and noisemakers were presented to Sandy Booth, Elaine Hanna, Nancy Gilliland, Dianne Womack, Mary Alice Yeldell, Carol Madden, Mary Eve Beckett, Peggy Dawson, Windy King, Julia Hoodemaker, Mercile Wisakowsky, Jean Carter, Kay Joyce, Susan Fisher, Linda Mantrozos, Dee Strickland, Mury Turner, Charles Walker, Branton Kellogg, Kent Dean, Larry Brown and Byron Davis.

Pi Beta Phi Alumnae Club Meets Here

Pi Beta Phi Alumnae Club of Monroe held their regular meeting Wednesday afternoon, October 26, in the Park Avenue home of Mrs. A. E. Montgomery Jr.

Refreshments were served by Mrs. Mntgomery prior to the business discussion.

Plans were made for the coming year, including a luncheon meeting in February; a business meeting in March, at which new officers will be elected; a Founders Day luncheon in April; and a coffee party in June for active members of the sorority.

During the Christmas holidays the club will honor new pledges and actives with a coffee party.

Mrs. Jack Rivers spoke to the club on "Pi Phi Traditions."

Alumnae invited to attend the meeting included Mrs. Edmund Brown, Mrs. W. O. Brown, Mrs. William D. Brown, Mrs. Lamar Buffington, Mrs. Ted Cash, Mrs. M. H. Collett, Mrs. Robert L. Curry III, Mrs. Victor Davis, Mrs. O. A. Easterling Jr., Mrs. T. B. Godfrey Jr., Mrs. Eleanor Howard, Miss Kay McCue. Mrs. Montgomery, Mrs. C. T. Gelatin Molds

Two simple precautions are necessary in making most layered gelatin molds. Each layer should be chilled until almost firm before the next one is poured on; if too firm, however, they may slip apart when unmolded. Except for the first layer, gelatin mixtures should be cool and slightly thickened before adding. Hot or warm gelatin poured onto almost-firm gelatin will soften it.

John Favors Legislative Special Meet

Rep. Mike John Jr. of Monroe issued a statement yesterday saying he was "gratified" Gov. Jimmie H. Davis called a special session of the Legislature starting November 4.

Here is John's statement:

"I am gratified to learn that Governor Davis has issued a call for a special session of the legislature to convene on November 4.

"It is a matter of record that I have supported such a move since the recent court decision ordering integration in the New Orleans public schools.

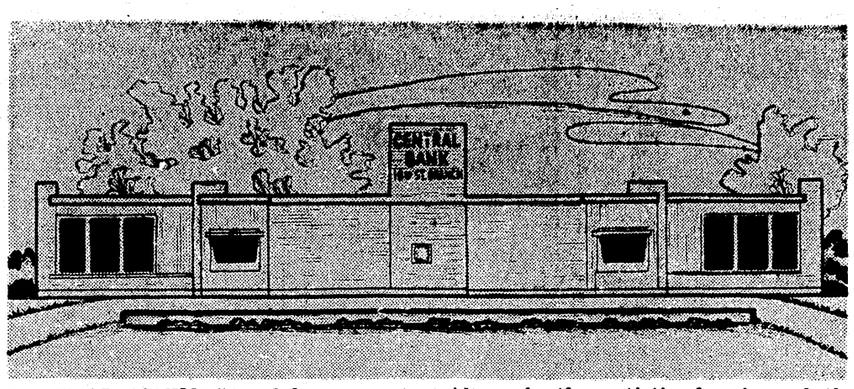

"The time has finally arrived when there must be a show-down on the vital issues of states rights in all matters of legislation. I therefore strongly support a policy that calls for legislative interposition to finally determine what rights of self-government, if any, rests with the state legislature and the governor.

"We are at a critical crossroad in the forward progress of our state and nation. Continued debate, delay and doubt as to where we stand, and to where we are headed, is not only discouraging but destructive to the rights of the majority of our citizens. I am willing to do everything within my power as a legislator to protect and re-capture the rights of the majority of our citizens that are now slowly but surely being deprived of their rights by the efforts of a minority group.

"If we lose the basic inherent states rights only guaranteed to us under the Constitution, we will eventually lose all individual rights. And the wise policy of equal but separate school facilities serves to prevent any discrimination against white or Negro student. Integration is not the answer because integration serves to discriminate against both the white and the Negro child.

"There, in the coming special session I will strongly support all measures that will maintain segregation in our schools and preserve states rights in our government."

CENTRAL SAVINGS Bank has announced opening of a new branch Tuesday. | Above is the artist's drawing of the structure.

Central Bank Plans Opening New Branch

Central Savings Bank will open a new branch office, its sixth, at 1101 Eighteenth Street, next Tuesday November 1.

Formal open house for the modern structure will be on Tuesday November 8, from 8 a.m. to 7 p.m., according to John A. Rudisill, vice president and trust officer.

Located across from the Ouachita Public Library's main building, the bank will feature two drive in windows, a night depository service, and be convenient to the east and north areas of Monroe.

Prizes will be given away every half hour throughout the formal opening day, and entertainment will be provided.

There will be refreshments and gifts for everyone.

Banking hours will be the same as the other Twin City banks: 9 a.m. to 2 p.m. Monday through Friday, plus banking from 3 to 6 p.m. Fridays.

Ira Phillips will be assistant cashier and manager. He has been with the Jackson Street branch since 1958.

Staff members will be named soon.

Rudisill said that more than $50,000 has been spent to remodel the building. The building is faced in stucco, with wooden drive - in windows. It was acquired on a long - term lease.

Police Probing Separate Thefts Battery, Bicycle

Monroe city police yesterday reported two separate thefts which the department is currently investigating.

A DeSiard Street businessman complained that a battery was stolen from a 1958 model car which was parked on a used car lot. The theft occurred within a 24 - hour period beginning late Wednesday. The battery was valued at $10.

In a separate case, an Island Drive resident said a bicycle parked on the bank of Bayou DeSiard nearby was stolen sometime Wednesday. He did not specify the value of the vehicle.

Police records revealed only two arrests were made early yesterday.

Frank Balsamo, 23, 312 Adams St., was picked up at 300 Adams St. and charged with driving while under the influence of intoxicants and placed under $438 bond.

He will appear in city court November 2.

J. J. Cooper, 66, who gave his address as city jail, was arrested at Sixth Street and Harrison on a drunk and disorderly charge. His bond is set at $28 and trial is set for November 4.

West Monroe's Court Docket Is Light Friday

Action was light in West Monroe city court yesterday with only three cases tried before Judge Jasper Jones.

A Negro, Sam Smith of 711 Wood St., Monroe, was fined $25 and costs or 25 days in jail for disturbing the peace.

Another Negro, McKinley Conway, of 1601 Swayze St., Monroe, was fined $5 for running a stop sign.

Joseph F. Farmer, of El Dorado, Ark., was turned over to the Ruston Police Department. West Monroe police had picked him up for them.

John Favors Legislative Special Meet

Rep. Mike John Jr. of Monroe issued a statement yesterday saying he was "gratified" Gov. Jimmie H. Davis called a special session of the Legislature starting November 4.

Here is John's statement:

"I am gratified to learn that Governor Davis has issued a call for a special session of the legislature to convene on November 4.

"It is a matter of record that I have supported such a move since the recent court decision ordering integration in the New Orleans public schools.

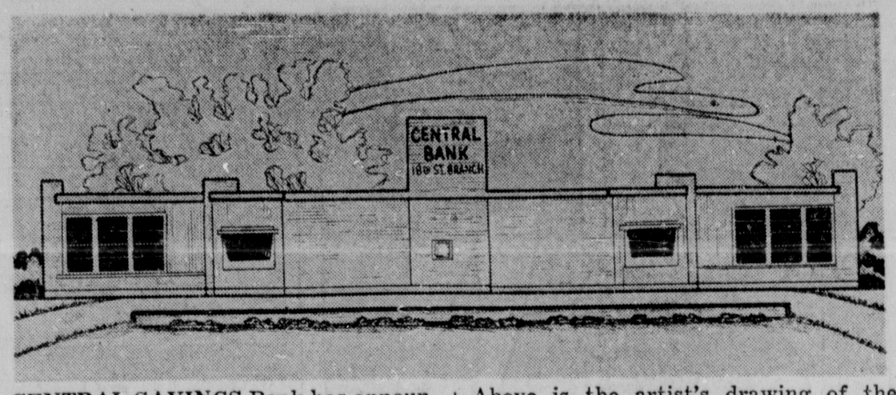

"The time has finally arrived when there must be a show-down on the vital issues of states rights in all matters of legislation. I therefore strongly support a policy that calls for legislative interposition to finally determine what rights of self-government, if any, rests with the state legislature and the governor.

"We are at a critical crossroad in the forward progress of our state and nation. Continued debate, delay and doubt as to where we stand, and to where we are headed, is not only discouraging but destructive to the rights of the majority of our citizens. I am willing to do everything within my power as a legislator to protect and re-capture the rights of the majority of our citizens that are now slowly but surely being deprived of their rights by the efforts of a minority group.

"If we lose the basic inherent states rights only guaranteed to us under the Constitution, we will eventually lose all individual rights. And the wise policy of equal but separate school facilities serves to prevent any discrimination against white or Negro student. Integration is not the answer because integration serves to discriminate against both the white and the Negro child.

"There, in the coming special session I will strongly support all measures that will maintain segregation in our schools and preserve states rights in our government."

CENTRAL SAVINGS Bank has announced opening of a new branch Tuesday. | Above is the artist's drawing of the structure.

Central Bank Plans Opening New Branch

Central Savings Bank will open a new branch office, its sixth, at 1101 Eighteenth Street, next Tuesday November 1.

Formal open house for the modern structure will be on Tuesday November 8, from 8 a.m. to 7 p.m., according to John A. Rudisill, vice president and trust officer.

Located across from the Ouachita Public Library's main building, the bank will feature two drive in windows, a night depository service, and be convenient to the east and north areas of Monroe.

Prizes will be given away every half hour throughout the formal opening day, and entertainment will be provided.

There will be refreshments and gifts for everyone.

Banking hours will be the same as the other Twin City banks: 9 a.m. to 2 p.m. Monday through Friday, plus banking from 3 to 6 p.m. Fridays.

Ira Phillips will be assistant cashier and manager. He has been with the Jackson Street branch since 1958.

Staff members will be named soon.

Rudisill said that more than $50,000 has been spent to remodel the building. The building is faced in stucco, with wooden drive - in windows. It was acquired on a long - term lease.

Police Probing Separate Thefts Battery, Bicycle

Monroe city police yesterday reported two separate thefts which the department is currently investigating.

A DeSiard Street businessman complained that a battery was stolen from a 1958 model car which was parked on a used car lot. The theft occurred within a 24 - hour period beginning late Wednesday. The battery was valued at $10.

In a separate case, an Island Drive resident said a bicycle parked on the bank of Bayou DeSiard nearby was stolen sometime Wednesday. He did not specify the value of the vehicle.

Police records revealed only two arrests were made early yesterday.

Frank Balsamo, 23, 312 Adams St., was picked up at 300 Adams St. and charged with driving while under the influence of intoxicants and placed under $438 bond.

He will appear in city court November 2.

J. J. Cooper, 66, who gave his address as city jail, was arrested at Sixth Street and Harrison on a drunk and disorderly charge. His bond is set at $28 and trial is set for November 4.

West Monroe's Court Docket Is Light Friday

Action was light in West Monroe city court yesterday with only three cases tried before Judge Jasper Jones.

A Negro, Sam Smith of 711 Wood St., Monroe, was fined $25 and costs or 25 days in jail for disturbing the peace.

Another Negro, McKinley Conway, of 1601 Swayze St., Monroe, was fined $5 for running a stop sign.

Joseph F. Farmer, of El Dorado, Ark., was turned over to the Ruston Police Department. West Monroe police had picked him up for them.

Visits U.S. Hospital

JAKARTA, Indonesia (AP)—President Sukarno Friday paid a one-hour visit to the American floating hospital center Hope, then he visited for an hour at the Soviet Sputnik industrial exhibition hall here.

Illegal Use Of Weapon Draws Fine

Judge W. M. Harper fined a Negro, Ira Lee Briggs of 916 Marx St., $350 and court costs or seven months in jail for illegal use of a weapon in Monroe City Court yesterday.

In other action, Richard Redmond of 901 Wilson St. was fined $50 and costs for disturbing the peace and John T. Singleton of 119 Vernon St. was fined $25 and costs for public drunkenness.

Willie Davenport, Negro of 112½ Hipp Mark Alley, was fined $25 and costs on a fighting charge. Ella Wroten, Negro of 1404 DeSiard St., had charges of fighting nolle prossed against her in connection with the Davenport case.

Johnnie Carl Hammonds, Negro of 906 South 18th St., forfeited a $35 bond on charges of public drunkenness.

Charges of theft gainst Clinton McDaniel and Acie B. McVay were nolle prossed. McDaniel was charged with theft by check and McVay was charged with theft of a boat.

In traffic court cases, two persons were fined for reckless driving. They include Willie Hilles Jr., $10.50; and Jim Trighleth, 201 Adams St., $25 and costs. Jerry Elmore of Lisbon was fined $5 and costs for running a red light.

Six overparking fines were paid, and seven persons forfeited bonds for speeding. They include on the speeding charges, Andrew Vallery, 4305 Petain St.; George Wallace, Negro of 101 Manassas; Charles W. Bracken, Route One, West Monroe; Lannie B. Dortch, 905 Pine St., West Monroe; James W. Freeman, 1710 South Third St.; Charlotte Hamilton, 1300 Island Drive; and Edna Jackson, Negro of Chatham. All forfeited $11 bonds.

A warrant was issued for Waiter L. Orndoff, 1112 Waldorff St., Rayville, charged with speeding. Orndoff failed to appear in court.

Three persons forfeited $11 bonds for running a red light. They include Paul Cook, 510 Crosley St., West Monroe; Marilyn Conerly, Route One, West Monroe; and Jimmy E. Eldridge, 312 North Third St.

Forfeiting bonds for reckless driving were Jettie C. Cotton, 309 North Seventh St., West Monroe; H. D. Matkins, Sterlington; and Clyde B. Mitchell, Negro of 4001 Halsell St. They forfeited $31 bonds.

Forfeiting bonds in other traffic violations were Fred Ford Jr., 412 Cypress S., West Monroe, charged with not stopping for a stop sign; Cecil Phillips, making a U - turn; and Patricia Harper, 2606 Gordon Avenue, for going down a one way street the wrong way.

Largest Parade Ever Staged At Winnsboro

WINNSBORO (Special) —Thousands of spectators lined the streets here yesterday for the Winnsboro High School's annual homecoming parade at 3:30 p.m.

This was the largest parade ever staged in Winnsboro, and included 22 decorated floats.

Cash awards were presented to first, second and third place winners in the high school float division, and first second and third place trophies were presented to winners in the commercial and civic club division.

The $25 award in the high school division went to the Senior Class float, with second place of $15 going to the student council float and third place of $10 going to the black and gold Gazatte float. Honorable mention was given to the Glee Club, tenth grade and Spanish class floats.

Winners in the commercial and civic division were Mulhearn's Flower Shop, first; Garden Gate Garden Club, second; and Franklin Parish Library, third.

Winers in the decorated bicycle division include first place, Jan Williamson; second, Billy Joe Ray; third, Mary Kay Robinson; fourth place, Ginger Scriber; and fifth place, Peggy Elrod.

Included in the parade were Homecoming Queen Betty Thompson and her court, junior and senior marching bands, color guards and the Franklin Parish Riding Club.

The homecoming queen was crowned in pregame ceremonies last night by S. W. Williamson, principal of Winnsboro High School. The school played Oak Grove.

Largest Parade Ever Staged At Winnsboro

WINNSBORO (Special) —Thousands of spectators lined the streets here yesterday for the Winnsboro High School's annual homecoming parade at 3:30 p.m.

This was the largest parade ever staged in Winnsboro, and included 22 decorated floats.

Cash awards were presented to first, second and third place winners in the high school float division, and first second and third place trophies were presented to winners in the commercial and civic club division.

The $25 award in the high school division went to the Senior Class float, with second place of $15 going to the student council float and third place of $10 going to the black and gold Gazatte float. Honorable mention was given to the Glee Club, tenth grade and Spanish class floats.

Winners in the commercial and civic division were Mulhearn's Flower Shop, first; Garden Gate Garden Club, second; and Franklin Parish Library, third.

Winers in the decorated bicycle division include first place, Jan Williamson; second, Billy Joe Ray; third, Mary Kay Robinson; fourth place, Ginger Scriber; and fifth place, Peggy Elrod.

Included in the parade were Homecoming Queen Betty Thompson and her court, junior and senior marching bands, color guards and the Franklin Parish Riding Club.

The homecoming queen was crowned in pregame ceremonies last night by S. W. Williamson, principal of Winnsboro High School. The school played Oak Grove.
